## Seeds and Dollars

Seed that is not planted does not grow. Dollars that are not banked do not increase. No farmer is so foolish as to think that a paper bag of watermelon seeds, hanging from the rafters, will ever grow until he planted it. Yet are you not expecting those dollars in that bureau drawer will grow without banking them? Dead seeds and dead dollars bring no returns.

## WESTMINSTER BANK.

WESTMINSTER, S. C.

### NEAR FIRE AT WESTMINSTER.

Residence of Jas. G. Breazeale is Saved—Celebrate Golden Wedding.

Westminster, April 20.—Special: Last Sunday morning as a number of our people were on their way to Sunday school or preparing to go, an alarm of fire fell on their startled ears and it was found that the home of Jas. G. Breazeale, on Retreat street, was beginning to burn rapidly. Mr. Breazeale had motored over to Walhalla early that morning and returned home just as the flames were gaining headway. It was thought at first that it would be impossible to save the house, but fortunately Mr. Breazeale has water-works in his home, and with an abundance of water and ready and willing workers, wonders were accomplished. The flames were soon under control as a result of most heroic work of men on top of the building, while others, fearing that the building could not be saved, had stripped the front rooms of their furnishings and were preparing for the worst. The fire left a yawning gap in the roof as evidence of its fateful work, but Mr. and Mrs. Breazeale are very thankful that their home was not totally destroyed.

Rev. H. M. Fallaw held services in the home of Mrs. Betty Broom, an aged lady who lives three or four miles above here, Sunday afternoon. Numbers of people gathered for this service, the house and yard both being well filled. Rev. Fallaw preached a most interesting sermon, and it was thoroughly enjoyed by all present. Splendid music was rendered at this service, one feature being the male quartet of the Westminster Baptist church, who sang most beautifully "The Home Over There," "Aunt Betty," as she is familiarly known, celebrated her 89th birthday on Saturday, the 17th, and thoroughly enjoyed this service, held for her especial benefit on Sunday afternoon.

The ladies of the Methodist church gave a most interesting entertainment at "The Gilbert" Monday evening at 8 o'clock. Tom Thumb's Wedding was well carried out by the little bride and groom and their attendants. Other interesting numbers were on the program. Each member deserves special mention. The program follows:

Song, "Lawful Wife"—Louise Whetsell.

Tom Thumb's Wedding—Tom Thumb and Jenny June.

Recitation, "Did You Ever Tell a Lie?"—Vivian White.

Tableau—Alberta Dillard and Frank Woolbright.

Talk, "Ups and Downs of Married Life"—Mrs. Gary-Lee.

Song, "Life's Consolation"—Miss Whetsell.

Recitation, "What the Little Girl Said"—Vera Gaines.

Tableau, "Rock of Ages"—Miss Beulah Brooks.

Recitation, "Slide-tracking James"—Brewer Massengill.

Tableau, "The Last Rose of Summer"—Miss Whetsell.

Song, "Can't You See I Love You?"—Louise Whetsell.

Tableau—"Country Lovers."

Mrs. F. S. Peden, of Fountain Inn, visited her mother and sister, Mrs. Harper and Mrs. Ella Terrell, last week.

Mrs. W. G. Russell, of Russell's, visited her daughters, Mrs. James G. Breazeale and Mrs. J. J. McLeskey, the first of the week.

Mr. and Mrs. J. L. Singleton, of Starr, are visiting relatives here this week.

Misses Nellie Lou Carter and Lucille Zimmerman are in Newberry this week attending the State Sunday School Convention.

Mrs. T. N. Carter and daughters spent Sunday in Hartwell.

Dr. E. M. Poteat, of Furman University, will preach in the Westminster Baptist church next Sunday evening at 8 o'clock.

Rev. and Mrs. R. L. Duffie celebrated their "golden wedding" Monday, April 19. Quite a number of guests were present and enjoyed Mr. and Mrs. Duffie's hospitality on this joyous occasion. Delightful refreshments were served, the color scheme of "gold" being carried out even in the cakes and cream. Many beautiful presents were received by the

### INDIANA OFFICIALS TO PRISON.

Former Mayor Roberts and 14 Other Prisoners Off to Pen.

Indianapolis, April 18.—Headed by Mayor Donn M. Roberts, 15 prisoners, convicted in the Terre Haute election conspiracy cases and sentenced to the Leavenworth penitentiary, started on the trip to the prison late today. They are due at Leavenworth early Monday.

The time for the departure was not made public and only a small crowd was at the station as the prisoners, each accompanied by a special deputy United States marshal, boarded a special car attached to a passenger train.

While the men were being placed in the jail yard to march to the railway station, the 82 men given jail sentences for their part in the conspiracy shouted good-bye and joined in passing jests back and forth.

Six convicted men had promised Judge Anderson to start for prison not later than noon today. They had been at liberty at their homes in Terre Haute. The six are: Arthur Gill, John Masselink, Jos. O'Mara, Geo. S. Overn, Jos. Strauss and M. Wash, all of whom had received sentences of a year and a day in prison.

The 15 taken to prison and the sentences they receive are:

It is understood that Mayor Roberts' wife will continue her efforts to obtain an appeal bond for her husband. Judge Anderson fixed bonds at the rate of \$10,000 for each year's sentence.

Thaw Ordered Back to Asylum.

New York, April 17.—Harry K. Thaw was today ordered back to the State hospital for the criminal insane at Matteawan by the appellate division of the New York Supreme Court. In an opinion concurred in by all the justices, the court affirmed the denial by Supreme Court Justice Page of a motion to return Thaw to the jurisdiction of the State of New Hampshire, whence he was extradited to stand trial for conspiring to escape from the Matteawan asylum, and ruled that the original order committing him to the institution was still valid. Plans are now being formulated to take the case to the State Court of Appeals.

Congressman Johnson Resigns.

Greenville, April 19.—Representative Jos. T. Johnson, of Spartanburg, eight times elected to Congress from the Fourth South Carolina district, forwarded his resignation today to Governor Manning. Mr. Johnson will take the oath of office tomorrow as United States judge for the Western District of South Carolina, having received a recess appointment from President Wilson.

happy and contented couple on this "their golden wedding day." We hope that they may enjoy many more happy anniversaries together.

### CHARLES MANNING NIELD DEAD

Stricken by Paralysis, the End Came Within One Week.

Last week the citizens of Walhalla were grieved to learn that a former citizen, Charles M. Nield, of Vicksburg, Miss., had suffered a stroke of paralysis on Saturday, April 10th. Last Sunday the news came that Mr. Nield had passed away, without having regained consciousness, during the previous night, Saturday, April 17th. The hope here at his old home and among his old friends, was that the grave fears as to his condition from the first would prove groundless and news of his improvement was awaited anxiously by friends and family connections. But the end came soon, and it is not an exaggeration to say that a deep sense of sorrow came to the heart of every one who had known Mr. Nield, even slightly, when it was known that he was no more. He was loved for his worth as man, as citizen, as neighbor, and in his death this community, though he had been absent from it for a number of years, feels a deep loss.

Charles Manning Nield

was born in 1860 in Ash House, Shropshire, England, where he received his education and training. When a young man he came to the United States on a prospecting trip. After visiting numerous points North he came South, and for a short while stopped in and near Walhalla. Going farther South he located at Dunedin, Florida, but did not remain there very long on account of climatic conditions. He returned to Walhalla in the summer of 1885, his former impression of the climate and of the general outlook being sufficiently pleasing to cause him to locate here. He purchased a suburban home and engaged in grape culture, then quite an industry in Walhalla. At about the same time he entered the mercantile business in partnership with Frank E. Harrison, of Anderson, under the firm name of Nield & Harrison. This firm conducted a large business for twelve years. Later the hotel business engaged Mr. Nield's attention, and he became owner and proprietor of the hotel then known as the Norman Park. This he conducted for several years and enjoyed a large patronage. Later he removed to Alabama, remaining there for only a short time, locating finally at Vicksburg, Miss., where he very ably represented a large wholesale grocery house, which position he held up to the time of his death.

Charlie Nield was a man who stood for something. He had a great and wonderful personality, and it was by this charm of manner, tact and courtesy that he so readily made friends, whose name is legion. To know him was to remember him always, and he inspired confidence instantly. He was of unquestionable integrity, gilt-edged—a man whose word was his bond, and loyal to the core. It was not in the nature of this broad-minded and liberal man to commit a small act or a mean one. He was far removed from such. All his dealings and business transactions with his fellow-men were of the cleanest and highest order, and he merited the highest tribute that could ever be given him.

Mr. Nield was an earnest member of the Episcopal church of Walhalla, and as a citizen he was prominent always, taking a deep interest in the welfare of his town. He became a naturalized citizen of the United States soon after locating in this country. He was a member of the order of Knights of Pythias and remained so until the end. He was a Past Chancellor of Walhalla Lodge, No. 67. As a husband and father his devotion to his family, and likewise theirs to him, spoke louder than words.

In early life he married Miss Alice Sayre Boulton, of Coburg, Canada, who died in Walhalla a number of years ago. To them six children were born, of whom two daughters, Misses Zetsee and Marjory, survive. Later he married Miss Sue Pickens Maxwell, of Walhalla, who, with two daughters, Misses Dorothy and Maud, survives. Besides his wife and daughters he is survived by four

### JAPS ONLY SAVING SHIP.

Reports of Jap Fleet Off American Pacific Coast Exaggerated.

Washington, April 18.—Commander Noble Irwin, of the cruiser New Orleans, reported to the Navy Department today that he had investigated the Japanese activity in Turtle Bay, Lower California, and found no indications of other than salvage work on the stranded cruiser Asama.

The commander's report was sent by wireless to Admiral Howard, commanding the Pacific fleet, who telegraphed it to Secretary Daniels as follows:

"The Asama still aground in San Bartolome Bay. Only other vessel present one repair ship and two colliers. No indications of other than salvaging work."

Secretary Daniels has called on Admiral Howard for a special report in view of press dispatches telling of a squadron of foreign warships in Turtle Bay, of a large Japanese camp ashore and of mines in the harbor.

The Asama has been aground in the secluded Mexican haven since December, and reports indicated that the presence of other ships aiding in getting her afloat was being made the excuse for the establishment of a permanent base of operations.

The Japanese embassy issued a statement declaring the operations were solely for salvage purposes, and Gen. Cantu, Military Governor of Lower California, telegraphed the Villa authorities that the Japanese activities were limited to salvaging the Asama.

### Didn't Do It, But Intended To.

Kansas City, April 17.—John A. Mulvahill, under arrest in connection with the wrecking of the cooling plant of the Cudahy Packing Co. here last Sunday night, denies he wrecked the building, but admits that when arrested he was on his way to dynamite another part of the plant, according to a statement made by the police today.

Mulvahill, a laborer, formerly employed in the plant, says he was educated in Kings College, London.

"I'm an Irishman," he said, according to the police, "and all Irishmen should oppose Great Britain in this war. The first nation to feel hunger will fall. I wanted to prevent the Cudahy people filling meat orders for the English."

When arrested Mulvahill had four sticks of dynamite in his pockets, the police said.

### Killed by Batted Balls.

Richmond, Va., April 18.—R. J. Howison, aged 10, was struck in the head by a batted ball while watching a ball game at Ashland Va., yesterday, and died in a hospital here today.

### Freehold, N. J., April 18.—John A. deRoche, Jr., 16 years old, died today as the result of being hit on the temple by a batted base ball while a spectator at a base ball game here yesterday.

brothers—Edward Nield, of Atlanta; Joseph Nield, of Australia; and William and Ralph Nield, of Leeds, England. Two married sisters, residents of England, also survive him.

The remains reached Walhalla about 2 o'clock Monday afternoon and were taken from the train to the residence of Mrs. G. K. Maxwell, on Main street. Mrs. Nield and a brother of the deceased, Edward Nield, of Atlanta, accompanied the body to Walhalla. At 4.30 o'clock the funeral procession left the Maxwell residence, the interment taking place in Westview cemetery in the presence of a number of friends of the family who had gathered to pay the last sad tribute to the deceased. The service here was but brief, being conducted at the grave by Rev. G. M. Wilcox and Dr. John G. Law, of the Presbyterian church. Funeral services were held at the Nield home in Vicksburg Sunday, these being conducted by the rector of one of the Episcopal churches of that city.

The deepest sympathy of the entire community goes out to the bereaved ones in their hour of sorrow,

### FIRST VICE PRESIDENT DEAD.

Col. A. B. Andrews Passes Away After a Brief Illness.

Raleigh, N. C., April 17.—Col. A. B. Andrews, first vice president of the Southern railway, died here tonight after a brief illness. He was 74 years old.

Col. Andrews was stricken last night with an acute attack of pneumonia and today his condition was regarded as serious. The funeral will be held in Raleigh, probably Monday afternoon.

Col. Andrews was born in Franklin county, North Carolina, July 23, 1841. He entered the Confederate army as second lieutenant, First North Carolina Cavalry; was wounded twice and was a captain at the close of the war. After the war he engaged in railroad work. He held official positions with a number of railroads in this State and Georgia, in 1892 going to the Richmond and Danville railroad as third vice president. Later he became second vice president, being finally made general agent of the receivers. He was elected first vice president of the Southern railway in 1895. He also was president of a number of smaller roads owned by the Southern. His greatest constructive work in North Carolina was the building of the Western North Carolina Railroad about 1878.

Southern Pays Tribute.

Raleigh, N. C., April 19.—All trains on the Southern Railway and all wheels in the shops of that road stopped for five minutes, beginning at 4.30 o'clock today, during the funeral services of Alexander Boyd Andrews, first vice president of the company, who died Saturday at his

### DOES IT APPLY TO DRUGGISTS?

Judge Prince Holds Gallon-a-Month Law Has Certain Exceptions.

Florence, April 19.—Judge Geo. E. Prince, in the Court of Common Pleas, which opened here this morning, gave a decision in regard to the handling of alcohol under the new law, which will attract considerable attention, and which he requested be carried to the Supreme Court for final judgment. It is to the effect that the new law limiting the amount of liquor one party can receive to one gallon a month does not apply to shipments of alcohol to wholesale druggists, although the letter of the law would seem to indicate that wholesale druggists are debarred like individuals from receiving over a gallon a month of anything alcoholic.

The case was brought by the attorneys for the Coast Line, after the taking of a barrel of alcohol under claim and delivery papers by the E. N. Matthews Drug Company from the railroad. Under Judge Prince's decision the wholesale drug company would not be debarred from the privilege of getting as much alcohol as was needed in their manufacture of medicines and extracts of which they make a great quantity.

President Fairfax Harrison, Vice Presidents J. M. Culp, E. H. Cozman and H. B. Spencer, Henry M. Miller, assistant to the president, and A. P. Thom, general counsel, were among the pallbearers.
