

DAYS OF DIZZINESS

Come to Hundreds of Walhalla People There are days of dizziness; Spells of headache, languor, back-ache; Sometimes rheumatic pains; Often urinary disorders. Doan's Kidney Pills are especially for kidney ills. Endorsed in Walhalla by grateful friends and neighbors. Mrs. A. L. Tilley, 6 James St., Walhalla, says: "I had backache and kidney trouble some three years ago and I think it was caused by over work. My back got terribly sore and ached all the time. Sweeping or bending over was almost impossible and I got dizzy and black spots came before my eyes. Mornings I was so lame and sore I could hardly get around. I had headaches and nervous spells, too. My kidneys didn't act as they should and I was in pretty bad condition. I got a supply of Doan's Kidney Pills and they made me feel better right away. In a short time I was entirely cured." Price, 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Tilley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Letter From a Colored Soldier of Oconee County.

W. J. Thomas, colored, has handed us the letter printed below, which was written by his son, J. C. Thomas, to his mother:

Langres, France, April 6, 1919.

Dear Mother: I am now on pass to this city (week-end), and I am enjoying same immensely. I wish so much that some of the other members of the family could enjoy, or have the pleasure of seeing this country, as it is very beautiful. I have seen both the desolate and immensely populated sections.

I haven't much news this time, but I wish to be remembered to all members of the family, and tell them that I am getting along o. k., and hope to see them soon. Trust you all are well and happy.

Enclosed you will find a money order (American) for the sum of two hundred dollars, and my last warrant as Sgt-Major. Kindly take care of same for me, as I have plans for the future, if nothing happens to me; and please let me hear from you as soon as you receive same.

I wish to remain. Your son, Sgt.-Major Julius C. Thomas. 1st Bn. Hq., 807th P. Inf., A. P. O. 714, Am. E. F.

"DANDERINE" FOR FALLING HAIR

Stop dandruff and double beauty of your hair for few cents.

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen, and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug store for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair stops coming out and you can't find any dandruff. Your hair appears soft, glossy and twice as thick and abundant. Try it!—adv.

ORLANDO TO REMAIN AWAY.

Not to Return to Paris—Trouble Either Way.

Paris, April 29.—Ambassador Page telegraphed from Rome to-day that he had gathered from Premier Orlando in a long conference Monday that the premier did not intend to return to Paris for the signing of the peace treaty. The premier expressed regret that the time was so short before the arrival of the Germans.

This was only one of the disturbing complications presented by the Italian situation as the time approaches for the delivery of the peace treaty to the Germans.

The Italian premier, the telegram from Ambassador Page added, felt that his action either way would have serious consequences, but it was preferable to have have trouble without Italy rather than from within Italy, because the present state of public feeling in Italy would not justify the signing of a treaty which did not include Italian aspirations.

Ambassador Page said he had taken steps to have the Italian authorities suppress manifestations directed against President Wilson. As a result one of the principal demonstrations in Rome was given up.

Should Premier Orlando not return for the signing of the treaty, it would give the situation a more serious aspect than the departure of the Italian delegation, as the Allies would be required to take final action without the participation of Italy. While there is every desire to avoid this result, the indications are that the Allies will proceed with the signing if Italy decides to withhold participation.

The final treaty is virtually completed. The men in charge of the work say they have no further doubt that they will be able to finish their work by Thursday or by such time as delivery is made. The latest count shows a total of 80,000 words in the treaty.

An official summary of 10,000 words has been made. It is in such shape that it could be made public at once, but the intention is to hold it for publication throughout the world at about the same time that the treaty is delivered to the Germans. The various governments are cabling this summary everywhere for simultaneous release when authorization is given by the conference.

LEMON JUICE

FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try It!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, and see how freckles and blemishes disappear, and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.—adv.

LETTER FROM A U. S. MARINE.

Private Louie A. Crow Writes Home. Anxious to Get Back.

Mrs. L. A. Crow, of the Jocassee section, has received the following letter from her husband, who is a member of the Marine Corps, and it will be noted that he, too, is anxious to get back home, if the sentiments expressed in the parody on a well known song, which he appends to his letter, may be taken as his own:

Private Crow's Letter.

Santo Domingo City, D. R.

April 19, 1919.

My Dear Wife and Children:

I will answer your letters together. This leaves me well and feeling fine, and I truly hope that you are all the same.

It sure is raining down here to-day.

Well, Minnie, we have an abundance of music here. We have three bands—the navy, the marine and the citizens' band. We don't get lonesome for music.

The mail boat has come in and I got three letters—two from you and one from Rosa. Was truly glad to hear from Jocassee and to learn that you are all well. I sure am feeling good this morning. I have got some of my pictures in a frame and am sending them to you, and I am also sending my bathing suit for you to keep until I get home. I suppose you all are catching fish these fine warm days. The boys are going back to the States very fast now, and I suppose that my time will come before long. There will be another ship in about May 1st, but don't know how many will go out on it.

Say, I don't see why the people don't write more from Jocassee. You say you wish you were down here with me to go to the band concerts. There will another one Monday night at 8.30 o'clock. I sure wish you could enjoy some of this grand music. It sure is fine.

I have got some nice post cards that I will write on to my boys. I was so glad to hear that Jesse is going to school and learning fast. What is little Weldon doing these days? It sure is a nice, cool country down here. I have had real good health since I came here. I weighed only 165 then, and now I weigh 175. Say, Minnie, I suppose you wouldn't know me if you were to see me coming now, for I really think I have changed some since I left Jocassee.

Minnie, I recently sent you a ring. It was an emblem of the U. S. Marine Corps. Did you get it, or not? I hope you did.

To-morrow will be Easter Sunday. I wish I could be with you all, but as it happens that I cannot be I will tell you what we have got for our Easter dinner—Creamed tomatoes, breaded steak, cream peas, beet salad, mashed potatoes, banana ice cream, bread and lemonade. I think that will be enough, don't you?

But I must close this letter and set the table for supper. Minnie, you ought to see me cook now. Write

real soon, as I am always so glad to get your letters. Love to all.

Your affectionate husband,
Privt. Louie A. Crow.

"Silver Threads."

Darling, I am coming back—silver threads among the black. Now that peace in Europe nears I'll be back in seven years.

I'll drop in on you some night,

With my whiskers long and white;

Yes, the war is over, dear,

And we're coming home, I hear—

Home again with you once more—

Say by nineteen twenty-four.

Once I thought I now would be

Sailing o'er the deep blue sea,

Back to where you sit and pine,

But I'm stuck here on the Rhine;

You can hear the gang all curse—

War is hell, but peace is worse.

When the next war comes around

In the front ranks I'll be found—

I'll rush in again pell-mell—

Yes, I will—like hell—like hell!

Yes, I will—like hell—like hell!

Yes, I will—like hell—like hell!

Yes, I will—like hell—like hell!

Yes, I will—like hell—like hell!

peditions settlement of the claims that will arise under this difference, arrangements have been made with the auditor for the War Department and with the director of finance to have them handled by the latter. In the case of men who are still in the service as enlisted men, settlement should be made through local disbursing officers. In the cases of men who are now separated from the service, or are commissioned, settlements will be made on supplemental final statements issued by the office of the director of finance, Washington, D. C. All correspondence on this subject of claims should be addressed directly to the office of the director of finance, Munitions Building, Room 3202, Washington, D. C.

2. Henceforth correspondence with respect to claims for 50 per cent increase in flying pay due cadets after July 1, 1918, will also be addressed directly to the office of the director of finance for settlement. In order to effect a simplified method of handling these cases, instructions were issued from this office to commanding officers of flying fields to furnish the office of the director of finance with copies of special orders announcing cadets on flying status. This will obviate the reference of claims to fields and to this office, the aim being to concentrate in advance in the office of the director of finance all the data necessary for the settlement of the claims.

3. There has been prepared by the director of finance a blank form to be filled out by those who are requesting either the difference in pay due them as cadets before July 1st or the flying pay due them as cadets after July 1st. These forms will be furnished upon application to the director of finance. Accompanying them are the necessary certificates and affidavits to be executed in support of the claims. It is also necessary that the men forward their certificates of discharge from the enlisted status. These certificates will be returned to the owners with the checks.

4. These instructions supersede all those hitherto issued from this office on the subject of cadet pay, and particularly cancel O. S. 1136. By direction of Major-Gen. Kenly.
