—Mr. and Mrs. A. D. Pinkham, of New York city, are spending some time with Mrs. Pinkham's mother, Mrs. L. T. Simmons, in Walhalla. They have visited Walhalla before and have numerous friends here who are glad to welcome them to our midst again.

—The Paul Hayne Circle held its first meeting of the new year at the home of Mrs. John Ansel on Jan. 6. Sixteen members answered to roll-call. The literary program for the afternoon was an interesting one, comprising readings by Mrs. Dundy and Mrs. Hetrick, followed by a solo beautifully sung by Mrs. Verner, accompanied on the piano by Mrs. Pitchford. During the social hour the hostess, assisted by Mrs. Geo. Ansel and Mrs. Verner, served a delicious sweet course.

—Henry Ford is the great price-reducer of America. In this issue of The Courier will be found the announcement of the Piedmont Motor Co., of Walhalla, local distributors of Ford cars, in which it will be noted that the new price on the Ford touring car is \$348, with other styles reduced in proportion. This makes the touring car \$2 below the pre-war price, which was \$350. Note the new schedule of prices, which, of course, are f.o.b. Detroit. Added to the prices quoted will be freight charges and war tax.

—Hot coffee at Shirley's, Seneca, S. C.—adv.-2-3.

—W. A. Grant and R. C. Carter spent Monday afternoon and night in Spartanburg attending a get-together meeting and banquet of the Ford dealers of this section of the State. The occasion was in celebration of the fact that the Charlotte division of the Ford sales aggregation was successful during the past months in disposing of the largest per cent of Ford cars allotted to them. The Detroit division was second in this contest and New York third. Messrs. Grant and Carter stayed over in Spartanburg in order to hear Billy Sunday on Monday night. The trip was a delightful one and greatly enjoyed by the representatives of the Piedmont Motor Co. of Walhalla, who have a record themselves that is quite enviable for putting out Ford cars, their allotment being almost always sold as fast as received.

—For wagon timber, wagon tires and buggy supplies see our stock. We trade you service for business. J. H. ALLEY, West Union, S. C.—adv.-3-6

—Married, on Sunday, Jan. 15th, at high noon, by D. A. Smith, deputy Clerk of Court, at his residence at Walhalla, Miss Pauline Herring, of Seneca, and Lewis Westmoreland, of Greenville. They motored to Walhalla in company with the bride's sister and brother, Miss Mittie Lou Herring and Ray Herring, who witnessed the ceremony. Immediately after the ceremony the happy young couple left for Greenville, their future home. Mrs. Westmoreland is a daughter of Mr. and Mrs. B. S. Herring, who live at Seneca, and who for a number of years lived in the Tokeena section of this county. She has quite a large number of friends in Oconee, as she was a great favorite in her set. Mr. Westmoreland is a son of J. H. Westmoreland, of Greenville, and is engaged in electrical work with his father. We join with others in the wish for the young couple that they may be blessed with abundant happiness and prosperity through life.

—Hot chocolate at Shirley's Seneca, S. C.—adv.-2-3.

—The announcement of the death of two highly respected colored people of Walhalla will be received with genuine regret by white and colored people alike in Oconee wherever they were known. Phillip Mattison, well known to the people of Oconee, he having been one of the prominent and well-to-do colored men of this section, died at his home, just out of Walhalla, on Saturday, Jan. 11th, and was buried on Sunday afternoon, the 12th, large crowds attending the funeral, for he was well known to our colored population and held the respect of all. He had been in poor health for several years, having suffered a partial stroke of paralysis, which rendered him incapable of continuing the active life to which he was accustomed as a farmer. He was about 60 years of age and leaves his wife and several children to mourn his death. * * * One of the saddest deaths we have heard of recent-

ly in this section was that of Belle McFall, who was found unconscious on Main street (West End) on Tuesday evening of last week, shortly after 6 o'clock, by her husband, Wm. McFall, who was returning to his home from downtown. Belle had been at a home of her white employers and was returning to her own home after having finished the work of the day. When she got to what is known as the old Ephraim Cobb lots she sank to the ground, exhausted and almost unconscious, and was unable to rise. Some four and a half later William McFall, coming from his work, discovered her prostrate form. She had been lying there in a cold rain, and inquiry from her husband as to what was the matter elicited only the scarcely audible response, "I just gave out." She was taken to the home, only a few hundred yards distant, where everything possible was done for her, but without benefit, and she died Wednesday morning last about 11 o'clock. Belle McFall was one of the young colored women of the old school—industrious, courteous and jealous of her reputation at all times, leading an exemplary life and having the highest respect of all, white and colored alike. We have heard more expressions of sincere regret at the occurrence of the two deaths above referred to than to any we recall at the passing of colored citizens. Their removal from the community by the hand of death has made a profound and sorrowful impression on all who knew them. Belle McFall was about 40 years of age and is survived by her husband and other relatives. She was a daughter of a former-pastor of the colored Methodist church here whose name we do not now recall. The funeral took place last Thursday and the interment was made in Flat Rock cemetery, as was also that of Phillip Mattison.

—The best line of cigars in town, at Shirley's, Seneca, S. C.—adv.-2-3.

—Born, unto Mr. and Mrs. Karl Harris, of Wauchula, Fla., on Dec. 20th, a daughter. Mrs. Harris before marriage was Miss Carrie Grant, of Walhalla, and has many friends in this section who will be glad to learn of the advent of little Esta Lucille into the home.

—See the Keowee Trail in motion picture at the Walhalla High School Auditorium on Friday, Jan. 20. Admission, 15 and 35 cents.—adv.

—We are requested to announce that Rev. J. F. Fowler will preach at New Liberty Baptist church on the fourth Sunday, Jan. 22, at 11 a. m. The Sunday school at that place is progressing nicely, and all the people of the community are invited to attend and help make the Sunday school one of the best in the State.

—On another page of this issue will be found the advertisement of Caro-Vet Egg-Producer. The manufacturers announce a reduction of the price of their product, but their letter reached us too late for the correction to be made in their advertisement. Purchasers will take note of the fact that the price has been reduced from 80 cents to 50 cents per box.

—At the directors' meeting of the Bank of Walhalla, which was held yesterday, the 17th, the following officers were elected: W. L. Verner, president; Dr. J. W. Bell, vice president; S. L. Verner, cashier; Lewis C. Harrison, assistant cashier; George Kaufmann, teller. W. L. Verner tendered his resignation as cashier and was elevated to the presidency. His resignation was due to the fact that he desired to relinquish the more active duties of cashier, he having held that position ever since the Bank of Walhalla was organized and held the same position previously, when the institution was a private bank. The entire board of directors was re-elected. The Bank of Walhalla is in fine condition, and 1922 gives promise of being a most successful one, with the bank in position to render its customers every reasonable business accommodation.

—The Keowee Trail, the historical pageant of this section, which was staged in Greenville on Armistice Day, and which created State-wide notice for the magnificence and stupendousness of its presentation, will be shown in motion pictures at the Walhalla High School Auditorium on Friday of this week, beginning at 7 o'clock. There will be a continuous performance, and in connection with this picture a three-reel comedy will be shown. The price

of admission will be 15 and 35 cts. You cannot afford to miss this super-attraction. The presentation is under the auspices and for the benefit of the Civic League of Walhalla and is deserving of your liberal patronage. The members of the Civic League are at some expense to procure this wonderful offering, and through the courtesy of Manager James Wilson, of The Star Theatre, they are enabled to secure a first-class picture machine with which to project this beautiful and historical feature. It should be of deep interest to the people not only of Walhalla, but of the entire surrounding country. Remember, therefore, the date—Friday, Jan. 20th. The hour for the first show will be 7 o'clock, and continuously thereafter for two complete presentations. The Keowee Trail is said to be a wonderful picture with abundant local color. Don't let anything interfere with your being present at one of the performances.

Mr. and Mrs. Melton Lusk, in company with Misses Anna Southard and Miss Virginia Southard and Miss Lurleen Blair, motored to Seneca on Saturday, and were among those who attended the teachers' meeting held at the Seneca High School Auditorium.

Lawrence T. Bell, who moved with his family to Waldo, Fla., some time ago, reports conditions favorable in Flaca, Fla., though living costs are somewhat higher than in South Carolina. He says the weather is fine down there—and so is up here just at present, especially on the fellow who may have a fine hog to kill.

The Fairfield Rural School Improvement Association will hold its next meeting on Friday, Jan. 27th, at 3 o'clock. The program will be a good one. Let all attend the meeting and show an interest in the school.

If you intend to put up a building or have a repair job ahead of you, you'll be wise if you promptly decide to use genuine

"TIDE WATER" CYPRESS "THE WOOD ETERNAL"

It's common knowledge with people who are posted that **Cypress buildings provide poor picking for people who enjoy repair jobs.** Cypress averts repair bills. Maybe your work won't need the higher grades of Cypress. So much the better for your pocketbook. Your lumber dealer knows what's what. Tell him what you intend to build or repair, and, "The grade you need is the grade you'll get." These are "dollar-stretching" days with prudent people. And don't worry. You'll not be sacrificing **everlastingness** by using the lower grades of "Tide Water" Cypress. Buy it by the trade-mark, shown below, on every board or bundle.
