

**ANOTHER LIVE STOCK MEETING.**

Session to Be Held at Seneca Thursday, April 23d (To-morrow).

There will be a meeting of the Live Stock Association at Seneca to-morrow (Thursday) April 23, at 2 o'clock p. m., for the purpose of increasing the membership of the association and waking up additional interest.

Clemson College and the Department of Agriculture at Washington will have their representatives at this meeting to address the farmers on the importance of improving the live stock of South Carolina. More and better live stock is badly needed in our county, and we most earnestly ask every farmer (and any one else interested in this work) to be present. If you have registered hogs, registered cattle, sheep or stock of any kind, or if you are contemplating raising mules and horses, you should be sure to be on hand.

We give you some facts and figures which are approximately correct: In Oconee county for the last twelve months there were 2,000 head of beef cattle marketed, averaging four years old, weighing 700 pounds—1,400,000 pounds, at 4c. per pound—\$56,000. If we had had 2,000 cattle two years' old, of good beef type, they would have easily averaged 1,150 pounds, making 2,300,000 pounds, at 6½c. per pound—\$149,500. This would be a saving of \$93,500. You will notice that these cattle are only two years old, the others are four years old; therefore, you can double the amount of net gain. While we were selling this one crop we could have sold two crops and had \$187,000 in circulation or in the banks of Oconee county.

Special attention will be given all branches of live stock interest.

Remember the meeting, Thursday, April 23d, at 2 o'clock p. m., at Seneca. Yours very truly,

J. P. Stribling, President.  
K. W. Marett, Sec. and Treas.  
W. T. Watt, Live Stock Demonstrator, Clemson College.

**OCONEE LADY WAS INJURED.**

Miss Cordella Bearden, of Westminster Suffered in Due West Accident.

Westminster, April 21.—Special: W. J. Stribling was in Columbia last week attending the Knights of Honor meeting.

Miss Cordella Bearden, daughter of Mr. and Mrs. Jas. W. Bearden, of Oakway, who is teaching at Donalds, was, with several others, seriously injured last Friday evening at Due West, when the Due West Female College auditorium collapsed. The building was just recently completed and was being used for the first time by the public. A large crowd had gathered for the opening exercises, and more than one hundred persons were in the hanging balcony when it fell. None of those seated in the balcony were injured, but the falling timbers struck those below and buried many under the wreckage. Miss Bearden was taken at once to Columbia for an operation. L. D. Bearden, brother of Miss Bearden, and Dr. C. M. Walker, left for Columbia immediately after receiving news of her injuries.

Robert Craig, aged 79, died at his home below Westminster last Friday evening. He was born and reared in Oconee county, and was a member of Pleasant Grove Baptist church. He leaves a wife and the following sons and daughters: Arthur and William Craig, Mrs. W. A. Honea, Mrs. A. A. Moorehead, Mrs. Henry Perkins, Mrs. W. S. Dickson, Mrs. J. E. Dickson, and Miss Mollie Craig. Mr. Craig had been an invalid for a long time and had suffered much. The body was laid to rest in Chauga cemetery Sunday afternoon at 2 o'clock. The funeral services were conducted by Rev. J. F. Stovall. Mr. and Mrs. W. P. Anderson returned home Saturday from Florida, where they have spent the winter months. Their many friends are glad to welcome them home.

"Uncle Dock" Riley died at his home just below Westminster last Thursday. He made his home with his sister, Miss Amanda Riley. W. O. Pitts and F. H. Shirley spent Saturday and Sunday in Anderson.

**LOCAL MATTERS AT SENECA.**

White Frost Thursday, But Little Damage—Other News.

Mrs. W. P. Reid returned last Friday from a visit of two weeks to her daughter, Mrs. L. D. Wily, at Saluda, S. C.

Mrs. C. N. Gignilliat is on an extended visit to relatives in the lower part of the State.

**RICHLAND CHURCH REPORT.**

Presbyterians Progressing—Methodist Conference 25th and 26th.

Richland, April 20.—Special: John W. Shelor went to Anderson last Tuesday as delegate from the Richland church to the spring meeting of Presbytery. The report and narrative to Presbytery were unusually good. The statistical report showed that all past indebtedness had been paid, the pastor's salary paid in full, and contributions made to all the benevolent causes nearly \$200 more than was raised last year (ending March 31st) than was raised the year before. This does not include the money raised and contributed by the Ladies' Missionary Society. The budget system is used to raise the money and a certain per cent goes to each cause, including the pastor's salary.

Mrs. Crow and son, of Gainesville, Ga., spent several days the past week visiting her sister, Mrs. R. M. Davis. The Misses Verner entertained several of their friends from Seneca from Friday until Sunday. Those who composed the party were Misses Hunter, Morrison, Reid, Sligh and the Misses Jennings.

Saturday night Charlie Verner carried a crowd to Westminster and took in the "movies" at the "Gilbert." The wagon left before sundown, reaching town about dark. After taking in the sights they returned home. Those who enjoyed this trip were Misses Hunter, Morrison, Reid, Sligh and the Misses Jennings, of Seneca; Misses Pearl, Lynn and Grace Verner; Charlie Verner, Jim Berry, Henry Hughes, Wilkinson Hughes, Bruce Stribling and John Verner.

The Richland School Improvement Association held a literary meeting at the school house Friday evening. An interesting program was carried out. After some discussion a special meeting was called, to be held at the school house Thursday evening at 2.30 o'clock, to discuss and transact some important business. All the members and the trustees are urged to be present.

The second quarterly conference of the Westminster Circuit will be held at Rock Springs Methodist church next Saturday and Sunday, April 25th and 26th. Rev. T. C. O'Dell will preach Saturday morning at 11 o'clock and Sunday afternoon at 3 o'clock. After the services Sunday communion services will be conducted. The public is cordially invited to attend both services.

The letter of Mrs. Steele, of Deer Lodge, Mont., in The Courier two weeks ago was greatly enjoyed by many friends and relatives in this community. They hope she will write again and tell of some of her experiences with the Indians that she mentioned in her letter.

**Insure Now Against Leaching and Shedding**

It is a wild extravagance to buy fertilizers containing mineral ammoniates for a long growing crop like cotton and corn if there is the slightest possibility of a wet spring or summer. They are not retained in the soil, so that the rains leach them out and the crop is cheated out of its most essential element of plant food.

The safest and best preventive against leaching is the MORRIS BRANDS. They are ammoniated solely and entirely with high grade packing house tankage and blood and are so guaranteed on every bag. As one of our customers says of them: "As for shedding, your goods prevent it; as they do their best work after the nitrogen in other fertilizers has gone."

The difference in cost is so little, and the difference in yield so great that the rich only can afford NOT to use them. The MORRIS BRANDS are conceded by all who have used them to be the cheapest fertilizers on the market.

You can exercise true economy only by insisting on getting them regardless of price.
