WALHALLA, S. C.

WEDNESDAY, NOV. 19, 1919.

AN ATTORNEY ON ALCOHOL.

The following wonderful piece of word painting has been frequently published, says the Chicago Tribune, but we reprint it at the request of several readers who desire a complete copy.

"I am aware that there is a prejudice against any man who manufactures alcohol. I believe that from the time it issues from the coiled and poisonous worm in the distillery until it empties into the jaws of death, dishonor and crime, it demoralizes everybody that touches it.

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all the gripped misery.

The very first dose opens your clogged-up nostrils and the air passages in the head, stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store.

One of the most enjoyable social events of this season took place at the hospital home of Mrs. Susan Logan on Sunday, Nov. 2, from 9 till 5 o'clock, when about 56 gathered to celebrate Mrs. Logan's birthday.

At noon a long table was prepared, and it was spread with good things to eat. It seemed that the Lord blessed the table as He did when He fed the five thousand. There were basketsful left.

When the hour came to part all bade the good mother God-speed and wished her many more happy birthdays and reunions.

Mr. and Mrs. Knesht are visiting in Georgia.

Mrs. J. L. Watt and Miss Catharine Watt were shopping in Westminster last week.

The ladies of the Baptist church organized their teams Sunday night for their part of the 75 million campaign.

We are not only going to do our part, but go "over the top."

We would like to see more of the older folks at prayer service, as there are scarcely any leaders.

The young people are doing their part, but we need a few more older brethren to give encouragement and brace us up.

It is rumored that Mrs. J. R. Cleland has bought a house and lot in Westminster and will move there in the near future.

Paul Cleland, Clark and Fred Arve, who are working in Toxcoo, spent the week-end with home folks.

D. L. Cleland, of Atlanta, visited here last Thursday.

The Quinine That Does Not Affect the Head

Because of its tonic and laxative effect. LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of H. W. GROVE, 30c.

BACK IN '05.

(Mt. Olive, N. C., Tribune.)

A relative of the parties named therein has submitted to us for publication the following interesting letter. Though written in 1865—the last year of the Civil War, 55 years ago—in long hand, it is still perfectly plain, and we are setting it from the original copy. You think you know something about high prices. Read this letter and be cured of your complaint.

The writer, Mr. Elmore, was for many years prior to his death, a few years ago, a resident of the Seven Springs community. The letter was written to his sister-in-law, Miss Susan A. Swinson, later Mrs. Susan House, of the Bear Marsh neighborhood.

"Wilmington, N. C., Jan. 10, 1865.

"Dear Sister:

"I will write you a few lines to let you know that I am well. Hope this may find you and the family well.

"I received your letter last night and was glad to hear from you. Mr. Loftin brought all of my things but the eggs. He left them with Pollock.

"I am glad you have gotten some one to plough for you. I hope you may get along and make a plenty to live on this year. I want you to buy me some potatoes from Nancy Sollis. She sold Giles Loftin some at ten dollars per bushel. If you can get them, get five bushels, and when Mary comes, she can bring them to me, and I will send the money to pay for them when she goes back.

"Potatoes here are worth from \$30 to \$40 per bushel; eggs \$10 per dozen; chickens, \$10; spun cotton, \$60 to \$65 per bunch; cotton cards, \$50 to \$75 a pair.

"Your loving brother,

"Richard Elmore."

EASES A COLD WITH ONE DOSE

"Pape's Cold Compound" then breaks up a cold in a few hours.

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all the gripped misery.

The very first dose opens your clogged-up nostrils and the air passages in the head, stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store.

It acts without assistance, tastes nice, contains no quinine—insist upon Pape's!—adv.

The Logan Reunion.

One of the most enjoyable social events of this season took place at the hospital home of Mrs. Susan Logan on Sunday, Nov. 2, from 9 till 5 o'clock, when about 56 gathered to celebrate Mrs. Logan's birthday.

There were present 4 children, 44 grandchildren, 9 great-grandchildren and a number of friends. The presents received by the good mother were great in number and most beautiful.

At noon a long table was prepared, and it was spread with good things to eat. It seemed that the Lord blessed the table as He did when He fed the five thousand. There were basketsful left.

The afternoon was spent in hearing good talks by Mr. Brock, of Seneca, and others, and singing was also on the program.

When the hour came to part all bade the good mother God-speed and wished her many more happy birthdays and reunions.

TANLAC QUICKLY

CAVE MUCH AID.

"All My Ailments Have Been Relieved," She Says.

HAD SUFFERED MUCH.

Declares She Is Glad to Recommend

Tanlac as a "Fine Tonic."

"When I had taken the first bottle of Tanlac I was in much better health generally and all my ailments had been relieved," declared Mrs. M. J. Casey, of 30 Kennedy St., Spartanburg, S. C., in a statement describing the painful ailments with which she suffered, and telling of the great improvement Tanlac quickly made in her condition.

Mrs. Casey's statement follows: "I suffered from stomach trouble and I just felt badly all over," said Mrs. Casey. "I was tired and no account all the time. My appetite had almost left me, and it was seldom that I ever could find anything to eat that I really wanted. Everything I ate hurt me, and after meals I felt puffed up about my stomach. I had heartburn also. In fact, I nearly burnt up with it. That ailment was awful.

"Frequently I had dizzy spells and headaches. My general health was bad. I knew I needed some kind of medicine, but it seemed that I just could not find what I needed. But at last I decided to try Tanlac. The medicine gave me quick results, and I certainly can praise Tanlac for the way it improved my health.

"When the first bottle was taken, I was in much better health generally and all my ailments had been relieved. It gave me a good appetite and helped that heartburn right away. I am glad to recommend Tanlac, for it is such a fine medicine, and I will get more of it if I ever need it again.

Tanlac, the master medicine, is sold exclusively by Bell's Drug Store, Walhalla; J. C. Cain, Oakway; Salem Drug Co., Salem; Seneca Pharmacy, Seneca; Stonecypher Drug Co., Westminster; Hughs & Dendy, Richland.—adv.

Card of Thanks.

Editor Keowee Courier:

Please allow us a small space in the columns of your valuable paper to thank our friends and neighbors who were so kind and good to us during the last illness of our dear sister and daughter, Carrie Dickson. May they, too, find help and comfort in time of trouble.

W. I. Dickson and Mother. Westminster, Rt. 4, Nov. 7.

Ask for "HILL'S"

FIVE MILLION PEOPLE USED IT LAST YEAR

HILL'S CASCARA BROMIDE QUININE

Standard cold remedy for 20 years—no tablet form—safe, sure, no opiates—breaks up a cold in 24 hours—relieves grip in 3 days. Money back if it fails. The genuine box has a Red top with Mr. Hill's picture. At All Drug Stores

Rainfall and Temperature.

Below is a record of meteorological observations taken by H. W. Brandt, co-operative observer of the Weather Bureau of the U. S. Department of Agriculture, during the week ending November 9th, 1919, at 7 p. m. (The instrumental readings are from government standard instruments exposed in the manner recommended by the chief of the Weather Bureau):
