

LOCAL ITEMS.

There will be religious services in the Methodist Church at Liberty on Saturday and Sunday next (Sabbath).

Micajah Hudson, an old citizen, died on the plantation of Mr. E. M. Berry week before last.

Rev. R. A. Child will have charge of the editorial department of the SENTINEL during the absence of the editor.

Two stalks of cotton have been sent to this office from the plantation of Mrs. F. W. Ridd, in the upper portion of Anderson county, which are, by far, the best we have seen this season. One contains one hundred and ninety-two bolls, and the other one hundred and sixty odd. There was evidently more rain in that neighborhood than elsewhere in this section.

Mr. R. W. Williman recently found an old coin, on the grounds of an old Revolutionary fort, near Six Mile Mountain, in this County, dated 1777. The letters and figures are almost worn off, but by the aid of a magnifying glass the date can be seen distinctly enough to be made out. It is probably an old Spanish coin, and is about the size of a five-cent piece.

I wish, Ferguson, some time ago swallowed something when drinking water, which seemed to lodge in his throat. It remained there for about two weeks, and he became nervous, could not sleep, and fell off considerably in weight. He finally went to the physician of Easley, who gave him a cathartic and he vomited up a small fish bone, and a half or two inches long. Dr. Quilian thinks it is the skeleton of a spring lizard, and that he had lodged, perhaps, in a false membrane of the throat. Ferguson was very much relieved both in mind and body when he got rid of the board.

H. W. Alexander & Co. have moved to their new building, near the depot to McFall's, and will be pleased to have you call and examine their stock of Fall and Winter Goods.

Major J. B. McLucas, editor of the Marion Merchant and Farmer, is sojourning in the publication of the Marion Merchant and Farmer.

FILED IN THE PROBATE AND RECORDS. The Newberry Herd 151 says a house belonging to Mr. Stokes was burned on Thursday last. Henry Sheeley, Jr., narrowly escaped being burnt to death in the fire. A half of his property had been given down and was to remain while the hands went to dinner. Loss \$700 to \$1,000. Insurance.

Major T. B. Mills, of Charleston, has been appointed to the position of Sheriff of Marion County, South Carolina.

NEW COUNTY MARSHALS.—Marion County has just appointed a small number of deputy marshals for several counties in the State, but will send additional marshals, to serve in that State, in a short time. J. B. Hamster, J. S. Pitt, J. B. Robinson, W. Y. Davis, and L. E. Reed, colored, are appointed in Marion County. W. L. Folger and W. C. Gray, in Pickens; R. M. Casey, in Anderson; and J. F. Lacey, in Richland.

Mr. Mary Amanda Boggs, wife of Mr. B. Boggs of our town, died last Monday night, after a protracted illness of 935 o'clock. Mrs. Boggs had been long time a member of the Methodist Church, and in the bright hope of eternal life. Her death may indeed be said to have been a triumphant one. She knew that death was fast approaching, yet she talked calmly and quietly of the "King of Terrors," expressed herself as at perfect peace with her God, and her willingness to go where her Father called. Death came not to sting for her, and she passed long since been robbed of her sorrows. Mrs. Boggs left her husband and three children to mourn her death. We extend to the bereaved family our sincere condolences.

And our papers please copy. H. W. Alexander & Co. have a complete stock of Cashmere, Alpaca, Worsted, Jeans, Clothing, Ladies and Gents Hats, Crochery and Hosiery, Hosiery, Hosiery, and Ladies Boots and Shoes, &c., &c., which they offer at prices to suit the times.

The 15th annual Fair of the Greenville Agricultural and Mechanical Association of South Carolina will be opened on Tuesday, October 21st, on the grounds of the Association in Greenville, S. C., and will continue four days.

The Baptist Church at Greenville has appointed a call to the Rev. J. A. Moody of Warrenton, N. C., who will occupy the pulpit of the church.

Don't tell, Buy the genuine article, and do not expect your money to be thrown away. Shiner's Indian Vermilion is guaranteed if taken according to the directions.

Polishing the Wrong End. Many men daily polish their boots who do not think of the condition of the face, except to borrow it to the paralytic actions of the average barber.

What's new? Why, this: From neglect, the hair has become a mass of tangled, greasy, and of a color of causes the hair to become prematurely gray and begins to fall out. Parker's Hair Balm will cure the itching, itching, and restore the hair to its original color. An elegant dressing, free from grease.

A Witness Worth Hearing.

GRANT CONSERVATION AT MATTHEW SON'S HOTEL, WESTMINSTER, S. C. A LIFE SAVED.—It is Now His VAIN PROMISE.

Mr. H. C. Ervinger of the firm of Ervinger & Goldsmith, large Candy manufacturers Atlanta Ga., cheerfully and gratefully gives the following wonderful facts:

"I reached Westminster August 19th, that night I was seized with a violent attack of Cholera Morbus. Fifteen actions on the bowels occurred in less than four hours. The pains kept on increasing and the actions on the bowels were more frequent. The usual remedies, Peppermint, Peppermint, and Peppermint, were promptly, vigorously and persistently used, but without avail. The symptoms were growing worse and these remedies were more than useless. By a lucky and happy thought Norman's Neutralizing Cordial was procured and one dose, in a few minutes, brought marked relief and four or five more effected a complete cure. Before I began the use of this medicine, I was in the greatest agony, my bowels unchecked, and I was so completely exhausted as scarcely to be able to speak above a whisper. The relief was so sudden and so complete that I could hardly realize it, and I know no bounds to the expression of my gratitude for the remedy that saved me from impending death. I am doing a service to my fellow men in letting them know its merits, that they also may have its aid in time of their danger."

The traveling salesman of the Wholesale Grocery firm of A. C. Wyly, Atlanta, Ga., Mr. Matthewson the Hotel proprietor, and others will cheerfully testify to the above facts. Truly and Gratefully Yours H. C. ERVINGER.

PUT A NEW BRAND ON HIM.

"Women are a necessary evil," he said, bringing down his fist hard on the counter to emphasize the heartless remark. It was in the village where at West Milton, Saratoga county, and the speaker was the central figure of a group of bucolic philosophers. He was homely, slovenly and sixty. "There's where I differ from you altogether," said Mr. George T. Graham, of the same place. "Women are mostly what men make 'em. When husbands are brutes wives will fall into submission or strike home for the men; and they're natural in either character. Love them, and especially be good to them when they're sick, and you'll have no trouble. There's my own wife, now. She's suffered a good deal with dyspepsia, nervous prostration and other ailments that took the bloom off her cheeks, and the spring out of her steps. Well, she saw an advertisement of PARKER'S Tonic, and thought it would be just the thing for her case. Gentlemen, I sent five miles after a bottle. She took it. I sent again after one. So several times. Finally, why, if you could see how much good it has done her you would say that women are the greatest of God's blessings, and PARKER'S Tonic is the best."

These are the facts, and we stop the misleading word. There is no change here, however, in the preparation itself, and all bottles remaining in the hands of dealers, wrapped under the name of PARKER'S Tonic, contain the genuine medicine. The name of the outside wrapper is the same as the name of the inside wrapper.

Woman.

Proclamation: Freedom for women! What is the right of the ballot to woman compared with her privilege of enjoying health and happiness in the charmed circle of her social and domestic relations? Although the many diseases tending to promote the happiness and advancement of the human race, nothing is so intimately connected with the health and happiness of women—the centre and bolter of our highest earthly enjoyments—as the discovery of a remedy which meets her peculiar wants, and fits her for the enjoyment of life, and for insuring to the happiness of those with whom she is associated in the tender relations of sister, wife and mother. This remedy is Dr. J. BRADFIELD'S PINK PILLS FOR PALE PEOPLE, "Woman's Best Friend." By its use, before its magic power, all the maladies of the womb vanish. It cures "whites," suppression of the "menstrues," and removes uterine obstructions. It cures constipation and strengthens the system, braces the nerves and purifies the blood, and thus, doing it, does more for her, and through her, for the whole human family, than any discovery of modern times. It never fails, as thousands of women will testify. Prepared by Dr. J. BRADFIELD, Atlanta, Ga. Price, trial size, 75c; large size, \$1.50. For sale by all druggists.

Advice to Mothers.

Are you distressed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children's Teeth. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives ease and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children's Teeth is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Feb 15, 1y
