From a press notice we take the following brief extract, which tells how the play and players have been received: "This extraordinary comedy-drama ran in New York for a whole season and was the talk of the town. The Devil appears as an educated gentleman whose wit and wide knowledge of life would pass in any society. The plot deals, on his part, in succeeding in almost separating a young couple who might have lived happily together. Human souls to him are like tops to a child." The role of the Devil will be faithfully portrayed by Mr. Waldmann himself, while the parts of Olga, the young wife; Karl, the artist; Mimi, the model; Elsa, the sweetheart; Hoffman, the husband, and all the others, will be in the hands of competent people. Remember that this great play will be presented next Monday, April 15th, at the opera house in Walhalla. Be sure to see it. The prices are 25, 35 and 50c.

About an hour after, however, a crackling noise was heard and the roof was discovered to be on fire. Had it not been for the quick assistance rendered by about fifteen near neighbors, white and colored, who gathered within a few minutes after the alarm was given, the fire would have been beyond control. About six feet square of the roof was burned.

FORD

Ford Model T Commercial Roadster.

The cost of an automobile is not what you pay for it, but what you keep on paying.

The car that shows the greatest economy of repairs, runs the longest on a set of tires, rides the farthest on a gallon of fuel, is the best to buy, provided the initial cost is right.

That car is the FORD MODEL T. It is the lightest weight motor car in the world—size, power and capacity considered—60 pounds to each horse power; is built throughout of vibration-resisting Vanadium steel; goes 25 miles on one one gallon of gasoline, and from 5,000 to 10,000 miles on a single set of tires.

Don't buy a Ford just because its initial cost is right. Buy it because the cost of maintenance stays right.

Ford branches and dealers in all cities, towns and villages are at your elbow with Ford Service for Ford Owners.

Almost a Miracle.

One of the most startling changes ever seen in any man, according to W. B. Hoislaw, Clarendon, Texas, was effected years ago in his brother. He writes that "all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent results." It's quick, safe, reliable and guaranteed. Price 50c. and \$1. Trial bottle free at all druggists.
