LUTHERANS BEGIN CAMPAIGN.

Hope to Raise \$300,000 for Colleges in this State.

Columbia, Oct. 20.—With "They Shall Have It" as their slogan, the Lutherans of South Carolina began a campaign to raise \$300,000 for Newberry and Summerland Colleges. Each congregation in the synod has been notified of its apportionment and each and every congregation has accepted it with enthusiasm. "The canvass opened under the most auspicious circumstances," said Dr. H. A. McCullough, chairman of the campaign committee. "From reports we have in hand we are of the belief that every church in the synod will reach its quota, and we believe that many of them will exceed theirs. We expect every Lutheran to do his duty. The members of the church have by the printed word and the spoken word been acquainted with the great necessity for this campaign. We believe that they are ready now to give willingly and gladly what we have asked in order that our institutions may be enabled to do the work they desire. I expect the next ten days to be glorious days, not only for the cause of Newberry and Summerland Colleges, but for the cause of Christian education in our State in general."

France Practically at Peace.

Paris, Oct. 13.—Decreases published in the Journal Officiel this morning place the interior affairs of France on a peace basis, ending the state of siege, lifting the censorship and transferring jurisdiction over police acts from the army to prefects. To end the state of war a treaty is still necessary to deposit in the foreign office a text of the treaty signed by President Poincaré, which will be filed with the ratification document signed by President Ebert of Germany, which already is in hand. To this will be added the ratification documents signed by the Kings of England and Italy. A document will then be drawn up setting forth the fact of the deposit of the document and this will be followed by the publication of the text of the treaty in the Journal Officiel. At that time the treaty will go into effect.

It is especially desired that all of the relatives be present, and let us all enjoy the day. A basket dinner will be served. (adv.-42-43.) J. D. Vissage.

Wreck Near Macon.

Macon, Ga., Oct. 20.—At least 20 persons were hurt, none fatally, when the southbound "Royal Palm," on the Southern railway, sideswiped the Atlanta-Jacksonville Limited at Westlake, 13 miles from Cochran, early to-day.

The wreck occurred when the Royal Palm, in attempting to pass the Atlanta-Jacksonville limited, collided with the last cars of the latter train. The northbound train was pulling into a side track for the Royal Palm to pass when the latter crashed into the day coach of the limited.

The flagman narrowly escaped death when the car turned over near where he was standing at the switch. He jumped into the pond, and when the car fell into the water he pushed himself far enough away to avoid being crushed to death.

Georgia Bank Cashier Missing.

Uxahlia, Ga., Oct. 18.—Robert A. Collins, cashier of the Commercial Bank of Uxahlia, has been missing for nearly two weeks. It developed to-day when creditors attached all of the property that he owns. An auditor has been at work on the bank's books for several days, and reported to the bank to-day that he had overdrawn his account \$2,500. The audit is not complete. Collins' debts are said to run into the thousands. The bank is protected by Collins' bond.

Trotsky Regime Doomed.

Washington, Oct. 20.—"The final crash of the Trotsky-Lentine regime may be delayed some weeks, but it is inevitable."

Official information received here thus summarizes the situation in Russia. The closing act of the Red drama is already under way, according to reports from military attaches and special agents. Only the "inertia" of the anti-Bolshevik groups has permitted the present Moscow government to remain alive beyond September 15, one official said.

Two More Amendments Down.

Washington, Oct. 17.—After a brief debate, and without the formality of a record vote, the Senate to-day threw out two more of the amendments written into the peace treaty by the foreign relations committee.

The two amendments had been introduced by Senator Fall, Republican, of New Mexico, and had as their common purpose curtailment of the power of the American representative on the reparations commission, an international body set up by the treaty to fix and collect Germany's reparation bill.

The vote came sooner than had been expected, the leaders agreeing to it as part of a plan to complete the consideration of amendments as soon as possible so that the Senate might get down to the real work of drafting a ratification resolution. Only two of the committee's 45 amendments now remain to be considered, and it is hoped to bring them to a vote early next week. They both relate to equalization of voting strength in the league of nations.

Troops to Relieve Congestion.

New York, Oct. 20.—Five hundred soldiers of the regular army were landed here to-day from the transport George Washington to attempt to end the congestion at the army piers in Brooklyn caused by the longshoremen's strike.

The men are under orders "to shoot if necessary," according to a statement made by Brig. Gen. Peter Davison, chief of troop movements at the port of embarkation. "The troops will aid in moving transports or whatever else is necessary," said Gen. Davison.
