

Five South Carolinians Sail As Missionaries for China and Chile

(1) Miss Clifford Irene Barratt, Breezewood, evangelistic work, Pochow, China; (2) Miss Grace Stribling, Westminster, educational work, Kalfeng, China; (3) Miss Hannah Jane Plowden, Kingstree, evangelistic work, Soochow, China; (4) Millard Theron Rankin, Williston, evangelistic work, Canton, China; (5) Miss Cornelia Brower, Sumter, educational work, Temuco, Chile.

From the larger proceeds of the Baptist 75 Million Campaign the Foreign Mission Board of the Southern Baptist Convention has been enabled to send out more than 100 new missionaries since that movement was launched. It is announced, and of that number sixty young men and women, representing fourteen states, have just sailed for China, Japan, Africa, Brazil, Argentina and Chile. In addition to these, Dr. and Mrs. Everett Gill of Kansas City will sail September 14 to become representatives of the Board in Europe, while Dr. and Mrs. W. A. Hamlett of Austin, Texas, have just sailed for Jerusalem, where they will maintain headquarters in acting as the Near East representatives of the Board.

The new missionaries to China and Japan sailed from Seattle, Saturday, August 27, on the Hawkeye State of the Admiral Line, while those for Brazil, Argentina, Chile and Africa sailed from New York on the Aeolus August 17. They will be engaged chiefly in evangelistic, educational, medical and agricultural work and will be stationed at various points in these fields. While a large number of new workers have been sent out by the Board since the beginning of the Campaign, at least 100 other capable young men and women could be employed to advantage if they were available, Secretary W. F. Love advises.

Mission Money Gets Results. Of the more than \$25,000,000 that has been collected in cash on the 75 Million Campaign to date, about \$5,000,000 has gone to foreign missions. This has made it possible not only to strengthen the old work on all fields but to launch a large number of new missionaries, but to do much other work, including building or making substantial additions to 15 boys' schools, 17 girls' schools, 37 mission residences, five hospitals and dispensaries, four light and power plants for mission compounds, 26 church buildings, four colleges, seven theological seminaries. In addition, assistance has been given seven church building loan associations, six new stations have been opened and equipped, land has been bought for the enlargement of several mission compounds, a home for orphans in Italy has been established, and a block of ground has been purchased in the heart of Rome for headquarters for the work in Italy, a theological seminary, publishing house, church and mission residence being provided on this property.

Enlarge European Field. As a result of the Campaign, Southern Baptists have been enabled to greatly enlarge their work in Europe. They have carried on mission work in Italy since 1870, but now they have opened up new work in Jugo-Slavia, Hungary and Roumania, and have made a beginning, through the distribution of Bibles, in the Ukraine and Southern Russia and Siberia. To act as the European representatives of the Board in this enlarged program, Dr. and Mrs. Everett Gill of Kansas City were recently named. They will probably make their headquarters in Switzerland.

The first work Southern Baptists have ever done looking to the evangelization of Mohammedan lands has just been undertaken in Palestine and Syria, and Dr. and Mrs. W. A. Hamlett of Austin, Texas, have gone to Jerusalem, where the

work of the native evangelists. It is planned to establish a church, theological seminary and college, hospital and orphanage at Jerusalem as soon as practicable and thus seek to reach other points in Palestine and Syria from this center. Minister to 900,000,000 People. With the enlarged foreign mission program of Southern Baptists that denomination is now operating in 18 countries on every side of the globe, and has in its employ practically 500 foreign missionaries and twice that number of native workers trained in the mission schools. Through its present missionary operations the Board is seeking to minister to 475,000,000 yellow people, 4,000,000 brown people, 300,000,000 black people and 225,000,000 white people, making a total of 900,000,000 people, or more than half the population of the globe. Numbered among its workers already on the field are 21 foreign physicians and 8 foreign mission nurses who last year gave 154,070 treatments. There are now 611 mission churches on the foreign fields and of this number 184 are self-supporting. The average contributions of these mission churches last year to denominational causes was \$5 per member, the Christians on the foreign fields responding more liberally as a result of the 75 Million Campaign.

HONOR ROLLS.

- Oconee Creek School.**
The following pupils have maintained an average of over ninety:
First Grade—Frank Carpenter, Woodrow Wilson, Clyde Johnson, James Owens, Katie Bell Orr, Elvora Rogers, Annie Nichols.
Second Grade—Inez Wilson, Viola Wald, Paul Rogers.
Alma Alexander, Teacher.
Third Grade—None.
Fourth Grade—Joyce Hughes, Ressie Owens, Ala Wald, Gladys Taylor.
Fifth Grade—Pearl Carpenter, Ada Heaton, Evaline Hall, Carl Taylor.
Lillie Hall, Teacher.
Sixth Grade—Ed. Bell, Nannie Orr, Blanch Hughes, Bruce Murphree, Eula Rogers.
Seventh Grade—Lent Hall, Clifton Addis, Ressie Morgan, Eunice Johnson, Eva Addis, Ernest Murphree, Vadie Sherman, George Taylor, Annie Rogers, Richard Owens, Willie Carpenter.
Eighth Grade—Rufus Murphree, Irona Hall, Annie Addis.
Ninth Grade—Robert Bell.
Annie E. Cason, Principal.

Fifth Grade—Harrison Lee 91,

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn or corn between the toes, and the calluses, without soreness or irritation.—adv.

The Mexican government has opened a permanent agricultural exhibit in the United States.

TEN ARE KILLED IN EXPLOSION.

Second Serious Fire at Atlantic Refining Co.'s Plant at Breeze Point.

Philadelphia, Pa., Sept. 14.—Ten men were killed to-day and more than a score injured, several of whom are expected to die, in the second serious fire to visit the big Point Breeze plant of the Atlantic Refining Company in a month. Three more men are reported missing, and they may have been burned to death beneath the flaming tanks of petroleum.

The fire was preceded by a terrific explosion, which killed several of the workmen instantly and drenched the others with flaming oil. Only prompt action by the company's organized rescue squads prevented the death list from mounting higher, so witnesses declared.

The explosion occurred in the north section of the yard, where several hundred men are employed in the manufacture of naphtha. Many of these work in underground tunnels where fires that boil the crude product into naphtha are maintained.

Some of the dead were trapped in these tunnels by rivers of liquid fire let loose upon them by the blast.

It is feared that the three missing men were caught in these tunnels, and no hope is expressed for them if such be the case.

Physicians reported that several of the injured were probably fatally burned. Close to a score were so badly hurt that they had to remain in the hospital, while a few others were sent to their homes.

Officials of the Atlantic Refining Company were unable early to-night to explain the explosion. The first explosion was on Aug. 14, when five men were killed and property damaged to the extent of a million dollars.

PREPARED BY THE MOTHERHOOD AND THE BABY, FREE LABORATORY CO., DEPT. 9-D, ATLANTA, GA.

THE AUDITING DEPARTMENT

of Blue Ridge Will Be Moved to Anderson from Washington Oct. 1.

(Anderson Mail.)
Announcement is made this morning by William Archer, superintendent of the Blue Ridge railway, that the auditing department of this railroad will be moved to Anderson Oct. 1st, 1921, and that plans are now being made to prepare the offices they are to occupy. The bringing of the auditing department of this railroad to Anderson again means a great deal for the people of Anderson and for the patrons of the Blue Ridge railway in general, in the matter of expediting claims and adjustment of them. The removal will also mean the employment of some ten persons in this department of the railroad.

The auditing department of the Blue Ridge was formerly located in Anderson, and the offices occupied the upstairs of the building now used by the Anderson Storage Battery Co. and Stuart & Brown. These offices were moved to Atlanta seven years ago, and there they were consolidated with other subsidiary lines of the Southern Railway, and were handled in connection with some seven or eight other lines of about the same size as the Blue Ridge.

In March of this year, however, the general office was moved from Atlanta to Washington, and the next change is the separation of the various lines and the removal of the records of the railroad back to Anderson.

The past records of the railroad are very voluminous and space is being arranged now for their storage. A great quantity of these records will be brought to Anderson before the first of next month, and the offices will be all ready for the force to move in and take charge.

The office here will be under the supervision of J. M. Forney, general auditor of subsidiary lines of the Southern railway, whose headquarters are at Danville, Va. The local office will be in charge of O. H. Patrick, chief clerk. A force of from six to eight assistants, stenographers and clerks will come to Anderson from Washington.

The Quinine That Does Not Affect the Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness, nor ringing in head. Remember the full name and look for the signature of E. W. GROVE, 30c.

MOTHER WITH CHILD PLEADS

With Governor to Save Life of Husband—Declines to Interfere.

Columbia, Sept. 16.—Mrs. S. J. Kirby's oral plea for executive clemency for her husband, made to Governor Cooper Wednesday afternoon, will not have official consideration from the Governor. It was stated at the Governor's office Thursday night that, unless a petition was filed with the executive, no consideration could be given to the plea for clemency.

Mrs. Kirby and her 11-year-old daughter called on the Governor today and asked that he change the sentence from death to life imprisonment. Mrs. Kirby gave as her reason that her husband had often been subject to temporary periods of insanity.

It is also stated that relatives of Gappins will make a similar plea to the Governor. C. O. Fox is resigned to his fate. His aged father, who is here, states that his only concern is the eternal welfare of his son's soul. He has advised the boy to try to get right with God.

Fox, Kirby and Gappins are under death sentence for the murder of William C. Brazell, Columbia taxicab driver.

200 GALLONS FOR PERSONAL USE

Permit to Make Wine or Fruit Juice Must Be Obtained.

Hartford, Conn., Sept. 15.—Among more than five thousand letters received recently seeking information as to permits for the making of home-made wines or non-intoxicating fruit juices were those of at least a dozen clergymen, the revenue bureau announced to-day. It was also announced that heads of families could manufacture two hundred gallons of wine per year, provided a permit is obtained.

Must File Notification.

Washington, Sept. 15.—Internal revenue bureau officials frankly acknowledged to-day that heads of families may, upon filing of notification with local revenue collectors, manufacture two hundred gallons of wine yearly for home use.

Treasury regulations making effective such a provision of the law were issued by Internal Revenue Commissioner Roper with the approval of Secretary McAdoo in October, 1918, and because of the general lack of public knowledge respecting the provision Congress has never enacted legislation nullifying it, officials said.

The law applies specifically to exemption from payment of tax, officials pointed out, but its application makes the manufacture of wine at home possible, provided the manufacture is by the head of a family and the wine produced be not sold or otherwise removed from the place of manufacture.

UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Walhalla. No Walhalla resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

W. S. Grahl, blacksmith, Spring St. Walhalla, says: "I hurt my back many years ago and since then I have been troubled with kidney complaint. When I have one of these attacks, severe pains shoot through my kidneys and these organs do not act as they should. I have dizzy spells and severe pains in the back of my head. I have used Doan's Kidney Pills whenever an attack comes on and they have never failed to quickly relieve me. I think Doan's are a wonderful medicine." (State ment given Dec. 17, 1914.)

On April 9, 1918, Mr. Grahl said: "I am glad of another opportunity to say a good word for Doan's Kidney Pills and believe Doan's have effected a cure. I advise anyone suffering from kidney complaint to give this remedy a trial."

PARALYTIC KILLED BY FAMILY.

Wanted to Get Rid of Him—Whole Family Given Life Imprisonment.

Columbia, Sept. 15.—Mother and daughter, son and two male friends of the family were sentenced to life imprisonment in the State penitentiary by Judge Seuse in the Lexington court Thursday for the killing several weeks ago of Marcellus Cook, aged farmer of the Steadman-Batesburg section of Lexington county, and the five were brought to the State bastille Thursday afternoon. The verdict was by consent of attorneys on both sides.

The prisoners are Mrs. Julia Cook, wife of the dead man, who was charged with having instigated the crime; Ira Cook, her son, who cut his father's throat from ear to ear; Minnie Cook, daughter of the slain man, who held his feet while the crime was committed; Henry Wheeler, a young friend of the family, who was said to have been engaged to Mamie Cook; and James Barfield, Sr., also a friend of the family, who was accused of having plotted the undoing of the senior Cook.

Only a few witnesses were sworn at the trial Thursday morning. G. Croft Williams, secretary of the State Board of Public Welfare, and Miss Louise Bishop, psychiatrist for the board, testified that the defendants were all persons of a low degree of intelligence. They had been indicted for murder, but attorneys for the defense and the solicitor agreed to a verdict of guilty with recommendation to mercy, and Judge Sease instructed the jury to bring this verdict. The sentence was then imposed—life in the penitentiary.

COLUMBIA MAN SLAIN BY POSSE.

Alleged to Have Attempted to Run Blockade with Whiskey Auto.

Waynesboro, Ga., Sept. 14.—A. P. Peake, an alleged liquor runner of Columbia, S. C., was instantly killed near here to-night in an exchange of shots with a sheriff's posse when Peake and his companion, L. C. Miller, of Lexington, S. C., attempted to evade a blockade set by officers on the Dixie highway from Savannah.

The automobile escaped, but officers pursuing located it two miles from the blockade, Miller surrendering and telling the officers of Peake's death. Peake was found in the car, shot through the head.

Officers allege that several cases of liquor were found in the car, and Miller is being held in the Burke county jail on charges of violating the Federal prohibition laws.

A coroner's inquest was held over Peake's body and a verdict found that the dead man came to his death "while resisting arrest for the illegal transportation of liquor."

Alex. Peake was a son of Mr. and Mrs. J. M. Peake, living at 1425 Taylor street. Mr. Peake was informed of his son's death last night and the body will be brought to Columbia for interment. Alex. Peake was about 25 years of age and was well known. He is survived by his widow, father, mother and several brothers and sisters.—Columbia State.

REV. MR. FRAZER HAS RESIGNED

As Rector of Grace Church Pastorate, Anderson, and Other Churches

(Anderson Mail, Sept. 15.)
Rev. Guy Frazer has tendered his resignation of the Grace Episcopal church pastorate, and the vestry held a meeting and accepted the resignation. In the note of acceptance was expressed regret that Mr. Frazer had decided to leave his pastorate, and it was stated that his resignation was received with reluctance.

Mr. Frazer came here in December, 1919, and will leave about the first of November, going to Palatka, Fla., where he will be rector of St. Mark's church. Mr. Frazer has lived in Florida before, and his parents live in Jacksonville. He may have been one of the inducements which made him give up his pastorate in this city. He will have the best wishes not only of the congregation of Grace church, but of many other friends that he and his wife have made since coming here, in their new home.

The above will be read with regret by many in Walhalla and Seneca missions, where Mr. Frazer has been engaged in pastoral work in connection with the Anderson pastorate. His resignation at Anderson will leave Walhalla and Seneca without a minister until such time as new arrangements can be made.

Rev. Mr. Frazer will carry with him the best wishes of the people of Walhalla, who will sincerely regret his removal from this section.
