The service will be thoroughly non-denominational, and the members of other denominations are urged to attend, as are also the pastors of all the local churches. Those in charge hope for a large attendance, and the occasion promises both interest and profit for all who attend.
—Moss & Ansel will show you something nice in the tailoring line Friday and Saturday. Call and select that spring and summer suit. Delivered when wanted and fit guaranteed. adv.
—Mr. and Mrs. S. L. Crow, whose son, Luther Crow, was recently killed at Oak Point, Wash., are being run over by a locomotive, are greatly consoled by a letter received last week in reference to their son. The letter was written by Rev. J. I. Miller, of Oak Point, and speaks in the highest terms of young Mr. Crow, who, he says, was a regular attendant at his church and a deeply consecrated young man. Rev. Mr. Miller is a native of North Carolina, being a son of Heary Miller, of Lake Toxaway, and has been preaching in Washington for some time. In the dark hour of sorrow the letter from this minister came to Mr. and Mrs. Crow as a ray of sunshine to brighten the clouds of despair and sorrow that have come to them so recently.

—Toccoa Record, Feb. 27: "Rev. Geo. M. Wilcox, of Walhalla, accompanied by two or three other gentlemen of that town, were in Toccoa Monday looking over the Toccoa church buildings. Rev. Wilcox is pastor of the Presbyterian church at Walhalla, and his congregation is about to begin the erection of a \$10,000 church building. —Died, at the home of W. R. Davis, on the morning of February 25, Mrs. F. L. Tate, of Elberton, Ga., daughter of the late J. Overton Lewis, of Pickens county, and wife of E. A. Tate. Two sons survive her—S. W. and Edward Tate, of Elberton. The deceased was 79 years of age. Mrs. Tate was a sister of F. A. Lewis, of Walhalla. There are many friends of the family here and elsewhere who will join with us in extending to the bereaved ones sincere sympathy in their sorrow.
—To those who are disposed to think that the recent cold snap put the local thermometers "on the bum" we would suggest that apparent discrepancies in the readings merely indicate the marvelous possibilities of our "inimitable" climate. A variation of ten degrees on the same date, at about the same hour, simply shows that you can get just what you want in the way of temperature within the corporate limits of the town. Some thermometers registered as low as 10 degrees above zero Monday morning, while other varied between that point and 20.
—The nicest line of nobby shoes at Norman's store; also select line of hosiery.
—The announcement of the marriage, last Thursday, February 26th, of Mrs. G. Omo Townsend and Robert T. Keys, at Savannah, Ga., came as a pleasant surprise to many friends in Walhalla of the groom, who is well and favorably known here, he having spent his youth here at the home of his grandfather, Col. Robert A. Thompson. The marriage ceremony took place at the Independent Presbyterian church at Savannah. Mr. Keys is now located at Florence, S. C., at which place the young couple will reside. We join with hosts of friends of the groom in extending congratulations, and to the happy couple every good wish for a happy and prosperous journey through life.
—The March term of Court for Oconee will convene here next Monday, the 9th. The Courier is doing business at the same old stand, and we will be glad to welcome all our friends at the office during the session of Court. Come in and "make headquarters" with us. We always have a good, hot fire and plenty of cool water. If the fire isn't hot enough for some of those who happen to owe us, let them come in anyway and we'll "heap coals of fire on their heads" till they feel it and shell out the long green to square accounts, and a little in advance. Everybody will be welcome, whether we owe them or they owe us. If you owe us, come in and look pleasant and we'll do the best we can to follow suit, whether you pay in full or not. We are always glad to welcome our friends from the county.
—There are many friends in Oconee and elsewhere who will learn with deep regret of the death of Mrs. Nancy Keese, widow of the late Thos. B. Keese, which occurred on Friday, February 20th, at the home of her son, Elijah B. Keese, of the South Union section, where she had been visiting. Funeral services were conducted on the 21st, the interment following in the South Union cemetery. Mrs. Keese was quite an aged lady, and had hosts of friends wherever she was known. She was a consistent church member and earnest worker, her life being an open book, disclosing those traits of character which come from a close and constant following of the Master. In her death a good woman has been called to her reward, and many there are who shall "rise up and call her blessed." To the bereaved ones The Courier joins with many other friends in extending sincere sympathy in their hour of sorrow.

These ladies will use the funds obtained through their efforts in assisting the church to bear the expense of seating the new church, which will be ready for occupancy in the near future. Those who had the pleasure of taking dinner with these ladies at a recent term of court here will gladly patronize them again, not only will the ladies be glad to serve their friends from the county, but those of the town who desire to patronize them will be most cordially welcomed. All who come will be served in the very best manner.
—Big line talcum powders and toilet articles. Norman's Drug Store, ad.
—Our good friend, J. W. Reed, of Salem, was an appreciated visitor to The Courier office last Saturday. In conversation we learned that Mr. Reed is 55 years of age, and he stated that he was born and raised within a few miles of where he now lives, and that he has never lived farther than seven miles from the home of his parents where he was born. He has in all spent only thirteen nights outside the borders of South Carolina. He is a believer in home, and he has made his home by constant endeavor and hard work. Some years ago Mr. Reed's hearing began to fail, and today he is able to hear only by the use of an ear trumpet, yet he enjoys life to the full, and there is never a more cheerful visitor received at The Courier office than Mr. Reed. He is a farmer by occupation and has made a success of his work.
—The tailor-made suit shows higher. See Moss & Ansel Friday and Saturday.

Mrs. A. G. Shanklin drew second, a lovely string of beads, while Mrs. J. A. Steek was presented with the consolation, a dainty Nepon china trinket box. A delicious salad course was then served by the hostess, assisted by Miss Irene Strother. Those who were so fortunate as to enjoy this delightful afternoon were Mesdames J. A. Steek and A. G. Shanklin, Misses Janie Neville, Roxie Reid, Anna Darby, Elaine Lord, Eloise and Irene Strother.

No Loose or Broken Hub Bands on Studebaker wheels

Studebaker hub bands are made of a specially refined iron perfectly adapted for this use. Hub bands are welded by electricity and then shrunk on by hydraulic pressure.

There is not the slightest possibility of Studebaker hubs weakening from usage or from weather conditions. No strain or climate severe enough to injure them.

Studebaker Wagons

Every part—iron or wood—is made in the same careful way as the hub and banding. That's why Studebaker wagons run easier and last longer.

Come in and see the Studebaker.
