Brandt. They were accompanied by Master John Brandt, who had been on a brief visit to relatives in Charleston.

The Paul Hayne Circle was charmingly entertained by Mrs. L. M. Brown at a regular meeting on October 5th. Roll call was answered with current events, after which interesting readings on "French Art" were given. Delicious refreshments were served by the hostess, assisted by Miss Gertrude Smith and Dorothy Brown.

The many Oconee friends of Mrs. H. A. Whitten will be sorry to know that it was again necessary for her to go to the hospital for treatment. She is in Dr. Steedly's Hospital, Spartanburg. It is earnestly hoped that she will soon be restored to her usual good health. She is reported as resting fairly well. Mrs. Wm. Riehle left Walhalla Sunday to be at her bedside for a while and then with her children in Clover, S. C., for a few weeks.

He will return to his post to-day.

John C. Moss is the first one in Oconee to receive a decree from the Court establishing his title to land under the new land registration system. His decree was handed down last week at the session of Common Pleas. Besides what he considered absolutely sound titles he now holds a Court-established title to his 118-acre farm near town. Mr. Moss has acted wisely in the step he has taken. Others will do well to follow his example.

Auto for Sale—In good running order; recently overhauled; bargain in it. Apply to Wm. A. Hetrick, Walhalla, S. C.—Adv. tf.

There are many who will learn with regret that Mrs. J. M. Sitton will leave Walhalla to-day or during this week for Beaufort, where she will join Mr. Sitton, who is located there now as a salesman for a large hardware concern, traveling out of Beaufort, thus making it inconvenient for him to retain residence here. The removal of this good family will bring deep regret to many. Our sincere good wishes accompany them to their new home.

R. T. Jaynes and W. M. Brown, of Walhalla, have purchased the Coleman Mill property, below Seneca, and will make extensive improvements there this fall. They will put the mill in first-class running order, erect several new buildings on the farm and otherwise improve the farm. This mill at one time had a splendid reputation as a wheat mill. The new owners will put the flour mill in good shape to take care of the 1918 wheat crop.

There will be a "Silver Tea" given at Mrs. W. M. Brown's home on Tuesday evening, October 30, from 7.30 to 10 o'clock, under the auspices of the Ladies' Aid Society of the Methodist church. A delightful program will be rendered by local talent and refreshments will be served. Come.

Mr. and Mrs. S. N. Pitchford have moved to apartments at the old Schumacher residence, corner Main and Spring streets. Owing to the fact that their two sons are in the army, one daughter in college and another now in Atlanta, Mr. Pitchford found it necessary to reside closer to his place of business. They moved to their new home the first of this week.

The many friends of Mrs. Geo. Bloomer will regret to learn that she sustained very painful injuries by a fall at the Terminal Station in Atlanta last Friday afternoon, when she slipped and fell, dislocating or badly spraining her left hip and breaking her left arm just above the wrist. Mrs. Bloomer was taken at once to a hospital, but, thinking her injuries less serious than they really were, she requested that her daughter, Mrs. John A. Ansel, should not be notified of the accident. It happened, however, that Mrs. Jas. H. Darby, of Walhalla, was also in Atlanta at that time, and learning Sunday morning of the accident, she went to the hospital to see Mrs. Bloomer, and later telegraphed Mrs. Ansel, who left at once, bringing her mother home Tuesday night. Mrs. Bloomer is resting well, though her physicians say that, owing to the nature of the injury to her arm, it will be at least a month before she can move it. Her hip gives excruciating pain at times, but the doctors have found by x-ray examination that the bone is not broken. Mrs. Bloomer's friends here and elsewhere will join with us in the hope that her recovery may be more speedy than hoped for by her physicians. Officials at the Atlanta terminal station believe that Mrs. Bloomer slipped on a banana peel. She had gone to the station Friday to see about her baggage, which had not arrived, though she had gone to Atlanta Wednesday of last week.

"Columbus wagons are good wagons." W. M. Brown.—Adv.

Ryan Y. Chalmers, a son of Mr. and Mrs. Thos. Y. Chalmers, who reside some miles from Walhalla, in the Picket Post section, is now confined to a hospital ward "somewhere in England," not far distant from Liverpool. Mr. Chalmers volunteered for service early in the threatened war with Mexico and saw service on the border. He is a member of the general hospital corps. He has been confined now for some time, having been stricken with pneumonia. His many friends in Oconee will be glad to learn, however, that he is improving rapidly. The letter informing Mr. and Mrs. Chalmers of their son's illness was written by young Chalmers' nurse, Catherine Jones. No information is given as to whether the nurse is an American or Englishwoman. She stated that Mr. Chalmers' condition was such at the time she wrote that she thought the patient would be able to write his own letter next time.

There are not a few in Walhalla and elsewhere in the county who will be interested in the announcement of the marriage, last Thursday afternoon, of Miss Mae E. Zobel and Martin L. Puckhaber, both of Charleston, and both quite well known in Walhalla. The bride has on several occasions visited here, and the groom spent his early childhood up to young manhood in Walhalla. He is a son of Mrs. Lena Puckhaber, of Charleston, and a grandson of Mrs. H. L. Brandt, of Walhalla. The marriage ceremony was performed by Rev. W. A. C. Mueller at the home of the bride's parents, Mr. and Mrs. P. W. Zobel, on Radcliffe street, Charleston. After a wedding reception the bride and groom left Charleston for Philadelphia and New York, where they will spend a short honeymoon. The Courier joins with many other friends of the young couple in extending to them every good wish for a long and happy journey through life.

At the regular meeting of Walhalla Lodge, K. of P., held last Thursday night, the following officers were chosen to fill out the unexpired terms of officers who are now engaged in out-of-town employment: M. R. McDonald to succeed P. L. Steck as Chancellor Commander; R. H. Alexander to succeed M. R. McDonald as Prelate; W. C. Hughes to succeed K. F. Ritter as Master of Finance. There will be a special meeting next Thursday night to install these new officers. All members of the lodge are urged to attend the meeting. The Pythian order is making special efforts to accomplish a number of good works in causes allied with the present world struggle, and consideration will be given to matters of this nature. It was the Pythian order that did more probably than any one other secret order at the close of our own war to cement friendships among the people of this then disrupted country, and its aims now are both patriotic and benevolent.

Just received one car wagons. Prices right. W. P. Nimmons, Seneca, S. C.—Adv.
