Methodist.—Rev. S. P. H. Elwell, second Sabbath in each month at 10 1/2 o'clock A. M.

Week before last good rains fell in nearly every portion of this county.

Every farmer should sow him a good patch of barley during this month.

A good rain fell at this place, and north and west of it for several miles, on last Sunday.

Rev. S. P. H. Elwell will preach at this place on Thursday the 25th inst. at 8 o'clock P. M.

The True Southern and Watchman, of Sumpter, have consolidated. It is now a large well edited and nicely printed paper and deserves success.

If worms change the complexion they have a tendency to destroy the vital energies that sustain and promote health and life; therefore, at the first indication of worms, administer Steiner's Indian Vermifuge.

Ayer's Ague Cure is a purely vegetable bitter and a powerful tonic, free from quinine or any mineral substance, and always cures the severest cases.

Julius Brockman, colored, was run over and killed by a train on the Air Line Railroad, near Greenville, on last Thursday night. He had lain down and gone to sleep on the track.

Mr. Thomas Parkins has recently put up a steam cotton gin on his plantation near Liberty station.

Improvements at this place and Easley has caused a boom in shingles and the price has run up from \$2.00 to \$2.50 and \$2.75 per thousand.

Do not neglect the turnip patch.—Sow plentifully for they will be of great service next winter, for stock, as other food will likely be very short.

Buy your Turnip Seed from G. W. Earl, the best in the market.

Attorney's Office.

PICKENS C. H., S. C., Aug. 3, 1881. The County Board of Equalization will meet in this office on Monday, 22d instant, to hear and decide appeals from parties whose lands have been raised by the Board.

J. B. CLYDE, County Auditor.

Mr. Silas Hinkle recently brought several wagon loads of very fine water melons to this place, from his plantation on Cane Creek in the mountains of this County. He very kindly remembered us with a "forty pounder," for which we return thanks.

W. J. Kelley, who it will be remembered shot revenue officer W. F. Gary, was tried at Greenville last week for illicit distilling and retailing spirituous liquors. He was defended by T. H. Cooke of Greenville and R. A. Child of this place. The Greenville News says Mr. Child made a very fine argument in the defense but he was found guilty in both cases. The case against him for the shooting of Gary comes off this week.

TO OUR NEIGHBORS AND CITIZENS.—Many times the question has been asked why the people all go to the Baltimore Clothing House? We will explain it to you, so it may be very easily understood. First; they are popular men. Second; they do not misrepresent anything. Third; they sell you clothing at the price other merchants have to pay for it. Fourth, you save 25 per cent. on the dollar, so you may know that it is to your interest to call to see them. A dollar saved is a dollar gained.

REWARD.—We publish in this issue the proclamation of Gov. Hagood, offering a reward of \$200 for the capture, with proof to convict, of the murderer of Thos. L. Brayton. It is stated that in addition to this and the \$300 offered by the U. S. Government, E. M. Brayton has offered, personally, a reward of \$500, which makes the aggregate \$1,000.

ONLY TEN CENTS.—The small sum of ten cents invested in a sample box of the Kauquita Indian Worm Pollets, may save your child's life. Why not try a box and save the poor suffering one from an ignominious death. For sale by Dr. J. W. Quillian, Easley.

Order the MASON & HAMILIN BABY ORGAN from McSMITH MUSIC HOUSE, GREENVILLE, S. C., and save freight. Price, \$22.

The Pickens County Musical and Sabbath School Convention will meet at Mt. Carmel church on Friday before the fourth Sunday in August.

Convention opened by the President at ten o'clock A. M.

At eleven o'clock, Rev. S. P. H. Elwell will address the Convention in the interest of the Sunday School.

After the organization the remainder of the day will be devoted to music.

On Saturday at eleven o'clock Rev. Hugh McLees will address the Convention of the responsibility in rearing the young. The remainder of the day will be devoted to music.

On Sunday at eleven o'clock Rev. D. Weston Hiott will address the Convention on the subject of Music. The remainder of the day will be devoted to music. Signed by committee,

W. HARDY RAY, J. N. WRIGHT, JAMES BOROUGHS.

PROCLAMATION.

STATE OF SOUTH CAROLINA, EXECUTIVE DEPARTMENT, Columbia, August 12th, 1881.

Whereas, information has been received at this Department, that an atrocious murder was committed in Pickens County on the 20th day of July, A. D., 1881, upon the body of Thomas L. Brayton, by some person unknown.

NEW Store.

Is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-purifier, blood-cleansing, and life-sustaining elements. It is the purest, safest, and most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases, Erysipelas, Eczema, or St. Anthony's Fire, Pimples and Eruptions, Psoriasis, Itches, Boils, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ring-worm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood and cause derangement and decay. It stimulates and enlivens the vital functions, promotes energy and strength, restores and preserves health, and infuses new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair who will give AYER'S SARSAPARILLA a fair trial.

It is folly to experiment with the numerous low-priced mixtures, of cheap materials, and without medicinal virtues, offered as blood-purifiers, while disease becomes more firmly seated. Ayer's Sarsaparilla is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most reliable blood-purifier known. Physicians know its composition, and prescribe it. It has been widely used for forty years, and has won the unqualified confidence of millions who have benefited.
