SUGGESTIVE QUESTIONS ON THE SUNDAY SCHOOL LESSON BY REV. DR. LINSOTT FOR THE INTERNATIONAL PRESS BIBLE QUESTION CLUB.

The object of the International Press Bible Question Club is to promote, by questions, through the press, thought and investigation on the teaching of Scripture in connection with the International Sunday School Lessons.

(Copyright 1912 by Rev. T. S. Linscott, D. D.)

SUNDAY, NOVEMBER 16, 1913.

Subject: "The Death of Moses." Deut. xxxi:1-8; xxxii:48-52; xxxiv:1-12.

Golden Text: "Precious in the sight of Jehovah is the death of his saints." Ps. cxvi:15.

1. Verses 1-2—What reason is there, if any, to think that the average length of human life may be greatly increased?

2. Was it the age of Moses, or some other reason, which prevented him from any longer fulfilling the functions of his office as leader of the Israelites?

3. Why is not an old man of ability, in full possession of physical health and mental strength, a better lawyer, physician or clergyman than when he was younger?

4. Why had the Lord decreed that Moses should not go over Jordan or enter into the promised land?

5. What proportion of people die before their time on account of sins in early or later life and are not able to accomplish their full providential work?

6. Verses 2-5—Who was Joshua?

7. What right had the Lord or the people of Israel to destroy the nations who were then in possession of Canaan?

8. Verses 6-8—What would you say is the chief human quality to bring success in love, business or war? Why?

9. When we have an unmistakable promise from God, why is it wise or not, to absolutely rely upon it?

10. Chapter xxxii:48-50—What comfort or benefit was it to Moses to be able, from a high hill, to view the promised land, seeing he could not enter the land himself?

11. Which gives the greater satisfaction to a holy man, to see the proof of coming blessings for others or to anticipate them for himself? Why?

12. When the work of a man of God is done, why should not what we call death be anticipated by him, with even more joy than the young look forward to life?

13. Verses 51-52—Why was it apparently necessary for God to remind Moses of the sin which kept him out of the promised land?

14. What was the nature of the sin of Moses which God here re-

minds him of?

15. Does God generally, at the time of death, remind his saints of their past sins? Give your reasons.

16. Chapter xxxiv:1-4—Why, to a man of imagination like Moses, would not the grand sight of the promised land from the highest point of Mount Nebo be as ravishing as actually dwelling in the land?

17. If Moser, while he was getting his glorious sight of the earthly Canaan, also had as clear a vision of the heavenly Canaan for which he was heading, what would have been his feelings?

18. Verses 5-8—Seeing Moses was still hale and hearty, in possession of all his great powers, and that Israel seemed to need him as much as ever, why did God take him away? (This is one of the questions which may be answered in writing by the members of the club.)

19. Is there any reason to believe, and if so what, that God had more important work for Moses to do in another world?

20. How did Moses die, and who buried him?

21. What sense, or reason, is there in weeping for those who have departed to a country where they are infinitely better off than they are here?

22. Verses 9-12—Wherein did Moses excel all other Old Testament characters?

23. In what qualities did Joshua excel?

## McLAURIN COMES BACK AT BEN.

(Continued from Second Page.)

for being just what he is. It brings back gentle, brave Hugh Farley, the polished Tindall, dear old "Wash" Shell and "Curly-headed Johnny," gathered around the fierce old "Lion" that dominated us all.

I am not going to be swayed one way or the other by self. I am going to act for the best good of the State as I see it, not as directed by anybody. Before Tillman's letter came out or I saw Bleese's statement, I sat down and wrote a paper to my friends in various sections of this State expalning my course, and they are free to give it to the press. If it is necessary to fight for peace, then I am ready to fight. I will not be a "dog in the manger," nor will I be a servile tool to gratify any man's spleen toward Governor Bleese, or to in any manner curtail the rights gained by the people in 1890.

Good citizenship is not measured by loyalty to a man, but to a principle. Tillmanism split on that rock. It is tearing ragged holes in the ship that carries the high hopes of the many good people who are Bleeseites. I will always defend Tillmanism as distinct from Tillman. I place both Tillmanism and Bleeseism as higher and greater than the personality of any man.

I have regretted the evil dispensary graft that prevented Tillman from leading the movement to its full fruition, and I would like to see Bleeseism accomplish that in which Tillmanism failed, and when it does the State will be saved.

Our people must get together. I have canvassed this entire State, and they will get together. Self-seeking pretenders cannot juggle Almighty God out of the progress he has decreed for the human race.

"In the days of Armageddon—  
In the last great fight of all—  
May our houses stand together  
That the pillars do not fall."  
Jno. Lowndes McLaurin.

## DAWSON, GA., HAS ACCIDENTS.

Horses Stumbling Injure Several. Loaded Shells Mixed with "Blanks."

Dawson, Ga., Nov. 6.—Several persons were severely injured during the horse races at the fair this afternoon, when some of the entries stumbled and fell into a crowd of bystanders. The rider, a young woman connected with one of the amusement exhibitions at the fair, was thrown under the animal, but escaped with slight bruises.

The injured are James Yarborough, double fracture of arm and severe bruises about the body; R. G. Kennedy, badly bruised about the head and arms; Geo. McLain, contusions of head and back; Guy Chamberliss, severe bruises on head and body. All are residents of Dawson, except young McLain, who resides at Herod. The accident resulted in the races being called off.

## The Shells Got Mixed.

An accidental mixing of loaded and blank cartridges resulted in the painful injury of several persons and caused pandemonium in a Wild West show, one of the amusement features connected with the Terrell County Fair here, late last night. The most seriously injured are Charles Stanly and William Perrin, well-known young men here. The former was shot in the eye, and the latter in the cheek. Several others received sprinkling of shot without serious consequences.

Loaded cartridges had been used in an earlier target-breaking act, and in some way became mixed with blank ones which were to be employed in what was to be a representation of an early pioneer scene, but instead developed into a very realistic fusillade.

## EAT CABBAGE, FISH, SAUSAGE, NEW BREAD.

No Indigestion, Gas, Sourness or Upset Stomach if You'll Take "Pape's Diapepsin"—Try This!

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Diapepsin, get this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder. adv.

## Death Due to Prison Sentence.

New York, Nov. 6.—Daniel O'Reilly, lawyer and ex-convict, died at his home here to-day. He was 42 years old. During his career he had been associated with the defense in several notable criminal cases, among them being the trials of Nan Patterson, Capt. Peter Hains and Harry K. Thaw. More than a decade ago he was an assistant district attorney of New York.

O'Reilly's death, his friends assert, was directly due to the prison sentence imposed upon him for receiving \$85,000 worth of bonds stolen from Aaron J. Bancroft, an aged broker, two and one-half years ago. For this he served a five-months' term at Blackwell's Island.
