—Mrs. Mary L. Corley died at the home of her nephews and niece, the Messrs. Hutchison and Miss Sue Hutchison, in West Union, last Thursday morning at 5 o'clock, after an illness of some two months, the immediate cause of her death being an attack of pneumonia. Mrs. Corley had lived at the Hutchi-

son home for the past two or three years, her niece and nephews giving her that gentle care and attention that might be expected by a mother. Her husband, Rev. B. F. Corley, a Baptist minister, died a number of years ago, he being a much beloved pastor and well known throughout the State. Mrs. Corley was before marriage a Miss Morris, being a native of Fairfield county, this State. She was a consistent member of the Baptist church and a devout Christian, living daily in accordance with her professions. To the bereaved ones The Courier joins with other friends of the family in extending sincere sympathy in their hour of sorrow. Funeral services were held on Friday last at 11.30 o'clock, the interment taking place at the Walhalla Baptist cemetery, where the services were conducted by Rev. L. D. Mitchell.

CLEANSER YOUR HAIR, MAKES IT BEAUTIFUL.

It Becomes Thick, Wavy, Lustrous and All Dandruff Disappears—Hair Stops Coming Out.

Surely try a "Danderine Hair Cleanse" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will just get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.—Adv.

West Union, Dec. 2.—Special: Just after the last ray of 1914's setting sun had finished its mission and the gorgeous glow had faded away into a steel-cold grey, passing on to brighten a new year, but into a new and beautiful home where her Saviour awaited her. She will be sadly missed here by her loved ones, who tenderly cared for her needs; but should she waft back messages from Heaven to those who are now grieving for her, she would send the Master's words: "Come unto me, all ye who labor and are heavy-laden, and I will give you rest."

EAT CABBAGE, FISH, SAUSAGE, NEW BREAD.

No Indigestion, Gas, Sourness or Upset Stomach if You'll Take "Pape's Diapepsin"—Try This!

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Adv.

No Loose or Broken Hub Bands on Studebaker wheels

Studebaker hub bands are made of a specially refined iron perfectly adapted for this use. Hub bands are welded by electricity and then shrunk on by hydraulic pressure.

There is not the slightest possibility of Studebaker hubs weakening from usage or from wear-er conditions. No strain or climate severe enough to injure 'hem.

Studebaker Wagons

Every part—Iron or wood—is made in the same careful way as the hub and banding. That's why Studebaker wagons run easier and last longer.

Come in and see the Studebaker.
