SUBMARINE RIPPED IN TWO.

Crow of 26 Sink—Sixth of Series of Terrible Disasters.

Cherbourg, June 8.—During the practice maneuvers of the French fleet at 7 o'clock this morning the battleship Saint Louis collided with submarine Vendemiaire.

The accident occurred between Aurigny Island and Cape Hague, in the Race of Alderney, where violent tidal currents prevail.

The battleship was steaming along slowly when the submarine suddenly appeared right under the bows of the warship.

The stem of the Saint Louis struck the submarine with terrific force, driving the little craft below the surface.

The Vendemiaire was commanded by Lieut. Priou, a young ensign, and had a crew of 25 men.

This latest loss to the French navy has caused great distress, not only throughout the service, but among the public generally, which has been made so frequently to mourn naval disasters.

There was a glimmer of hope this afternoon that some of the Vendemiaire's crew might survive, but owing to the depth of the water in which she sank—25 fathoms—the general feeling is pessimistic.

There is no real need of any one being troubled with constipation, for Chamberlain's Tablets will cause an agreeable movement of the bowels without unpleasant effect.

TOM WATSON BOUND OVER.

Georgian Must Face Trial Before the Federal Jury.

Augusta, Ga., June 7.—Thomas E. Watson, the former Populist leader and Presidential candidate, was bound over to the grand jury to-day under \$500 bond after a hearing before United States Commissioner Goodwin, on the charge of sending obscene matter through the mails.

At the hearing District Attorney Akerman represented the government, while Watson presented his own case. In his argument Mr. Watson claimed the warrant on which he was arrested should have been issued against the publishing company which published his magazine, if issued at all.

Makes the Nation Gasp.

The awful list of injuries on a Fourth of July staggers humanity. Set over against it, however, is the wonderful healing, by Eucklen's Arsenic Salve, of thousands who suffered from burns, bruises, bullet wounds or explosions.

AS SEEN BY WALHALLA BOY.

Finds Teddy Popular in East—Close Business to Hear Him.

The following item, clipped from the Montgomery (Ala.) Journal will prove of interest to many of our readers, who will recognize in the gentleman quoted a former Walhalla boy—"Little Joe" Fischesser, the youngest son of our townsman, A. Fischesser.

Teddy Popular in East.

Joseph C. Fischesser, general manager of the Alabama Machinery and Supply Company, of this city, has just returned from a trip East, during which he visited Norfolk, Pittsburg, Philadelphia, New York and points in New Jersey.

On making inquiry, Mr. Fischesser was informed that every one in the office except the office boy had gone to hear Roosevelt make a speech.

HELD GOOD ROAD MEETING.

Important Committee Appointed—Another Meeting June 21st.

The citizens of Oconee county, about forty in number, met in the Town Hall at Westminster at 3 p. m. on the 7th for the purpose of organizing a Good Roads Association to advance road improvement in general, and at this time especially to consider the advisability of constructing a national highway across the county from the Georgia line, near Southern railroad, by way of Westminster, Seneca and on to Greenville.

Two routes were advocated for this highway—one from Jarrett's Bridge, by Madison, and the other from Prather's Bridge, by Taxaway (Zimmerman place) to Westminster.

A motion was carried for the chairman to appoint a committee of five, himself as chairman, to look over the routes and decide and report back to the next meeting the best and most feasible route from Tugaloo river to Westminster, paying due consideration to contributions for construction along the different routes.

Another meeting was called to be held at Westminster on the 21st of June at 3 p. m. Every citizen in Oconee interested in good roads should try to be present.

Using Dynamite in Strike.

Boston, June 10.—Under heavy police guard car service was resumed shortly after daylight to-day on the Boston elevated railroad. Because of disorders which had lasted all day Sunday and culminated in the use of dynamite for the first time in the strike, all service had been discontinued on most of the divisions early last evening.

MITCHELL-WALTON WEDDING.

Two Happy Couples Joined at Jacksonville, Fla.—Local Notes.

Richland, June 10.—Special: Miss Pauline Anderson returned from Winthrop College last Saturday and is spending her vacation with her aunt, Mrs. S. N. Hughs.

Miss Lalla Ballenger has been quite sick at her home here, and we hope for her speedy recovery.

W. H. Hughs made a business trip to Athens, Ga., last week.

C. I. Walton returned to his work in Florida Saturday, after a week's visit at his home.

Misses Foster, Coe and Hughs will entertain at the home of Mrs. S. H. Coe Thursday evening in honor of Mr. and Mrs. Overton Walton and Mr. and Mrs. Paschal Walton.

Master Julius Davis, infant son of Mr. and Mrs. G. M. Davis, fell out of the door Monday evening and broke his collar bone and fractured his shoulder.

One of the prettiest ceremonies of the season was the double wedding solemnized last Saturday morning at 7.30 o'clock in the First Methodist church of Jacksonville, Fla., when Miss Ruth Mitchell became the bride of Jackson Overton Walton and Miss Lucile Mitchell was wedded to Paschal Lee Walton.

The church was beautifully decorated with quantities of stately palms, intermingled with a profusion of pink and white roses, which lent their beauty to the scene.

Before the appointed hour the church was filled with the many friends of the contracting parties who had gathered to witness the beautiful and impressive ceremony.

Promptly at the appointed hour, to the strains of the Bridal Chorus from Lohengrin the bridal party entered the church. First came the ushers, Gary Alexander and Nelson Clarke; A. J. Mitchell next entered with his daughters, Ruth and Lucile, and at the altar they were met by the grooms, and Mr. Mitchell gave Ruth to Overton and Lucile to Paschal.

When the final words had been said which united these young people, they left the church to the strains of Mendelssohn's Wedding March—first the ushers, followed by Mr. and Mrs. Overton Walton and Mr. and Mrs. Paschal Walton.

These happy couples left on the morning train for Savannah, where they spent the day. On the following day they came to the home of the parents of the grooms, Mr. and Mrs. C. O. Walton, near Richland.

Mr. and Mrs. Ovetron Walton will live here, and Mr. and Mrs. Paschal Walton will return to Jacksonville, Fla., about the 15th of June, after which date they will be at home to their many friends at 424 East Adams street.

The brides were the attractive daughters of Mr. and Mrs. A. J. Mitchell and have a host of friends throughout the State of Florida, who were interested in their marriage and will extend best wishes to these happy young couples.

Mr. and Mrs. C. O. Walton and Miss Clyde Walton, parents and sister of the grooms, attended the wedding.

Mr. and Mrs. C. O. Walton and Miss Clyde Walton entertained Friday night in honor of the young couples. As the guests arrived they were met at the door by Miss Cornelia Foster and Mrs. L. M. Berry, who ushered them into the parlor, where introductions were made.

When all the guests had arrived each was given a card with which to find a partner by matching. As the couples were formed they were seated at tables and entered the contest of "progressive pindar punch."

There were twelve tables, and on each table was a bowl of shelled pindars and four hot pins. The object of the game was to stick as many pindars as possible in a given length of time.

Miss Mae Hubbard progressed the largest number of times and was given the prize, a beautiful embroidered handkerchief bag. Delicious cake and ice cream was served after the contest, which was greatly enjoyed.

It is now well known that not more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application.

FRANK M. CARY WITHDRAWS.

Will Not Be in Race for State Senator—Business Reasons.

To the Voters of Oconee County: Since announcing myself as a candidate for the State Senate, there have been changes to go into effect September 1st, the beginning of the cotton year, in my business, that will prevent my remaining longer in the contest.

Should I remain in the race and be elected it would mean a four-year term, and in view of business changes, as above suggested, I deem it fair to the people of the county for me to withdraw.

My chief reason for entering the race was to ascertain whether the majority of the voters of the county approved of my conduct as a member of the House the past two years, and also because I felt that I could at least represent them creditably as Senator for four years.

Not being in a position to find out the sentiment of the voters by giving them a chance to say at the polls, I shall have to be satisfied with feeling that I have tried conscientiously, and at all times, to represent the people of my county and State to the best of my ability, leaving out of the question partisan politics as much as possible.

I thank the voters of Oconee for the confidence reposed in me, as evidenced by their ballots two years ago, and also those who have requested me to run for the Senate.

SUMMER SCHOOL FOR TEACHERS

It is Made Compulsory for Teachers to Attend to Get Certificates.

The County Board of Education is sparing no effort to make the summer school for teachers this year equal to the best. That being true, they have passed a resolution making it compulsory upon the teachers to attend or not get any certificates renewed without standing the examination.

This has been done for the good of the schools and the county at large, but it will not succeed unless we have the co-operation of the trustees. Since the unfavorable seasons have made crops so late, they deemed it wise to wait until June 24 to begin and run until July 19th.

In order for teachers to get proper credit for their work they must stay until the last day and stand the examinations, so it is the request of the County Board that trustees will be pleased to help us in our efforts and not open any of the schools, without permission from the County Board, until after July 19th.

There are one or two exceptional cases where they may have to begin a little sooner in order to comply with State requirements, but the Board will grant this.

Credit for School Work.

At a call meeting of the County Board of Education a resolution was passed to the effect that if any of those who failed on the last examination for teachers will attend the summer school for teachers at Seneca they will be given credit for the work there, and if it is satisfactory to the board, it will be averaged with the marks made in the same branches on the teachers' examination; and if that average comes up to the required standard, certificates will then be issued.

W. C. Hughs, County Superintendent of Education.

FELDER DON'T FEAR BLEASE.

Going to Baltimore With Delegation Regardless of Threats.

(Atlanta Journal, 8th.) Upon his return from Chicago Friday evening Thomas B. Felder gave to the Journal a statement to the effect that he would not be deterred by threats of Governor Blease, of South Carolina, to have him arrested and taken from the train if he travels through the Palmetto State with the Georgia delegation to Baltimore.

"I go and come when I please," said Mr. Felder. "I am absolutely unconcerned at this latest effort of Blease to obtain cheap political notoriety. It is nothing more nor less than clap-trap. I will attend the Democratic National Convention in Baltimore, and I will go with the Georgia delegation."

"There's nothing in the charges Blease and his henchmen have brought against me. This was clearly demonstrated last fall when the grand jury in his home county (Newberry), by a vote of 11 to 6, returned no bill on the warrant taken out against me.

"I am perfectly indifferent to Blease and his threats. I will attend to his case in the not distant future." Asked if it would not prove inconvenient and embarrassing to him if he was put under arrest while en route to Baltimore, or after his arrival in that city, Mr. Felder said: "Not necessarily."

SLAYS EIGHT, THEN ESCAPES.

Family of Joseph Moore, Merchant, Murdered in Cold Blood.

Villisca, Iowa, June 10.—Eight bodies, all mutilated almost beyond recognition, were to-day found murdered in the home of Joseph Moore, a prominent business man of this place. The dead are Joseph Moore and wife; Herman Moore, aged 11; Catherine Moore, aged 9; Boyd Moore, aged 7; Paul Moore, aged 6; Misses Edith and Blanch Spillinger, aged 20 and 18, respectively.

The bodies of all, with their heads terribly mashed with an axe, were found murdered in their beds. There is no definite clue to the murderer, although the authorities are searching for a suspect. A desire for revenge is believed to have prompted the murder.

Only one of the bodies showed indications of a struggle. One of the Spillinger girls lay with one arm thrown out as though she had awakened and tried to ward off the murderer's blow.

The only clue to the slayer so far discovered are bloody finger prints in different parts of the house.

Inquiry has convinced the authorities that no other visitor was at the Moore home last night up to the time the family retired.

The house stands among a number of residences, but none of the neighbors heard an outcry last night.
