

Money Is Not the Chief Thing

In life or in the Kingdom of God. Yet if God's people are to adequately discharge their duty to others in the world, large cash funds must be available for this purpose.

And one-fifth of all subscriptions to that cause should be paid in before that time.

Missionaries at home and abroad will be retarded in their work, colleges and seminaries will be crippled, aged ministers will be seriously embarrassed, orphan children who look to us for food, clothing and training for citizenship may be compelled to go hungry, the sick and suffering who are seeking aid from our hospitals must be denied admission for lack of room, and immortal souls at home and abroad will be lost if we do not respond promptly with what we have promised for carrying forward God's work.

23,000,000 People Are Unsaved

Within the territory of the Southern Baptist Convention there are 23,000,000 men, women and children above twelve years of age who are not Christians. Southern Baptists have a large responsibility in reaching these people for God.

What are you doing in your community to right this situation?

COUNTY AGENTS' NOTES.

The first of three meetings for the formation of a Jersey Bull Association was held at Richland, has been successful. The farmers in that section are unanimously in favor of joining the association. At the meeting last Friday night C. L. Verner was elected director for the block. Two, or possibly three, other districts are to be organized this week.

In regard to the bull associations, the Clemson News Notes state: "One good, pure-bred bull, properly handled, is sufficient for a herd of 40 or 50 cows. The calves from this herd, at one year old, will be worth \$20 more per head than if they had been from a scrub sire." This means that a good, pure-bred bull will increase the value of 40 calves by at least \$800; so three good bulls would increase the value of 120 calves by at least \$2,400. So it is easily seen that a good, pure-bred bull is worth a great deal to a community.

Farmers of Blue Ridge School District held a meeting Saturday, April 10th, to see what steps could be taken to drain the creek which runs near the school and empties into Coneross creek. County Auditor D. A. Smith made a talk on school taxes for their district and the county agent told of the steps to be taken for drainage under the South Carolina drainage law. The bureau of public roads has been requested to send an engineer to look over the ground and advise the farmers interested in regard to the advisability and methods of draining the creek.

County Agent.

DR. MOREHEAD, OF LUTHERAN Church, Tells of Conditions in Europe as He Saw Them.

The Courier is permitted to give here a few short extracts from letters written by Dr. Morehead to the Lutheran Council:

"I have to-day (March 4) been notified of the arrival of 504 bales of clothing in the city of Vienna. Pastors and people are overjoyed by this gift. It is most timely and will be deeply appreciated. I am sorry to say that several of the bales have been torn open and part of the contents stolen. However, our friends of the Child Fund tell me that if we "get by" with the loss of no more than 10 per cent, we shall be more fortunate than they. We have lost over 5 per cent so far. This clothing effort has been a wonderful achievement of our Lutheran people in America for the comfort and blessing of their brethren in Europe."

Germany.

"I feel that it will be necessary for me to make another visit to Germany for personal investigation as soon as practical. By the time I get there the food houses will be in operation. The crisis in Germany will arrive a month later than here (in Austria.) Hence I hope to be there to help at the opportune moment."

The Use of Funds.

"Do not be anxious about the exhaustion of all the funds now in the treasury before the drive! The fact is that all that we have—and ten times more—are immediately needed in the field. It is better, however, to be a little slow rather than to make mistakes, or not to make the best use of trust funds."

Of the Lutherans in German Austria he writes that "Liberalism" cannot get a foothold. They and their pastors are true to the old Gospel. "Liberalism" has not enough vitality to flourish in these appalling sufferings and distresses. The old saying is still in force, "Truth crushed to earth shall rise again. The eternal years of God are hers, but error, wounded, writhes in dust and dies amid her worshippers."

Lutherans in America must raise \$1,500,000 for the immediate need of the suffering, and \$300,000 for the foreign mission work.

The commission saw a pressing need for more than double this sum, but this was pared down, hoping the hearts of the Lutheran people would be moved to go beyond it.

"I cannot keep from praying every day," continues Dr. Morehead, "that our God may move the hearts of our people to give more than \$1,500,000 for this stupendous task 'over here.' Above all, I beg you to ask all the pastors and people of our dear home church to pray, and pray, and pray again, that God may guide all efforts and bless all gifts, and make fruitful all work for the safety and development of His dear church, to the glory of 'the Name above every name.'"

"The need in all these countries is overwhelming in extent and heartbreaking in its poignancy. May God give us all in favored America the grace, faith, wisdom and spirit of sacrifice sufficient to the mighty task of ministering to our suffering church in Europe. I am unable to conceive it to be possible in limited human language for you to put the

IN POLICE COURT.

There was not a great deal happening among the "bad boys" of our town during the past week, as the record below will show:

Wm. Roach—Drunk. Fine of \$15 was paid.

Rosine McCall, John Smith, Maxey Lee—Loitering on street. The first defendant forfeited a bond of \$5.00 by failing to appear in court, and the other two received each a sentence to pay a fine of \$3. Fines paid.

Charlie Cox—Transporting liquor. Trial by jury. Verdict: "Not guilty." Nothing more at present. Oh, yes, we slipped up again last week in recording the proceedings. J. E. Ferree forfeited a bond of \$30.00. By error we reported the forfeiture at \$20.

Missionary Institute.

A missionary institute for the W. M. U. of the Northwestern Division will be held with the First Baptist church at Greer, on April 27, beginning at 10.30 a. m. and closing with afternoon session.

As the delegation from each organization is not limited, you are urgently requested to send a full representation. Please send names of delegates to Mrs. J. D. Ashmore, at Greer, S. C., stating whether you will be there for the day only, or will be compelled to remain over-night.

Please pass on this invitation to the leaders of the Junior W. M. U. organizations in your church. Cordially yours, Mrs. F. G. James, Vice President of Division.

Met Death by Automobile.

Greenville, April 19.—Ransom A. Seawright, 24 years old, of this city, was instantly killed when the motorcycle he was riding collided head-on with an automobile driven by D. C. Brown, of Asheville, N. C., just outside of the city Sunday.

Brown and the six other members of his party are in jail, having been held accountable for the accident by a coroner's jury later in the day.

They gave their names as Sol Rubin, Charles Gross, M. Edinger, M. Ornstein, H. Goldberg and Sam Lahitt, all of Asheville.

case too strongly to our church in America. In a perfectly literal sense our vocation is to rescue the perishing—physically, morally and spiritually—on a continental scale. Pray for me.

"Thousands of people are out of work in Berlin, and are ill and dying of tuberculosis and influenza, caused by undernourishment and lack of clothing. Germany is in a most distressing condition, economically, morally and spiritually. It is far worse now than in the summer.

"Referring to a statement in one of our church papers that nothing has been said by our commission about the work for children, and suggesting a channel other than the council, it should be stated that it has been taken for granted that all understand that Lutherans dwell in families. When aid is given through inner mission agencies for relief work, the children of our poor are of course reached, and that through church channels. Besides, we have done something for children only—that is, through the work of Baroness Shacky."
