—James H. Finley, a prominent and prosperous farmer, who resided near Westminster, died at his home last Wednesday, the 6th. He had been in feeble health for some time. He leaves a wife and four children to mourn his death—Mrs. G. B. Lawrence, of Pickens county, Arthur, W. E. and J. R. Finley, of this county. The deceased moved to Oconee from Laurens county about eighteen or twenty years ago. He was a good citizen and a consistent member of the Baptist church. Funeral services were held Thursday, the interment being made in the cemetery at Westminster. There are many in the county who will join with us in extending to the bereaved ones sympathy in their sorrow.

—On Tuesday night, December 5, the store of the Cash Grocery Company (Schumacher Bros.) was entered from the rear by a party or parties of burglarious proclivities. The cash drawer was torn loose, and the cash, amounting to a little over \$3, that had been left in the drawer was stolen. If any goods were taken the proprietors have so far been unable to detect it. There have been a number of petty thefts of this kind in Walhalla during the past few months, and merchants and other business people would do well to take extra precautions with regard to their cash, even in small amounts, and also as to protecting their property against such thieves by looking after the weak spots at back doors and cellars.
