

A GOOD FRIEND

A good friend stands by you when in need. Walhalla people tell how Doan's Kidney Pills have stood the test. W. S. Grahl, blacksmith, of N. Church St., Walhalla, endorsed Doan's three years ago and again confirms the story. Could you ask for more convincing testimony?

"I hurt my back many years ago and since then I have been troubled with kidney complaint," says Mr. Grahl. "When I have one of these attacks severe pains shot through my kidneys and these organs do not act as they should. I have dizzy spells and severe pains in the back of my head. For the last 10 years I have used Doan's Kidney Pills whenever an attack of this came on and they have never failed to quickly relieve me. I think Doan's are a wonderful medicine." (Statement given December 17, 1914.)

On April 9, 1918, Mr. Grahl said: "I am glad of another opportunity to say a good word for Doan's Kidney Pills. I have not had to use a kidney remedy for some time now and believe Doan's have effected a cure. I advise anyone suffering from kidney complaint to give this remedy a trial."

OSBORNE NAMED COMPT. GEN.

Anderson Man to Succeed Sawyer, Reduces the Tax Levy.

Columbia, Aug. 28.—Rutland L. Osborne, of Anderson, to-night was appointed by Governor Manning, Comptroller General of South Carolina, to succeed the late Carlton W. Sawyer, who was accidentally killed at his room here on August 23d by the discharge of a shotgun he was cleaning preparatory to a hunt.

Mr. Osborne's first act was to reduce the tax levy from nine and one-half mills, which was the figure set in the appropriation by the last Legislature, to eight and one-fourth mills, a decrease of one and one-fourth mills.

The State Tax Commission has placed an increase of forty million dollars on the tax books of the State, and Mr. Osborne, acting under authority of a clause inserted in the revenue bill by the last General Assembly reduced the levy.

Governor's Statement.
The following statement was given out by Governor Manning:

"I have appointed Rutledge L. Osborne, of Anderson county, Comptroller General, to fill the unexpired term of the late Carlton Sawyer.

"Mr. Osborne was the chief clerk in the office of the Comptroller General. His first duty in assuming the work of that office was to fix the State levy in accordance with 'an act to make appropriations to meet ordinary expenses of the State government for the fiscal year commencing January 1, 1918. And to provide for a tax sufficient to defray the same, and for borrowing money. Under that act it is provided that the levy shall not exceed nine and a half mills.

The work of the Tax Commission in placing property on the books which heretofore had escaped taxation, and of equalizing assessments, has resulted in increasing the taxable property of the State over fifty millions of dollars. The Comptroller General has fixed the State levy at eight and a fourth mills, a decrease of one and one-fourth mills from the estimate of nine and one-half mills made by the General Assembly on the taxable values of the year 1917. Many of the county delegations of the General Assembly provided for this flexible levy in their counties, but in some counties where the increase in valuations was material and no provision has been made for reducing the levy for county purposes, action to lower the levy should be taken by the authorities, as more money will be raised on the levy of 8 1/4 mills than is necessary for county purposes, and to reduce the levy to such a point as to raise only the money appropriated in county supply bills."

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this Beauty Lotion Cheaply for Your Face, Neck Arms and Hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.—Adv.

CASUALTY LISTS, A. E. F.

Tuesday, Aug. 27.

The following casualties were reported to-day by the commanding general of the American expeditionary forces:

Killed in action, 89; missing in action, 7; wounded severely, 171; died of wounds, 22; died from accident and other causes, 4; died of disease, 3; died from airplane accident, 1; wounded slightly, 1; wounded (degree undetermined), 9.

The names of the following South Carolina men appear on the list:

Wounded severely—Lieut. Wm. O. Coleman, Chappells; Privates John T. Elders, Enoree; Robt. I. Gilliam, Newberry; Jas. B. Henderson, Lockhart.

Wednesday, Aug. 28.

The following casualties are reported to-day by the commanding general, American expeditionary forces:

Killed in action, 14; missing in action, 189; wounded severely, 248; died of wounds, 25; died of accident and other causes, 6; died of airplane accident, 1; wounded (degree undetermined), 74; died of disease, 12. Total, 629.

The names of the following South Carolina men are found on the list:

Killed in action: Private Henry M. Gerald, Loris.

Wounded severely: Sergt. Hamilton W. Bowen, Easley.

Marine Corps Casualties are reported as follows: Killed in action, 4; died of wounds, 7; in hands of enemy, 3; wounded severely, 3; wounded (degree undetermined), 4. Total, 21.

Thursday, Aug. 29.

The following casualties are reported by the commanding general of the American expeditionary forces:

Killed in action, 52; missing in action 46; wounded severely, 172; died of wounds, 33; died from accident and other causes, 4; wounded, degree undetermined, 147; died of disease, 9; prisoners, 2. Total, 465.

The names of the following South Carolina men appear on the list:

Wounded severely: Privates Malvin O. Broome, Greenwood; Stephen L. King, Greenville.

Wounded, degree undetermined: Private John James, Newry.

Private Simon Ed. Phillips, Newry.

Friday, Aug. 30.

The following casualties are reported to-day:

Killed in action, 101; missing in action, 23; wounded severely, 58; died from accident and other causes, 3; died of disease, 6; wounded (degree undetermined), 23; died of wounds, 12. Total, 226.

The following men from South Carolina are on the list:

Died of accident and other causes: Private Foster A. Davenport, Aiken.

Wounded severely: Private Floyd Major, Greenville.

Previously reported missing, now reported returned to duty: Sergt. James Rogers, Greenville.

Previously reported missing in action, now reported killed: Lieut. E. D. Shaw, Sumter.

(Succeeding casualties will be found on fourth page.)

The Taylor Reunion.
A most delightful gathering was that at the home of Mr. and Mrs. W. A. Taylor, of the Wolf Stake section, on August 23d, when all of their children and grandchildren gathered at their home. Mr. and Mrs. Taylor are the parents of 13 children and 20 grandchildren, of whom all are living except an infant of Mr. and Mrs. W. A. Duckworth, of Woodruff, S. C.

All were jolly and gay, chatting and laughing, thinking they were having the best time of their lives, but when dinner was announced and every one circled around the bountifully laden table, which was spread under the beautiful oaks at their home, they all thought that was best. (But not yet). In the afternoon they began to dress in their bathing suits and were soon off to the old pond to swim, dive and "duck." and they thought that was grandest of all. (But still not yet.) The day was not long enough, and they were all invited to the home of Mr. and Mrs. L. A. Taylor that night to enjoy the grand music that Mr. West makes on his violin. And then, thinking that was enough, they all parted, hoping to enjoy such an occasion as that again soon. And we pray God's richest blessings on all.

Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis., says:
"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation.
Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well.
"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. Marie Boyd, 1421 6th St., N. E., Canton, Ohio.

MANUFACTURING IS MENACED

In Georgia by Reason of Unprecedented Shortage of Water.

(Atlanta Constitution, Aug. 31.)

More than 300 manufacturing plants in the Atlanta district using over 25 horse-power daily from the Georgia Railway and Power Company, and not engaged in the production of absolute war necessities will be denied power after Wednesday, September 4th.

Not only will these plants be forced to shut down or make some arrangements to use other power, but even many plants placed on the preferential list by the priorities board of the government will also be curtailed in the use of power for the reason that on account of the most extensive drought in the history of the company there is not sufficient water to produce even this much power.

About 100 plants in the city of Atlanta will be affected, and the losses to manufacturers and to labor will amount to thousands of dollars.

All plants working on 100 per cent war material, munitions, shipbuilding, and other lines of like nature are being given power first, and then follows many other industries classed as essential which will be given the remaining power as long as it lasts.

152,000 Kilowatt Hours Left.

After supplying the municipal lighting, street railways and waterworks plants, the company submitted to the priorities board that it had remaining just 152,000 kilowatt hours per day.

The priorities board states that this is not sufficient power to supply the plants which have government contracts, but that it may be enough for those which are 100 per cent essential.

The company was instructed to work in conjunction with the State and local fuel and food boards so that all plants which could use coal be furnished with that fuel at once. One of the plants which was ordered to go on coal fuel was the Rome Railway and Light Company, and the hydro-electric power being furnished this company is to be turned over to the Anchor Duck Mills.

Small corn mills will also be given power as long as possible, but even these will be allowed to run only part of the time.

No Immediate Relief.

Officials of the power company see no immediate relief from the water famine even if generous rains come now. The present drought is an extension of the drought of last year, and came when the water was already low. The rains of last winter were not sufficient to bring the levels back to normal. Both the Tallulah and Chattahoochee water sheds are dry, hence both plants of the company are producing a minimum of power. Officials say that even if it rains now it will take weeks for the water to become available.

Arrested for Failure to Work.

Austin, Texas, Aug. 29.—In a raid late this afternoon police and military authorities arrested upward of 150 white men for investigation under the work-or-fight regulations. The raid is still in progress.

ANOTHER OCONEEAN WOUNDED.

Dr. Burgess Has Entered Y.M.C.A. Work—Fist Fight in Seneca.

(Farm and Factory.)

John Robinson, son of Benton Robinson, was wounded in the fighting in France on July 19. His condition is not serious, though he is yet in the hospital, as indicated by a letter received by Mr. Robinson Sunday morning. Mr. Robinson has not received official notification of the injuries to his son, nor has his name appeared in the casualty lists in the cable dispatches. News of the injury was contained in a letter received direct from young Robinson to his father.

Dr. Jos. H. Burgess left Seneca today for Blue Ridge, N. C., where he will be in training for three weeks before being given an assignment in Y.M.C.A. war work. Dr. Burgess volunteered for this work some time ago and when he received notice from headquarters that his services were acceptable he resigned from a lucrative position at a munition plant at Asheville. After he has finished his work at Blue Ridge he will be given a three-day rest and will then be given duty in this country, his age disqualifying him for foreign service. He is, however, satisfied with this work, as he will release a younger man for the front. After Miss Typhain Burgess, his daughter, has returned to college, Mrs. Burgess will probably leave Seneca and locate at Aiken.

As a result of a disagreement over politics, Dr. J. S. Stribling and W. M. Alexander, the latter a candidate for sheriff, had a fist fight at the post office Tuesday morning. Neither of the participants was hurt.

I. W. W. Leaders Get 20 Years.

Chicago, Aug. 30.—Wm. D. Haywood, "uncrowned king" of the Industrial Workers of the World, and 14 of his chief aides in the conspiracy to overturn the American war program, were sentenced to 20 years in the Federal penitentiary at Leavenworth, Kan., by Federal Judge K. M. Landis here late to-day.

Ten-year sentences were imposed upon 33 of the organization's leaders, 5-year sentences on 33, 1-year and one day on 12 defendants and 10-day sentences on two others. Cases against Benjamin Schraeger, Chicago writer, and Pietro Nigra, Spring Valley, Ill., were continued.

All sentences on the four counts in the indictment will run concurrently. Fines ranging from \$20,000 on Haywood and his chief aides, down to \$5,000, were imposed.

Ninety days is granted in which to file a bill of exception, and a stay of seven days in which to petition for bail.

Catarrh is a Real Enemy and Requires Vigorous Treatment

Do Not Neglect It.
When you use medicated sprays, atomizers and douches for your Catarrh, you may succeed in unstopping the choked-up air passages for the time being, but this annoying condition returns, and you have to do the same thing over and over again.
Catarrh has never yet been cured by these local applications. Have you ever experienced any real benefit from such treatment?

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, . . . and the pains were very severe. A friend told me I had tried everything else, why not Cardui? . . . I did, and soon saw it was helping me . . . After 12 bottles, I am strong and well."

TAKE CARDUI
The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.
