

### SCHOOL BELLS TO RING AGAIN.

Walhalla High School to Open Next Monday, September 22.

Probably one of the most popular places for citizens of Walhalla to visit these days is at the Walhalla High School. The work there is progressing nicely, and it is safe to say that when the workmen shall have put away their tools and turned over the building to the trustees of the district, Walhalla School District, No. 26, will have the largest, most conveniently arranged and best equipped school building in the county. The additional class rooms insure ample quarters for all pupils, and the auditorium will prove of untold value to the whole school as well as to the patrons of it all over the district.

The contractors, Messrs. Quartermus & McDonald, expect to be able to turn over to the school the class rooms, completed, next Monday morning when the 1913-14 session will begin, and then work will be concentrated on the auditorium, which has progressed rapidly.

### HUNDRED BALES FOR SENECA.

A Batch of Locals with "The God's Truth" at the End.

Seneca, Sept. 16.—Special: The meeting at the Baptist church closed Sunday night. Rev. Woodward, the visiting minister, preached his last sermon Sunday morning, going to Woodruff in the afternoon, where he will hold a meeting this week. There were several additions to the church, Sunday night being the regular time for union services, the other pastors and congregations united in services at the Baptist church. Rev. C. S. Blackburn preached.

Misses Nellie and Nancy Hines left to-day for Winthrop College. They are accompanied by their cousin, Miss Catherine Moore, who has been visiting them.

News has been received here of the death of Walter Swann, which occurred at Asheville last week. The friends of the family sympathize with them in their great sorrow. Mr. and Mrs. V. B. Swann, parents of the young man, resided in Seneca for many years.

Miss Annie Hoke attended the funeral of her nephew, Walter V. Swann, last week.

Miss Margie Holland spent the past week-end with her homefolks.

Mrs. Guy T. Grove leaves to-day for her home in Childress, Texas, after a visit of several weeks to relatives here and elsewhere in the county.

Winburn Vandiviere has been visiting his aunt, Mrs. McCarey, and other friends the past week.

Mr. and Mrs. J. D. Verner spent the past week-end with Mr. and Mrs. W. J. Holloway.

Miss Emma Stribling has returned to Walhalla after a visit of ten days to the family of T. E. Stribling.

The little lady of the family has gone away and we are having perpetual Sunday now. Our heart goes out to the hundreds of mothers who have sent their daughters out to battle with the world. Oh! for the good old days when the daughters were sent to college and then brought home to stay until some good man came to claim them. In the meantime they were taught that homemaking and motherhood were the divinely appointed purposes of their existence! And now behold them battling with the world, trying to make for themselves a living! And this is why, Mr. Editor, you and dozens of others are licensed to ridicule them in public print. They have unsexed themselves and become common, and the modesty which formerly characterized them is fast disappearing. Oh, the pity of it!

#### Affirm Big Verdict.

(The State, 16th.)

Bennett, administratrix of the estate of Luther W. Bennett, locomotive fireman, who was killed when the Carolina Special was wrecked above Columbia in 1912. Suit was instituted for \$75,000. Associate Justice Fraser wrote a dissenting opinion.

### LOCAL NEWS FROM RICHLAND.

School to Open in October—G. M. Barnett Selected as Principal.

Richland, Sept. 17.—Special: Cotton has been opening in this community very fast during the past week, and people have already begun picking. The Richland Gin Company have fixed up their machinery for the coming season and commenced ginning Saturday morning.

Misses Lynn Verner, Fredda Hughs and Beth Coe spent several days last week with Miss Theo Hughs in Walhalla.

Mr. and Mrs. G. W. Davis and children spent the past week visiting relatives in Anderson.

We are glad to report that Marion Hughs is able to be up and going again. He has been confined to his bed and room about three months, and his many friends are glad he is able to go again.

Miss Dora Dick, of Sumter, is the attractive guest of Miss Ruth Berry.

Miss Ruth Berry entertained at a "bullet" party Saturday afternoon in honor of Miss Dick, of Sumter. After an interesting contest and conversation a delicious salad course and ice tea were served by the hostess.

Henry Hughs had a very painful attack of acute indigestion Saturday night. Dr. Stribling, of Seneca, spent part of the night with him and he was reported to be resting easy yesterday.

Cadets Stiles and Fred Stribling, of Clemson, spent a few hours in Richland yesterday.

Hayden Coe, of Deer Court Ga., spent several days last week with homefolk.

Misses Pauline and Christene Anderson left yesterday for Greenville, where they will spend a few days, and will then go on to Rock Hill and resume their studies at Winthrop College, which opens Wednesday.

The trustees have secured G. M. Barnett, of Westminster, as superintendent of the Richland school and Miss Carrie Smith, of the Bounty Land section, as assistant. Mr. Barnett was re-elected here two years ago and was re-elected last year, but did not accept. They have persuaded him to teach this year, however, and we feel sure we will have a better school this year than ever before.

Miss Smith comes highly recommended and is personally known by most of the patrons to be an excellent teacher. It is understood that school will open the second Monday in October. Definite announcement will be made later.

#### Don't Let Baby Suffer With Eczema and Skin Eruptions.

Babies need a perfect skin covering. Skin eruptions cause them not only intense suffering, but hinder their growth. Dr. Hobson's Eczema Ointment can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help it. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Strubler, Dubuque, Iowa. All druggists, or by mail, 50c. Another term of school was closed at this place last Friday. Truly it can be said that two months were well spent in the school room. Mr. and Mrs. O. C. Lyles left Saturday and will spend their vacation at the home of the former's parents in the Mountain Rest section.

Miss Bessie Gaines left Saturday for her home in Central. We are glad to know that these teachers are ours, as they have all been elected for the winter session.

#### Propose Veterans' Union.

Zanesville, Ohio, Sept. 12.—The first step toward effecting a union of all Federal and Confederate veteran organizations was taken at yesterday's session of the annual convention of the National Union Veteran Legion. Col. Geo. H. Playford, of this city, was elected commander.

Before adjourning the convention instructed Col. Playford to name a committee of three to confer with the veterans of the South with a view to proposing a plan of uniting Northern and Southern veterans' organizations. The report of the committee will be submitted at the next annual convention.

#### ASK YOUR DRUGGIST ABOUT IT.

There is a New Remedy that Takes the Place of Calomel—Recommended and Guaranteed by the Druggists.

Bell's Drug Store never sold a remedy that gave more complete satisfaction than Dodson's Liver Tonic—a mild vegetable remedy for constipation, sour stomach and lazy liver. Folks who have suffered for years rather than resort to dangerous calomel have found after one trial that this pleasant-tasting vegetable liquid gives them a long sought relief without bad after-effects.

Dodson's Liver Tonic is guaranteed by Bell's Drug Store to be a safe liver stimulant and to be absolutely harmless—without bad after-effects. You will find many persons in this locality who have tried it and every user will speak a good word for Dodson's Liver Tonic. It gives you a torpid liver and makes you feel fresh, healthy and clean.

The price of a large bottle is fifty cents—money back if not pleased. The success of Dodson's Liver Tonic has brought many medicines into the field that imitate its claims, and some have name very similar and package same color, but remember Dodson's Liver Tonic is guaranteed by Bell's drug store, who will give you back your money if you want it. ad.

### BROTHERS KILLED BY COUSIN.

Delto and Henry Hogg Lose Lives. Cousin Wounded.

Barwell, Sept. 15.—A shooting affray at Kline to-night resulted in the death of Delto and Henry Hogg, brothers, and the wounding of Jim Hogg, a cousin of the dead brothers. The two men are supposed to have been shot and killed by Jim Hogg, and he is said to-night to be on his way to Barwell to surrender to the sheriff. Jim Hogg's injuries are serious, but are not expected to prove fatal. He was shot in the back of the neck and head with a shotgun. No cause has been assigned for the affair, but it is said that the brothers and cousin quarreled some time ago.

The shooting occurred at Kline depot a few steps from a store operated by the Hogg brothers. Shots were fired about 9 o'clock and shortly afterward Delton and Henry Hogg staggered through the door of their store and fell dead on the floor.

No eye-witnesses to the affair have been found. One man says he heard one of the men say that if another went to get his horse he would shoot him. All three are said to have been armed with shotguns.

Delto Hogg was married and his wife was prostrated by the news of his death and that of his brother. Henry and James Hogg were unmarried. All three were young men, probably between 25 and 30 years of age.
