GAINS 30 POUNDS AFTER SUFFERING SIX YEARS

Mrs. Roberts, of Columbia, Vainly Tried Many Ways to Combat Ills.

UNDERWENT OPERATION.

After Taking Two Bottles of Tanlac She Was Strong Enough to Box With Son.

Prompted by a feeling of gratitude that apparently was deep and sincere, M. A. Roberts, of 731 Assembly St., Columbia, one of this city's well known plumbers, told a story that will necessarily make a deep impression upon many, for it is a story of human suffering and of the means which brought a feeling of contentment, peace and "good will toward men."

It is another one of the remarkable Tanlac stories, and as mankind is heir to suffering, Mr. Roberts's statement almost assumes the importance of a sermon. He said:

"I shall be glad to tell you how Mrs. Roberts at last regained her health and strength, and I shall tell you why she can now engage in boxing matches with our 16-year-old son instead of conducting herself as one broken in health.

"For a number of years Mrs. Roberts suffered acutely with kidney troubles and chronic appendicitis, with their accompanying ills. She was generally run-down in health, and was forced to undergo an operation, which, however, gave her little relief.

"She perhaps suffered equally as much with liver troubles, and, during an operation, a surgeon removed several hundred small gall stones. He gave me a bottle containing two hundred and thirty stones, which were scraped from her liver.

"During the past five years her health has been very satisfactory. I spent practically all I earned paying the bills for medical services for her.

"She was so sore on her right side that she could not even bear to touch it. Because all our efforts to find relief had failed, she became discouraged. We saw almost every day in the papers a statement by some one who had been greatly helped by Tanlac, and she decided to give it a trial. We certainly are thankful we did, and we are also thankful we were privileged to get it.

"This is the reason Mrs. Roberts feels fine now, and from a weight of one hundred seventy pounds, when she last weighed before taking Tanlac, she had increased in weight to more than two hundred pounds. She was forced to increase by four inches the waists of all her clothes. I have seen her on several occasions boxing with our 16-year-old son, and she says she can now take as much punching on her right side as on the left, so completely was the soreness in that side removed while she was taking Tanlac.

"Mrs. Roberts has taken just two bottles of Tanlac, and is now taking her third bottle. She did not want to start the third bottle because she is gaining weight rapidly. She says she does not need medicine now. Really, her recovery has been more than remarkable, and I am more than glad to tell the public of the great benefit it brought her. We certainly are strong boosters of Tanlac, for it has done more for Mrs. Roberts than all the other medicines. We have urged quite a number of our friends to take Tanlac for their troubles."

Tanlac, the master medicine, is sold exclusively by Bell's Drug Store, Walhalla; Seneca Pharmacy, Seneca; Stonecpher Drug Co., Westminster; W. H. Hughes, Richland.—Adv.

THE RACE OF LIFE.

A Talk With the Boys.

(Progressive Farmer.)

(This is the message Farmer Ben Tillman sends to the farmer boys. Senator Benjamin R. Tillman has a right to speak to farm boys, for he is a genuine farmer himself and did nothing else but farm during the first 40 years of his life. His message is brief, but is nevertheless one of the best in the series.)

"Get Up Early and Use Your Brains."

I have always noticed that the farmers who get up early and are industrious and frugal and who use their brains in their business as well as their hands and legs, succeed and make money. As all of you will not remain on the farm, I will lay this rule down for your guidance: No matter where you work, whatever is worth doing at all is worth doing well. This maxim I learned from my mother, dead now these many years, but it has always guided my actions everywhere.

Stick to whatever you undertake and determine to succeed and you will "get there" finally.

B. R. Tillman.

Colds Quickly Relieved.

Many people cough and cough—from the beginning of fall right through to spring. Others get cold after cold. Take Dr. King's New Discovery and you will get almost immediate relief. It checks your cold, stops the racking, rasping, tissue-tearing cough, heals the inflammation, soothes the raw tubes. Easy to take, antiseptic and healing. Get a 50c. bottle of Dr. King's New Discovery and keep it in the house. It is certainly a great medicine and I keep a bottle of it continually on hand," writes W. C. Jessemann, Franconia, N. H. Money back if not satisfied, but it nearly always helps.—Adv. 1.
