GEO. T. MORTON, (Phone 83, Residence No. 121 Main street.) Walhalla, S. C. 33-35

### TRESPASS NOTICE.

NOTICE.—All persons are hereby notified not to trespass in any way, nor to remove any property from my lands.

Trespassers in violation of this warning will be dealt with according to the laws of the State of South Carolina. J. M. DAVIS, 42-45 Westminster, S. C.

### LOCAL AND PERSONAL.

Girls Wanted—To loop hosiery at home. Apply to Hetrick Hosiery Mills, Walhalla.—Adv. 41

Mrs. Chas. A. Hetrick returned last Friday from Rock Hill, where she had been visiting at the home of Mr. and Mrs. Sidney Adams. The many Walhalla friends of Mr. and Mrs. Adams will be glad to know that they have about recovered from a scourge of influenza, which in the case of Mr. Adams resulted in the developing of pneumonia. For a few days Mr. Adams was in a very serious condition.

Good one-horse wagon for sale. T. E. Alexander, Walhalla.—adv.

S. N. Pitchford, of Anderson, spent Sunday in Walhalla with his family and among friends. It looks good to see Sam about Walhalla, and there are many who will be glad indeed when the time comes for him to be here permanently again.

The many friends of Corporal Bishop F. Grant, formerly of Walhalla, but now of the American Expeditionary Forces in Europe, will regret to learn that he has been wounded in action and is now confined in a hospital in London. His parents, Mr. and Mrs. Thos. A. Grant, of Walhalla, received a cablegram Monday announcing the simple fact that their son was wounded and on the way to a London hospital, the only qualifying statement contained in the message being that the wound received by Corp. Grant is of a slight nature. We join with hosts of other friends in the hope that he may soon entirely recover from his injuries.

For Sale—7-room residence, with 15 acres of land; best known as the Col. J. S. Newman place; in town of Walhalla; nice orchard, fine well; all necessary outbuildings in good condition. Apply to Jas. H. Darby, Walhalla, S. C. (or at Seneca Oil Mill.)—adv. 42-41

Mr. and Mrs. J. W. Gurney, of Newport, Tenn., are in Walhalla for a week or ten days visiting at the home of the former's brother, F. P. Gurney. J. M. Gurney is the inventor of the machinery used in the plant of the Gurney Manufacturing Company here. He and his wife have visited in Walhalla on other occasions and have numerous friends to welcome them on this visit.

There has been no little interest felt in Walhalla as to the wound recently received by Sergt. Sam G. Pitchford, of Walhalla, while in active service in the battle front "somewhere over there." Mr. and Mrs. S. N. Pitchford, parents of the young officer, have more recently received a letter from Sam, in which he minimizes the seriousness of his wound, stating that it was a slight one, caused by the bursting of a shrapnel shell. At the time the wound was received Mr. Pitchford was assisting in the removal of comrades from the field. Mr. Pitchford was wounded in the shoulder. When he wrote he was just beginning to sit up, and was enjoying the splendid attention given by the Red Cross nurses at the hospital to which he had been sent. He expressed the hope and belief that he would soon be back at the front.

Local rains for the past ten days have given a greater precipitation than has come for the past several months. The local weather observer, H. W. Brandt, records a fraction over seven inches of rainfall for the week ending last Sunday, and it has rained considerably since each day, in all probability raising the total rainfall four or five inches in the past three days. The local power plant has been forced to shut down twice in the past week on account of high water. The power went off from the Walhalla Light and Power Company's plant yesterday shortly after noon, when the report was that the water then was two feet over the floor of the plant. Fortunately the municipal plant was available, and within a half hour citizens of the town were receiving service in good shape. For some months past the two plants have been co-operating in the local service for Walhalla and West Union, the power company furnishing current during the day and the municipal plant at night. This alternating service was made necessary by reason of the very low stage of water incident to the drought of the past several months, which was broken about ten days ago.

To Rent—The Schumacher house on Main street. Apply to W. L. Verner, at Bank of Walhalla.—Ad.

The announcement of the death of Henry Brewer, which occurred on the morning of Sunday, October 20th, brought sorrow to many friends of the family and of the deceased. Mr. Brewer suffered an attack of influenza, which developed into pneumonia a few days later, which resulted in his death a few days after latter disease developed. Only a few minutes before he died he sang of the glory of his Redeemer, and it is a great comfort to know that the last words of the young man were of his Redeemer. Mr. Brewer had been an employee of the Blue Ridge Railway for some time. He was a kind and dutiful son, and was a great source of comfort to his aged father and mother. He was a young man who could always be depended upon to do what he thought was right. There are many who will join with The Courier in extending to the bereaved parents and other relatives sincere sympathy in their deep sorrow. Mr. Brewer was the son of Mr. and Mrs. Jas. Brewer, of West Union, and was born November 23, 1892, being 26 years of age at the time of his death. He leaves his parents and three sisters and three brothers to mourn a great loss. The brothers and sisters are: Mrs. H. T. Ritter, of West Union; S. L. Brewer, Greenville; Mrs. L. E. Porter, Greenville; J. W. Brewer, of West Union; Leonard Brewer, now serving with the American forces in France; Miss Annie Brewer, West Union. The interment took place at Poplar Springs cemetery on Sunday afternoon at 4 o'clock. May the Lord comfort the bereaved ones in their affliction.

Plenty of cement and roofing for everybody. W. M. Brown & Son, ad.

Miss Dessie Earle, who has been a sufferer from influenza, is again up and able to be about.

Mrs. R. T. Keys and little daughter, Mary Jo, of Florence, are spending several weeks in Walhalla visiting Mrs. Keys' mother, Mrs. Joe McCarey.

Are you going to need good farm or driving stock in the spring? Read the advertisements of C. W. & J. E. Bauknight, of Walhalla, and E. C. Maret, of Westminster. You will be interested.

Mr. and Mrs. Carlisle Taylor and two children returned to their home here last week, after visiting Mrs. Taylor's parents at Prosperity for a couple of weeks. During their absence from Walhalla they were made happy by the birth of their second child.

We are requested to make the following announcement: The Walhalla Circuit (Methodist) quarterly conference will be held on Saturday, November 2d. Let all the officers be present. There will be no preaching. This does not conflict with the rules of the board of health.

We regret to learn that Mrs. C. M. Brennecke is quite ill at her home here. Mrs. Brennecke is one of the oldest residents of Walhalla, being well on toward 90 years of age. She has a host of friends here and elsewhere who will join with us in the hope that she may yet be spared to continued usefulness.

Born, unto Mr. and Mrs. Jas. M. Moss, on Saturday morning, October 19th, a daughter. This little lady failed to get a fair deal at our hands last week. In the rush incident to getting out the paper short-handed, the notice of her arrival was lost among other notes intended for use a week ago.

Geo. M. Ansel, who has been absent from the store of Moss & Ansel for several weeks on account of a stubborn case of influenza, is greatly improved, and we trust will soon be quite himself again. We are informed that Mrs. Ansel is now suffering with the same trouble, but her case indicates that it will be of a much lighter form. Several of the children of the family have also had attacks of the "flu," but all are now on the road to recovery.

Died, at his home in Central, on the 17th of October, C. W. Foster, aged 24 years. His little daughter Ola died on the same date, aged three months. Both bodies were interred in the Neville cemetery near Walhalla on the 18th. Funeral services were conducted by Rev. L. M. Lyda, of the Baptist church. There are many friends of the family of the deceased who will join with us in extending sincere sympathy to them in their great bereavement.

For cheap lumber and glass windows see Geo. T. Morton, Walhalla, Adv.—43-45.

Rev. L. W. Langston requests us to announce that, unless otherwise notified, there will be services in the First Baptist church of Walhalla on next Sunday, November 3d—Sunday school at 10 o'clock, preaching service at 11 o'clock. This announcement is in conformity with a notice from Dr. J. H. Hayne, of the State Board of Health, in which the prohibition against holding services in the churches, and of gathering in other places of usual assemblage, is lifted.

We are informed that our good friend, Thos. R. Keith, of the Koo-wee River section of the county, has suffered considerable loss by reason of high water resulting from the recent heavy rains. Of Mr. Keith's individual crop he had about twelve acres in fine bottom corn, and this, we are informed, was all cut and shocked in the field ready for the shredder. Our informant states that this entire bottom corn crop was washed away. Mr. Keith's average yield on this land is said to be about 50 to 60 bushels of corn per acre.

Each week we receive letters in which it is stated that the writer is enclosing 25 cents for three months' subscription. For a month now we have been charging 30 cents for a three months' subscription, 55 cents for six months. We are, therefore, entering up all 25 cent subscriptions for a period of two months. We make this announcement in order that our friends who have sent in 25 cent subscriptions may understand why The Courier will stop coming to them sooner than they expected it to. We have made this slight advance in the price of short-term subscriptions merely to cover cost of the necessary handling of the business.

South Carolina has gone "over the top" in great shape in the Fourth Liberty Loan. The State's apportionment of the six billion dollar loan was \$32,450,000, and the citizens of the State subscribed for \$35,195,000, giving an "over-the-top" figure of about \$3,000,000. The towns of Walhalla, Seneca and Westminster have been awarded honor flags in recognition of the work done in raising the loan funds. While the reports show that these honor flags are awarded to the towns named, they are in reality in recognition of the communities embraced within the territory designated as the Walhalla, Seneca and Westminster Districts. The flags constitute honor emblems for the citizens of the whole of Oconee.

Mrs. M. E. Cole died at her home in the Earle's Grove section on October 16th after an illness of about ten days. She was about 83 years of age. Her husband, N. P. Cole, preceded her to the grave about 15 years. Mrs. Cole's remains were laid to rest beside those of her husband in Bethel cemetery on the 18th of October. The services were conducted by Rev. L. M. Lyda, of Walhalla. The deceased had been a life-long member of the Bethel Baptist church. She leaves the following children to mourn her death: W. H. Cole, Mrs. Samuel Grant, Mrs. J. A. Patterson, Mrs. C. W. Patterson, Miss Alice Cole, all of rural Westminster, and J. P. Cole, Townville; J. H. Cole, Anderson; Mrs. J. H. Crooks, Greenville, and Mrs. G. W. Elrod, of Belton. The funeral was largely attended
