Baptist Woman's Missionary Union.

The tenth annual meeting of the Woman's Missionary Union, Auxiliary to Beaverdam Association, wil be held with the First Baptist church of Westminster on July 6th and 7th -just one month in which to round up our year's work. Are we going to face the new year as we did last year, with our apportionment not met? Not if we have been faithful to the trust committed unto us.

In many respects this has been the best year in our history; but our gifts are not what they should be. Christ said this thing ye ought to do and not leave the other undone.

Dear leaders, if you have not met your apportionment, you can do wonderful things in the time that yet remains. Make a strong pull and grip firmly the promises of God and the goal is ours.

You will receive your annual report blanks shortly. Fill them out promptly, answering every question, as this is the only way we can get complete record.

Don't forget to have your election of officers during this month, so that there may be no confusion of officers during the year. Elect your dele gates early, and see that your society is well represented at the meeting.

The program is being prepared and

will be published as early as possible. Mrs. O. K. Breazeale, Supt. Westminster, June 6, 1916.
