Last Wednesday afternoon Jos. J. Norton, while driving his car on Main street, narrowly escaped having a serious accident. Mr. Norton had stopped near Ansel's store to let in a passenger, and, on starting out again, his attention was for a few seconds diverted from his machine, which was run into an electric light pole at Ann street, the pole being knocked over to such an angle as to drop the street lamp low enough to strike the ground, smashing it to pieces. There was comparatively little damage to the car, and beside a severe shaking up, the occupants were unhurt. It was a close call, however, giving ample demonstration of the wonderful power developed by the large automobiles within a comparatively short distance.

DEATH OF MRS. C. L. REID.

End Came at the Home of Her Son at Woodbury, Ga., Monday.

The people of Walhalla were shocked Monday to receive the announcement of the sudden death at Woodbury, Ga., of Mrs. C. L. Reid, for years a resident of Walhalla, but for some time past a resident of Woodbury, where she was making her home with her son, Charles S. Reid, and family. While Mrs. Reid had for months been in poor health, her friends here were not prepared for the announcement of her death, and it brought great sorrow to the entire town and community. The immediate cause of death was strangulated hernia, an outgrowth of a trouble of long standing.

Mrs. Reid was a daughter of the late Mr. and Mrs. Thomas M. Stribling and was born in this county, her parents at the time of her birth residing on Toxaway. She was just rounding out her 69th year, having been born July 28, 1846.

For many years she, with her husband, the late C. L. Reid, made their home in Walhalla. In early life they were married, settling here when Walhalla was but a mere mountain village, and in consequence of their long residence in the place, and their uniform kindness and good will, wherever they were known they were loved. Mrs. Reid was a woman of fine traits of character, a good neighbor, kind and ever thoughtful of the needs of the poor about her, one of whom was never turned away empty from her home. It was characteristic of her that she was never better pleased than when doing something for friend or neighbor, and her solicitude for the comfort of those in sorrow or distress was manifest at all times. In her passing away truly a good woman has been called to her reward, and there are none who know her who do not sorrow with the bereaved ones of her family.

Mrs. Reid is survived by two sons and three daughters—Chas. S. Reid, of Woodbury, Ga.; J. B. Reid, of Batesburg, S. C.; Miss Roxie Reid, of Woodbury, and Mrs. Ella R. Holleman and Miss Annie Reid, of Batesburg. Two brothers and one sister also survive, they being Hon. Sloan Y. Stribling, of Roswell, Ga.; Col. I. C. Stribling, of Pendleton, and Mrs. Martha Ramsay, of Seneca. Besides these there is a wide circle of relatives to mourn her death. All of her children and brothers and sister were able to attend the funeral, which was held yesterday afternoon at 5 o'clock at the Episcopal church. Owing to the inability of the rector of this church to reach Walhalla in time, Dr. J. L. Stokes, of the Methodist church, conducted a short service at the Episcopal church. The bier remained in the church until this morning, when the interment was held at 9 o'clock. The interment was delayed over night in order that J. B. Reid, of Batesburg, could attend. The interment was made in Westview cemetery, the body being laid by the side of her husband. A large number of people of the town and many others from a distance attended both services at the church and cemetery. The floral tributes were beautiful and numerous.

To the bereaved ones we join with hosts of other friends in extending sympathy and condolence in their deep grief.

Significant if True.

Former Congressman Richmond Pearson Hobson has issued this statement:

"A widowed cousin of mine applied at the New York office of the Cunard Line for passage on the 'Lusitania.' The booking agent, an old friend, took her to one side and told her the vessel was acting under admiralty orders and that she simply must not take passage on it. He pledged her to secrecy until after the trip. Why did not the Cunard company give to all parties applying for passage the same humane advice?"

\$3,000 Worth of Slips. (Anderson Mail.)

To be exact, the records at Mr. Smith's office show that they have sold up to close of business Friday night \$3,006.25 worth. The price at which they have sold has been around 25 cents per hundred.
