SUNTER, S. C.—Dear Sir: It affords me pleasure to say that I have used Sardy's Pertilizer and it has given me great satisfaction. That part of the field where I used it I feel safe in saying will make at least three times as much cotton as that where none was put.

Very respectfully.

PETER MELLET. Very respectfully, Manison, Ga., Nov. 1st, 1869 .- Mr. Sanar-We purchased, last spring, twenty tons of Soluble

Madison, Ga., Nov. 1st, 1869.—Mr. Sarsy—We purchased, instapring, then to be defined to cutton. A drought of about eight weeks cut the crop short, but on land manured with your fertilizer, there was a marked difference to be observed; and we set well satisfied that in reality the yield was fully one third mean. To say the least, your fertilizer has given us better satisfaction than any we have heretofore tried.

Truly yours.

TRUE BROS. Truly yours,
