

SENECA TO SERVE RED CROSS.

Meeting Held Tuesday Night—Items of Personal Interest.

Seneca, June 19.—Special: Seneca is being largely represented at Clemson commencement this week.

W. D. Stribling and son, W. D., Jr., of Eatonton, Ga., are visiting relatives here and elsewhere in the county.

Warren Gignilliat is with home-folks for the vacation season.

Harry Bryan, a former Oconee boy, and one in whom Seneca people especially are interested, has recently been elected president of the Mississippi State Christian Endeavor.

The Seneca Dancing Club will give a dance on Friday night honoring Miss Sue Ellen Hunter, a popular bride-elect of the month.

John Edwards is on a business trip to New York.

J. W. Stribling spent a day with his mother here last week, coming from Oglethorpe on Thursday on a 48-hour furlough before leaving for Texas, where he expected to receive training in field artillery at Fort Sam Houston.

R. D. Nell's large garage and auto repair establishment is going up rapidly, and when finished will be a distinct addition to the business houses in Seneca.

Mrs. R. Y. H. Lowery has arrived in Seneca to spend the summer with her daughter, Mrs. W. O. Hamilton.

T. B. Jones, of Lowndesville, spent the week-end here, Mrs. Jones having come a week ago to remain until after the Hunter-Carson nuptials.

Mrs. J. H. Thompson, of Atlanta, is visiting her parents, Mr. and Mrs. E. F. Alexander.

On Tuesday night Col. R. T. Jaynes was in Seneca for the purpose of organizing a Red Cross auxiliary. This is a move which should receive the undivided support of every citizen in the place.

On next Sunday morning the new Presbyterian church will be used for the first time. The usual preaching service and Sunday school will be held as usual, but in the afternoon at 4.30 o'clock the new church will be formally opened, when visitors throughout the county will be expected. All the ministers of the county of this denomination are expected to take part in the service and a large congregation is expected.

SWEET POTATOES.

Saving is as important as making. "Poor Richard" said, "It is easier to make a dollar than it is to save a dime," which I believe is equally true with sweet potatoes under our present system of storing.

The Department of Agriculture has published Bulletin No. 548, "Storing and Marketing Sweet Potatoes," which any one may get FREE on application to your county agent or the Department of Agriculture, Washington, D. C.

I have plans and bill of material for a house 20 x 20 feet for storing 4,500 bushels. The principles of construction can be followed in providing storage for 100 bushels. Call on me if interested.

THE GRAY LEGIONS OF DIXIE

Take Nation's Capital As Its Honored Guests—Visitors by Thousands.

Washington, June 5, 1917. Fifty-six years ago a hostile army in gray besieged the nation's capital, yesterday that same army in gray, thinned by death and hallowed old age, repeated its march upon Washington, captured the seat of government without protest or battle, and today are the nations honored and distinguished guests.

Never in the nation's history have the battle-scarred veterans from the Southland celebrated an anniversary of the Confederacy in the city which, half a century ago, spilled its blood and sacrificed its all to repel their march northward; and never in any city have they received a warmer welcome. Guests now—a United Nation.

25,000 Visitors Arrive. Streets, avenues, hotels, lobbies, parks, government buildings and private homes fairly swarmed with the gray host last night. Special trains, one after the other, rolled in from Dixie throughout the day and night, carrying their precious burden of United Confederate Veterans, Sons of Confederate Veterans and grandchildren of veterans. Some wore the gray, some wore the blue, but all were eager to see "their" capital and sing the praises of "One God, one country and one flag."

Marks Epoch in History. The reunion of the fighting men of Lee and Jackson in the Capital City will mark an epoch in the nation's history. The coming of the men in gray at this time of preparation for great and uncertain eventualities gives a new meaning to patriotism, and will inspire the youth of the land with that noble spark of devotion and self-sacrifice for which the Confederacy fought and died.

I am overcome with delight and satisfaction at the way everything is conducted. Washington certainly is giving a fine welcome to the grand old men of "Dixie."

Sweden Will Stand Neutral.

Stockholm, June 14.—Foreign Minister Lindman made a statement to Parliament to-day, in which he declared the Swedish government intended to continue to observe unqualified, loyal neutrality.

"The war will not end soon," said the foreign minister, "and we must be prepared for greater suffering than we have previously borne; all the more so as the Swedish harvest this year will unquestionably be a poor one."

Ten Billion in First Year.

Baltimore, June 13.—Secretary McAdoo, in the last speech of his campaign for the Liberty Loan here to-night, declared that it seemed certain that \$10,000,000,000 would be needed by the United States to wage the war for 12 months, and that of this at least \$1,800,000,000 should be raised by taxation and \$8,200,000,000 by bond issues.

CALOMEL DYNAMITE A SLUGGISH LIVER

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50-cent bottle of Dodson's Liver Tonic, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel to-day you'll be sick and nauseated to-morrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.—Adv.

Their automobile, a new Ford touring car, and ten gallons of liquor, together with the two men, were brought to the jail, where the whole outfit still languishes.

The two men were trapped at the Nimmons bridge, over Keowee river after having been twice caught and turned loose, they having had no whiskey when searched. The first search was made by Messrs.
