Mr. Doyle recently was taken seriously ill and is now seeking health through a needed rest in this section of the Piedmont country. He is a son of a former Oconeean, James H. Doyle, well known to our people. Earle Doyle is cashier of the City National Bank of Granbury, of which his father is president. Julian Denny, formerly of Walhalla, is an assistant cashier. Mr. and Mrs. Doyle are receiving a hearty welcome in Walhalla.

—The track meet Friday afternoon between the 4th and 5th grades proved to be very interesting. The score was: Fifth grade, 53; fourth grade, 26. First place was won by James Fricks, of 5th grade, with 24½ points; second place by Derrill Hayes, of 5th grade, with 16 points; third place by Robert Kay, of 4th grade, with 11½ points. The features of the meet were the vaulting of James Fricks and Robert Kay. Fricks cleared the bar at 7 feet 6 inches. The time of the 100-yard dash was 13 seconds, which is very fast time for boys of their ages.

—Shingle mill and engine for sale on easy terms. T. E. Alexander, Walhalla, S. C.

—Friends here of Rev. M. M. Kinard will be pleased to know that the Lutheran Synod of North Carolina has again honored him by electing him president of that body for another term. Rev. Mr. Kinard is now pastor of the Lutheran church at Salisbury, N. C., where he has been for some years.

—Bruce Breazeale, of Texas, spent some time in Walhalla last week among old friends. This was his first visit to Oconee in 36 years. He is remembered by many of the older citizens of the town and county. At one time he was deputy sheriff, serving under his brother, Sheriff Samuel Breazeale, deceased.

—W. S. Frasier, a former citizen of Walhalla, was among his many friends here for a short while last week, visiting at the home of his daughter, Mrs. J. D. Todd. He left Saturday for Lockhart, where he will be for some time with relatives, having gone in answer to a telegram informing him of the critical illness of his grandson, Pickens Garvin. The many friends of the family hope for the restoration to health of the youth.

—Now is the time to buy a first-class middle-burster. W. M. Brown sells them, and the price is right.

—Grady Keese, colored, who escaped from the county chain gang some weeks ago, was captured near Seneca last week and returned to the driver about the convict camp, and while a short distance from the other convicts he made his escape. Vigilant watch has been maintained for him, however, and his absence from the gang was comparatively short. He will begin over again on serving out his original sentence, having forfeited credit for the time—about six weeks—that he had served.

—Last Monday the Oelkers residence, occupied by Mr. and Mrs. L. H. White, on Main street, caught fire on the roof from a defective flue, it is supposed. There was but small damage done to the building, a bucket brigade having been quickly organized, which did effective work. Rev. G. M. Wilcox received a painful but not serious cut on the head, being struck by a bucket thrown from the roof. A physician attended to the wound at once, taking three stitches therein, and the fire-fighter was once more "just as good as new."

—The Paul Hayne Circle enjoyed a Shakespeare meeting with Miss Gertrude Smith last Tuesday afternoon. Miss Smith received in her spacious living room, where the regular literary program was carried out, after which she asked the guests into the parlor, where a contest, "Plays on Shakespeare's Plays," was arranged. After much merriment Mrs. Bell was conceded first place as a connoisseur of the plays of our greatest English poet. She received as first prize a copy of "All's Well That Ends Well." Mrs. Geo. Ansel received the consolation, "A Comedy of Errors." The hostess then invited her guests into the dining room, where a strawberry course was served, strawberries being carried out in every detail of the decorations.

—Kay Sloan, 10-year-old son of Mr. and Mrs. B. P. Sloan, of the Salem section, is quite ill at the home of his parents, having sustained a painful wound Sunday afternoon while playing with a number of boys of his age about a mile and a half from his home. Kay was barefooted, and while running struck his foot against a piece of glass, cutting the foot near the heel, the glass going to the bone. He was picked up and taken to the home of a neighbor, but became very weak from loss of blood before a physician could be summoned to give medical aid. After the bleeding had been stopped by Dr. S. S. Meroney, the young sufferer was carried home on an improvised stretcher. Monday he was doing as well as could be expected, though still very weak. We hope that he may soon be quite himself again.

—If it's wagons you are talking about buying, then come and let me show you. We've got 'em, and prices are the lowest and terms the easiest. W. M. Brown, Walhalla, S. C.

—Walhalla has won from Seneca in two exciting basket ball games—the first to be played in Oconee county between school teams. The first game was played in Seneca Wednesday May 8th. At the end of the first half the score was 1 to 0 in favor of Walhalla. In the second half, after a few minutes' play, Walhalla got a good lead, scoring several points in rapid succession, and at the end of the game the score stood 9 to 4 in favor of Walhalla. In the second game, played in Walhalla Monday afternoon, Walhalla started the scoring with 1 point, thrown from the foul line. At the end of the first half the score was 3 to 5 in favor of Seneca, but when play was resumed Walhalla went in with the determination to win, and after fifteen minutes of exciting playing Walhalla was declared winner, with the score 15 to 10. These are the first interscholastic games of basket ball played in Oconee county, and Walhalla has good reason to be proud of her school girls. The girls started practice the last of January, before which time none of them had ever tried to play and very few of them had even seen a game. There has been a great deal of enthusiasm shown by all of the girls, and with practice in the early part of the season next fall they will have an excellent team.

—Mrs. Walters, of Madison, spent the week-end in Walhalla with her mother, Mrs. C. A. Burton, and family.

—Robert Phinney, of Richmond, Va., is spending some time in West Union visiting his brother, James Phinney.

—Anderson Mail: "Married, on Sunday morning, May 12, at the home of the bride's father, in Townsville, Miss Genie Compton and Oliver Milford. Rev. J. E. Cook, of the Methodist church, officiated."

—Geo. A. Harrison returned yesterday from Johns-Hopkins Hospital, Baltimore. He was accompanied on his return by Dr. J. W. Bell. The Doctor reports Mrs. James Seaborn as improving rapidly from her ailment and from the effects of an operation performed last week.

—There are now forty-seven candidates. Three new ones this week: J. R. Cleland, Madison, and Yancy C. Langston, Seneca, for Supervisor; J. B. Tompkins, Oakway, for County Commissioner. There are now ten candidates in the field for County Supervisor.

—Clerk of Court John F. Craig is becoming quite a popular performer of marriage ceremonies. Last Saturday, May 11th, in the Clerk's office he joined in marriage Miss Mary McCull, of Pickens county, and Ira E. Swafford, of the Long Creek section of Oconee, and on Monday, at the same place, he officiated at the marriage of Miss Effie Crain and D. M. Willis, both of Walhalla. Mrs. Willis is a daughter of M. C. Crain. Mr. and Mrs. Willis will make their home in Atlanta, Ga., for which city they will leave to-day. Both couples have a number of friends throughout the county, who will join with us in extending congratulations and good wishes.

—Rev. Edward S. Jones, pastor of St. Paul's Methodist church, Greenville, was most heartily welcomed by the people of Walhalla last Sunday on the occasion of his visit in answer to an invitation to preach the baccalaureate sermon to the children of the Walhalla Graded School. Rev. Mr. Jones preached an excellent sermon to the children in the morning, making self-control the central thought. At the evening service he again occupied the pulpit and was listened to attentively by a large audience. He is pleasantly remembered here, having served this charge as pastor for four years, and possibly no pastor of this church has ever left the work more universally loved than did Mr. Jones.

—The Walhalla Methodist Sunday school, it is hoped, will be able to enroll 200 pupils next Sunday, and the officers, teachers and pupils are working to that end during this week. There are at present on the roll about 150. The Methodist parents are urged to lend every energy to this work and to see that all children of Methodist families are at the Sunday school rooms next Sunday morning and that their names are enrolled and that they continue on the rolls for prompt and regular attendance. All interested in this work are urged to give it thought and attention during this week, and, where possible, to attend the Sunday school service themselves, thus adding weight to the efforts that are being made to draw into the Sunday school all those who ought to be there.

—There will be special services at St. John's Episcopal church, Walhalla, on Monday afternoon, May 27th, at 4 o'clock, to which the general public is cordially invited. On that occasion Bishop Guerry will be present to conduct the service and deliver the sermon. It is deeply regretted that the Bishop's visit will be so short, but owing to pressure of his duties as Bishop he will be in Walhalla but a few hours, going from here to Seneca, where he will address the children of the graded school of that place, and will also conduct an evening service in the Seneca Episcopal church. From there he will go to North Carolina on church business. On Sunday preceding the Bishop's visit (May 26th) Rev. W. N. Tillinghast, rector of St. John's, will hold the regular service here at 8.30 p. m. Other denominations and the public in general will be cordially welcomed.

—A cookery class has been started among the women of "The Faithful Service Club" in the mill village. The club members are as much in earnest in learning the art of cookery as they are in their other work. A good attendance is the rule, and the families of the members are now having delicious soups, tender biscuit and rolls, properly cooked vegetables and simple, inexpensive desserts. A sample of the latter is often sent to the sick members. Emphasis is laid on the necessity of cooking food so that it may be digestible. Miss Ruth White, the domestic science teacher of Monaghan Mills, Greenville, is the instructor, and will be here the rest of the week. The club members are planning to entertain their husbands at a banquet the last of the week, at which they will serve some of the new dishes they have learned to prepare. This is only one of many new features that go to show that the Walhalla mill village is progressing in the right direction.

—The Civic League met at the Court House Friday afternoon of last week. Eight members responded to roll call. The purpose of the meeting was the election of officers and the disposition of funds on hand. The officers are as follows: Mrs. J. A. Steek, president, (re-elected); Mrs. Jas. H. Darby, vice president; Mrs. J. A. Ansel, recording secretary; Miss Gertrude Smith, corresponding secretary; Miss May Bell, treasurer. The League has decided on the Court House as a permanent place of meeting, and the fourth Friday of each month was made the regular meeting day. It cannot be urged too strongly upon the members to attend these meetings promptly, the hour being 5 o'clock, and to come with the intention of all working together for the up-lift of our town. The members want to do all they can to add to the attractiveness of Walhalla and to help retain those beauties which nature has so lavishly bestowed in the way of trees, etc. The money on hand will be used to the best advantage with this in view, and the League hopes and begs for the support of every citizen of Walhalla in the work it purposes doing.

—Paints, roofing, guttering, etc. See D. E. Good, Walhalla.

—Jas. M. Moss is in Columbia attending the State Democratic Convention.

—The Foreign Missionary Society of the Walhalla Methodist church will meet next Monday afternoon at 4 o'clock at the church. All members are urged to attend promptly.

—The pastor, Rev. C. S. Blackburn, requests us to announce that prayer meeting in the Walhalla Baptist church will be held to-morrow (Thursday) afternoon at 4.30 o'clock, instead of the usual night hour. This change is made this week on account of the closing exercises of the Walhalla Graded School.

—J. W. Shelor left yesterday afternoon for Columbia, where he will attend the State Democratic Convention. He went as alternate for A. P. Crisp, who was unable to attend. After the convention Mr. Shelor will go to Staunton, Va. He and Mrs. Shelor expect to return the latter part of next week. Mrs. Shelor has been in Staunton, her old home, about two weeks.

—The local authorities are making preparations to pave the sidewalk on College street, in front of the town's property. This will be a very valuable asset to the town, especially in view of the fact that this sidewalk is the most used possibly of all the side streets, leading as it does to the graded school building. The walk will be laid in hexagon blocks, which are being made under the supervision of the Mayor at a plant owned by the town.

—For Oliver chilled plows and repairs go to W. M. Brown, Walhalla.

—We are requested by the teacher of the Walhalla colored school to give notice that the closing exercises will be held Friday night at 8.30 o'clock at Gallee church. The teacher and patrons hope that they may be favored by the presence of a goodly number of white spectators, and to this end ample reservation of seats for the use of white people has been made. The colored school is said to have had a good enrollment, and a very satisfactory year's work has been done.

—The many friends of George A. Harrison will be glad to know that he will return to Walhalla to-day. He has been for several days in Baltimore, at the Johns-Hopkins Hospital. Reports from him give great encouragement as to his condition. It will be gratifying news also to Mrs. James Seaborn's friends to know that she, too, is rapidly improving. Last week she underwent an operation, from which she has received great benefit. It is hoped that she will be able to return to Walhalla in the very near future. Both Mr. Harrison and Mrs. Seaborn went to Johns-Hopkins about ten days ago in company with their physician, Dr. J. W. Bell.

Escapes An Awful Fate.
A thousand tongues could not express the gratitude of Mrs. J. E. Cox, of Joliet, Ill., for her wonderful deliverance from an awful fate. "Typhoid pneumonia had left me with a dreadful cough," she writes. "Sometimes I had such awful coughing spells I thought I would die. I could get no help from doctor's treatment or other medicines till I used Dr. King's New Discovery. But I owe my life to this wonderful remedy, for I scarcely cough at all now." Quick and safe, it's the most reliable of all throat and lung medicines. Every bottle guaranteed. 50c. and \$1. Trial bottle free at all druggists.

Negro Uprising Adds New Peril.
New Orleans, May 13.—Additional peril was to-day added to the flood situation in Louisiana by an outbreak of negroes. The blacks have looted the towns of Bachelors, Fordoche and Grosse. State troops may have to be sent to subdue them.

From New Roads, La., came the report that a convict laborer, who was pressed into service with other convicts to help strengthen the Mississippi levee at Morganza, was shot by his guard while trying to escape to-day. A second convict who tried to escape was captured.

The climax of the flood situation is expected within the next 48 hours, as the flood crest is expected to be reached some time Tuesday night. United States government engineers say that if the levees hold out until Wednesday all danger will have been passed.
