CHANGE NOTION ABOUT CALOMEL

New Variety Called Calotabs is Perfeetly Safe and Delightful.

With all of the liver-cleansing and system-purifying qualities of the old style calomel, but robbed of its sickening, griping and dangerous effects, Calotabs is destined to become the most popular of all home remedies, as it has already become the favorite of all physicians.

The new style calomel, called Calotabs, is perfectly delightful in effect. One tablet at bed-time, with a swallow of water-that's all. No nausea, no griping. Next morning you awake feeling fine, your liver active, your system purified and with a hearty appetite for breakfast. Eeat what you please, there is no restriction of habit or diet.

Genuine Calotabs are never sold in bulk. Ask for the original, sealed package, price thirty-five cents. Your lruggist recommends and guarantees Calotabs.--'Adv.

Only the Names of Dead and Missing Will Be Cabled.

Washington, Sept. 7-Under a new policy of reporting casualties in the American expeditionary forces adopted by the War Department, the names of the men wounded will be sent to the United States by courier twice a week, and only the names of the dead and missing will be cabled by Gen. Pershing, when the system is in full effect.

In making this announcement, Gen. March, chief of staff, said Gen. Per-shing had not heretofore sent in the Don't scold your fretful, peevish names of men slightly wounded because generally the men had return-ed to duty before the names reached waste. When listless, pale, feverish, full of cold, breath bad, throat sore, does the United States. In reply to an in-quiry from the department, Gen. Per-shing had reported, Gen. March said, that there were 20,000 such casualties up to August 20.

Under the new plan the names of all the wounded will be sent to the United States by courier, together with their hospital records, so that a statement of the diagnosis can be furnished to relatives of the men.

Hooray! Baby To Rule the House

No Longer Do Woman Fear The Groate est of All Human Blessinge.

Thonsands of women no longer resign them-selves to the thought that sickness and dis-frees are natural. They know better, for in Mother's Friend they have found a won-derful penetrating remedy to relieve many dreaded experiences. Mervousness, bearing-down and stretching pains are among the disheartening and dis-tressing experiences women everywhere say they entirely escape during the period of expectancy by the use of Mother's Friend. Here is a remedy that softens the myriad of broad, flat abdominal muscles just be-neath the skin, enables them to expand with-out the usual strain upon the ligaments and nerves and assists nature to make it pos-sible for women to go through maternity without many of the dreaded symptoms so familiar to a Foot of women. By regular use throughout the period the muscles expand easily when baby is born, and pain and danger at the crisis is con-sequently less. Mother's Friend is for external use only.

and pain and danger at the crisis is con-sequently less.
