UPHELD BY SUPREME COURT.

Decision a Victory for State in Carolina Glass Company Case.

Columbia, Nov. 17.—The dispensary commission has won practically every point in the Carolina Glass case. The commission will retain the sum of \$23,000, claimed to be due the glass company by the county dispensary boards, and which was held up under the provisions of the act of 1910. The Supreme Court today gave a decision declaring the act of 1910 to be constitutional insofar as it turns over the dispensary money to the commission, but unconstitutional insofar as it attempts to confer judicial powers in the dispensary commission and create a lien on the property of the Carolina Glass Company. The commission was sustained in finding that the glass company overcharged the State for more than \$51,000. The decision will not affect the work of the dispensary commission. The opinion is by Associate Justice Hydrick.

The decision of the Supreme Court settles permanently the question as to whether the commission has acted wisely and justly in holding up and collecting the several claims under the act of 1910.

Help With Collections.

100 MEXICAN RIOTERS KILLED.

Number May Possibly Reach 500—Fight Near U. S. Line

El Paso, Tex., Nov. 21.—One hundred persons were killed in rioting at Zacatecas in the State of Zacatecas five hundred miles south of the United States line, Saturday night according to reports received this morning.

The soldiers fired into a struggling body of rioters with disastrous effect. One hundred is the lowest estimate of the loss of life, which may reach five hundred.

The American consul telegraphed the first news of the riot to the Mexican consul at San Antonio stating that the town was in a state of terror and the loss of life was not less than a hundred.

No details were given.

Crippen Must Die To-Morrow.

London, Nov. 21.—Dr. H. H. Crippen must die on the gallows Wednesday for the murder of his wife, Belle Elmore Crippen.

His last hope of escape was swept away to-day when Home Secretary Winston Churchill held ineffective a petition praying commutation of Crippen's death sentence.

OCONEE COUNTY CORN SHOW.

It Will Be Held Next Saturday, the 20th, at 10.30 O'clock.

All demonstrators, and boys who are in the corn club, also all corn growers in the county, should come and bring ten ears of seed corn. We want this corn show to be the means of at least 50 acres of land in Oconee making one hundred bushels per acre in 1911. Join us, one and all; it means nothing, but means something. Come over and help us. Ira W. Williams, the State agent, will be present and he will fire up your energy if you have any. Come one, come all!
M. G. Holland.

Croup is more prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes and it has never disappointed them. Sold by Dr. J. W. Bell, Walhalla; C. W. Wickliffe, West Union.

Dynamite in His Pocket.

Bassfield, Miss., Nov. 17.—Marvin Hudson, a farmer near here, placed a stick of dynamite in his pocket to take to employees in the field, stumbled and fell. That he was not blown to pieces when the dynamite exploded is marvelous. His injuries are such, however, that he will die.

Crippen's Father is Dead.

Los Angeles, Cal., Nov. 19.—Myron H. Crippen, the aged father of Dr. Hawley H. Crippen, under sentence of death in London for the murder of his wife, died to-day in this city, friendless and penniless. His death, due to the infirmities of age, was hastened by grief over his son's crime.

The elder Crippen was 80 years old. Hawley Crippen, a son of Dr. Crippen, was with his grandfather during the night, but left before death came.

Dr. Crippen was the sole support of his father, and since the son's flight from London with Ethel Levee, and his arrest in Canada some months ago, no remittance had come. Facing actual starvation, he was saved by a few persons who knew him. The landlady of the rooming house gave him a room and a restaurant, at whose place he had been accustomed to buy his meals, supplied them free.

COL. WILLIAM BUTLER DEAD.

Served in Confederate Army and Was in Command of Fort Sumter.

Greenville, Nov. 20.—Col. William Butler died at his home here this morning at 1 o'clock in his 80th year.

Col. Butler was a brother of Gen. Marion C. Butler and was the son of Dr. William and Jane Perry Butler. His mother was a sister of Commodore Perry, of the navy. He was born near Greenville, and in early life selected a business career which he pursued with success until he was appointed to the regular army. At the outbreak of the War Between the Sections he resigned from the United States army and entered that of the Confederate States, in which he rose to the rank of colonel. He was noted for his high sense of justice, his dignity of character and for his coolness in danger. An incident illustrating his coolness is told of him during the time he was in command of Fort Sumter. On one occasion he noticed smoke pouring from a powder magazine, when, without losing his equanimity for a second, he called one of his men and with him rushed into the building, where they prevented an explosion by throwing out some burning rags which had been set afire by sparks from a soldier's pipe.

After the war he was engaged in government work and as a planter. While serving with the old army at Fort Leavenworth, Kans., Col. Butler married Miss Eugenia Ransome, of North Carolina, a sister of Senator Ransome and of Gen. Robt. Ransome. Three children survive him, William Butler, of Norfolk, Va.; Raymond P. Butler, of Savannah, and Mrs. L. B. Stone, of Greenville.

Col. Butler is the third brother of this family to die within a year. Dr. P. P. Butler, of Union, having died only a short while ago, and Gen. M. C. Butler having passed away within the year.

From Madison Rural Route.

Madison, R. F. D. No. 1, Nov. 19.—Special: Mrs. Will Smith, who has been sick for some time with grip, is not improving very fast.

Senator J. R. Earle's lecture on the laymen's movement to the members of Old Liberty church was very interesting, and we trust will prove a great benefit to the church.

Rev. R. L. Davis, of Toccoa, Ga., will be the pastor of Old Liberty church for the coming year.

The corn shucking at J. P. Powell's last Thursday was a most enjoyable occasion. The shucking being finished at 8.30, a most sumptuous supper was served, after which the young folks were entertained in the parlor with music and the playing of old-time games until 12 o'clock, when they all took leave for their homes. Among the games was a guessing contest as to the number of grains on a certain ear of corn. Miss Ridley won the prize and Mr. Smith the booby. Several from Toccoa were present and all had a delightful time.

Saves an Iowa Man's Life.

The very grave seemed to yawn before Robert Madsen, of West Burlington, Iowa, when, after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvellous curative power of Electric Bitters. For after eight months of frightful suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors, five bottles of this matchless medicine completely cured him. It's positively guaranteed for stomach, liver or kidney troubles and never disappoints. Only 50c. at all druggists.
