There are many friends of the deceased in Oconee who will learn of her death with deep regret. —Protracted services were begun at the Walhalla Baptist church last Sunday. The meeting will continue for a week or ten days. Rev. C. S. Blackburn, the pastor, is conducting the services, which are held each night at the usual hour. Rev. J. B. THE WALHALLA HIGH SCHOOL. Will Not Open Before September 16. Notice to Patrons. I will be at the school building on Friday before the opening of school for the purpose of examining all pupils who do not hold promotion cards. All pupils desiring to skip a grade, and pupils not present at school the last month of the past session, are expected to report at 9 a. m. No pupil will be promoted until examined. The exact date of the opening of school will be announced later. At any rate, the session will not begin before Monday, September 16th. H. W. Gasque, Superintendent. Ebenezer News Notes. Ebenezer, Sept. 9.—Special: The drought was broken Saturday night by a severe rain storm, though no extensive damage was done. Miss Annie Cason has been spending several days with relatives at Williamston. Miss Carrie Waldt is on an extended visit to relatives in Charleston. We are grieved to know that little Miss Floride Snead, who has been suffering for several weeks with fever, is no better at this writing. Friends hope the little one may soon be restored to health. Russell and Gilbert Jones, of Greenville, are visiting their sister, Mrs. J. Davis Tollison. Mr. Gillespie is suffering from an attack of typhoid fever. He has numerous friends who wish for his early restoration. H. J. Huff, of Greenville, is visiting his daughter, Mrs. Jeff. D. Tollison. Last Friday brought to a close one of the most successful terms of school ever taught in the new building. Mr. Lyles is an excellent teacher, and the trustees should feel proud of securing his services for the coming session. He will leave shortly for Charleston, where he will be engaged in business. Miss Clyde Smith will leave Tuesday for Winthrop, where she will resume her studies. Miss Craig will return to her home in Pickens. These teachers won numerous friends during their short stay of two months. It is sad indeed to part with our teachers, but we wish them great success in their every undertaking. Few, if any, medicines have met with the uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The remarkable cures of colic and diarrhoea which it has effected in almost every neighborhood have given it a wide reputation. For sale by all dealers. Card of Thanks. To the Voters of Oconee County: I take this method of thanking the people of Oconee for the handsome vote I received in the first primary, held August 27th. At the meeting of the County Executive Committee I was declared one of the four contestants for the office of County Commissioner in the second primary, but after fuller investigation it was found that Mr. Miller had received 28 votes more than I. On authority of the committee's declaration of results I prosecuted my canvass on the second round until the committee's error was discovered. For the many kindnesses shown me, and the hearty support indicated in this second race, I am deeply grateful. I felt that I could serve Oconee with benefit to our people, and I appreciate the interest manifested by many in my race. Very respectfully, J. B. Tompkins. Brief Notes from Conocross. Conocross, Sept. 9.—Special: We regret to announce that Mrs. E. M. Dufosse has been quite ill for the past few days, but is glad to hear that she is improving. A. M. Barker, of Atlanta, spent some time with his cousins, the Messrs. Barker, recently. Mrs. John P. Arve, of Madison, is a guest of Mr. and Mrs. Henry Arve, of this place. Willie Valentine, wife and children, of Greenville, are visiting at the home of his sister, Mrs. E. C. Dufosse, near here. Paul Barnett will leave Tuesday for Clemson, where he will re-enter college. His friends wish him much success in his studies this year. Rev. H. T. Abbott, of Louisville, Ky., is a welcome visitor to relatives and friends in this section. Born, unto Mr. and Mrs. Hollifield, a son. Willie Walker, of Greenville, spent last week with his parents, Joe W. Walker and wife. Misses Dazle Hesse and Cordie Alexander entered school at Westminster last Monday. G. D. Dean, of Atlanta, was in our midst some time recently. Miss Rosa Dilworth and brother Joe are visiting relatives in and near Greenville. The Conocross Y. W. A. will observe the week of prayer this week. The meetings will be held at 5.30 p. m. All members are urged to attend. C. Davis, wife and daughter, of Westminster, were week-end visitors at the home of Mrs. Nettie Hesse. Card from Mr. Smith. Fair Play, R. F. D. No. 1, Sept. 6. —Editor Keowee Courier: Please allow me space in your valuable paper to thank the Democratic voters of Oconee county. The words are so small, so little, and so insignificant—"Thank you." I feel very grateful and under many obligations to the people of Oconee. It has been my ambition to be County Superintendent of Education, and I thank the people for the honor they have conferred on me. May God bless them, and may He give to me the power and the wisdom to serve my county and my people equal if not better than they have ever been served; may I serve them with a heart devoted to the cause of education, humanity and Christianity. My friends, I thank you; may God bless you, and if you ever need my services, call and I will answer, "Here am I." T. A. Smith.

LOCAL MATTERS AT SENECA. Seneca, Sept. 10.—Special: Mrs. Monroe Martin and Miss Fannie Belle Martin, of Central, visited Mrs. John Harper last week. J. M. Vickery, from Mrs. Wm. A. Lowry's farm, brought the first bale of cotton to Seneca. The bale was sold to G. W. Gignilliat and weighed 441 pounds, the price paid being 12 1/2 cents. Miss Mary Julia Reid returned home with Mr. and Mrs. W. M. Philfer, of McBee, S. C., who have been visiting Mr. and Mrs. W. P. Reid, and will be away several weeks. Tom Marshall and sister, Miss L. E. Lowry, arrived from Plains, Ga., last Sunday and are enjoying a visit to friends and relatives here before entering school. Tom Marshall will go to Clemson and Miss L. E. will enter the Seneca High School. There will be an exodus of young people from Seneca this and next week, who go to our various colleges. Among them will be Miss Floride Propst and Yancey Slight, Chicora; Sue Ellen Hunter and Nannie Moore, Lander; Nellie Hines and Beth Stribling, Winthrop; Messrs Thomas Harper, Furman; Charles Byrd, Carolina; Warren Gignilliat, Davidson; J. W. Stribling, Joe and Gordon Todd, Ben Lee Hamilton and Earle McMahan, Clemson. T. M. Lowry has sold his property here, where he conducted his large interests known as "Lowry's Warehouse," to Dr. W. R. Doyle. Dr. Doyle has taken possession and is opening up a salca and feed establishment, which will be run on a large scale. Mr. and Mrs. Lee G. Holleman, of Anderson, were visitors to Seneca last Sunday. Mrs. Loy Cary returned to her home at Paris, Texas, last Saturday, after a visit of several months to relatives here and at Walhalla. She was accompanied by Miss Winona Cary, who will spend some time in the Lone Star State. T. S. and T. E. Stribling, Jr., Ramsey Holleman and Willie Verner are on a fishing trip to Keowee. The "Conocross Light and Water Company" will begin work at the High Bridge on Conocross creek this week. This is the biggest thing in a business way for Seneca in many years and assures us not only the power necessary to run the electric plant, giving day current also, but the possibility of small enterprises. The Seneca cotton mill will be run by the same power. G. W. Gignilliat, Campbell Courtenay and L. A. Edwards are the promoters. The graded school will open on next Monday with the usual public exercises. On account of the resignation of Mrs. A. W. Thompson there is a vacancy in the faculty which has not yet been filled. The trustees, however, have several applications for the place and the selection will be made this week. Mrs. John Harper and Mrs. Monroe Martin spent a day last week with the family of R. A. Thompson, near Walhalla. The Men Who Succeed as heads of large enterprises are men of great energy. Success, to-day, demands health. To all is to fail. It is utter folly for a man to endure a weak, run-down, half-alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders, and deranged kidneys, I am again, thanks to Electric Bitters, sound as well." Try them. Only 50 cents at all druggists. Brothers Jailed on Murder Charge. Maysville, Ga., Sept. 8.—Two brothers of John Hegwood, who died upon the scaffold at Clarksville Friday, are now confined in jail at Homer awaiting trial for murder in Banks Superior Court. They are charged with killing an old man named Murray last week. The Hegwood brothers are sons of an old Confederate soldier, who died from poverty and neglect, it is said. They have led a hard life and now all three sons may come to the same untimely end for the same crime and within the same year. From evidence at the coroner's inquest it appears that Pink and Homer Hegwood killed the old man without provocation in a drunken row near Homer. They were arrested by the coroner and placed in jail at once. If you knew of the real value of Chamberlain's Liniment for lame back, soreness of the muscles, sprains and rheumatic pains, you would never wish to be without it. For sale by all dealers. Wild Aeroplane Scatters Death. Gray, France, Sept. 8.—An aeroplane got beyond control to-day at an aviation meeting here and swept to the ground, crushing down a score of spectators, four of whom were killed outright. The propeller blades cut their way through the people as the machine sped over the ground. Ten persons were severely injured.
