"THE SECRETS OF THE GREAT CITY; A WORK OF THE VICES AND THE VICES, THE MISERIES, MISERIES AND CRIMES OF NEW YORK CITY," is the title of a handsome volume...

It Tells How Fortunes are Made and Lost in a Day—How Shrewd Men are Ruined in Wall Street—How Countrymen are Swindled by Sharps—How Ministers and Merchants are Black-mailed—How Dance Halls and Concert Saloons are Managed—How Gambling Houses and Lotteries are conducted—How Stock and Oil Companies Originate, and how the Bubbles Burst—and treats of New York, its People, its Society, its Rich, its Poor, their life, their habits, their haunts and their peculiarities...

All that is great, noble, generous, vicious, mysterious, brilliant, startling, genteel or shabby, and of all that is interesting and worthy of record in the great City.

As the Metropolitan Centre of the United States, New York reflects all the good and evil of the land in their most intense forms.

This book will be found especially valuable to those who expect to visit New York, and would shun its pitfalls, by studying it in their own homes, without cost or danger, and yet learn all.

A CREDITABLE WORK.—The well-earned reputation of the Carolina Farmer is fully sustained in the appearance and contents of the April number just received.

We acknowledge the receipt of the "Proof Sheet," issued by Collins & M'Cluster, Type Founders, No. 705, Jayne-Street, Phil., for March.

Alabama announces ripe strawberries. Stockings are now darned by machinery, and they are darned nice.

While the Chicago express train was going at the rate of thirty miles an hour, from Albany to Pittsburg, a passenger came aboard.

Gen. Thomas recently had a purse of \$100,000 tendered him and refused it.

Colorado wants 100 unmarried women, so miners may get married.

Engine companies in New Orleans conflict for prizes on Sunday.

Billings says he will never patronize a so long as he can hire anybody else to at reasonable wages.

Only surviving son is now living in Ham, at the advanced age of seventy.

White man, named William Lee, was dined in the Savannah River, opposite Aun Saturday last.

Unassessed value of personal and real property in Charleston County will reach the sum of \$45,000,000.

Society for the Protection of Babies, in gives medals to the most careful nurses mothers who suckle their own infants.

Little sister.—The definition of the word happy—so if you wanted to give all your things little sister.

For April has been received, and we are delighted with them. Everybody is familiar with Arthur's works.

PETERS' MUSICAL REVIEW for April is to hand, and, in addition to fifteen pages of select reading matter, contains the following new and beautiful music:

"Ain't I Sweet?" A lady's comic song. By T. Brigham Bishop. "Rest, Darling, Rest." A beautiful lullaby. By E. C. Isley. "I'm Still A Friend To You." Song and chorus. By Will S. Hays.

MUSIC is generally considered expensive, but when such a quantity is furnished for the small sum of thirty cents, it ceases to be a luxury, and even the poorest may sing, play, and be happy.

Our musical friends will do well to examine this work, and we feel confident that thirty cents, sent to the publishers for a sample copy, will yield them a larger return for their investment than any similar outlay they can make.

It is issued by J. L. Peters, music publishers, Box 5420, New York, at the low price of \$3 a year, or 30 cents for single copies.

Loving music ourselves, we naturally feel interested in circulating it among our musical friends, and know of no better way of doing so than by recommending Peters' Musical Monthly.

A Great and Good Medicine.

HEINTISH'S QUEEN'S DELIGHT, THE NEW THEORY OF HEALTH.

The Life of all Flesh is Blood—The Health of all Life is Purity of Blood—Without Purity of Blood no Flesh can be free from Disease.

HEINTISH'S QUEEN'S DELIGHT, An Antidote to Disease.

The Great American Alternative and Blood Purifier.

IS the most perfect Vegetable Compound of Alkalies and Tonics, making it the most effective, invigorating, rejuvenating and blood-cleansing Cordial known to the world.

For the Cure of all those Diseases which may be traced to a vitiated condition of the Blood.

The Theory is that Blood is the Life of all Flesh, and it imparts the Life of all Disease. Life and Health is only to be maintained by the circulation of pure arterial blood.

It is obvious, therefore, to every reflecting mind, that unless the blood is pure, in supplying the waste tissues with material, it must be the cause of innumerable ills and constitutional disorders, such as Scrofula, Rheumatism, Hepatic Disorders, Inflammations, Fevers, Liver Complaint, Consumption, King's Evil, Carbuncles, Boils, Itching Humor of the Skin, Erysipelas, Skin Diseases, Tetter, Roughness of the Skin, Pimples, Blisters, Pain in the Bones, old Ulcers, Syphilis and Syphilitic Sores, Indigestion, Inflammation of the Bladder and Kidneys, Pains in the Back, General Debility, and for all complaints arising from deficiency and poverty of blood.

HEINTISH'S QUEEN'S DELIGHT is the wonder of Modern Science. No medicine has attained such a World-wide reputation as this justly celebrated Compound.

READ THE TESTIMONIALS.

"Mr. E. Heintish—DEAR SIR: I have been afflicted for many years with an eruption of the skin, of the nature of Erysipelas, and have tried a number of preparations without relief. My health, much impaired in consequence of this disease, and having heard so much about the virtues of your preparation of 'Queen's Delight,' I was induced to try it. My expectations are more than realized; I find it a complete success. I give this testimony freely, that others may be benefited.

General prostration cured by the 'Queen's Delight.'—'Messrs. Fisher & Heintish—GENTS: I have no hesitation in saying that I regard 'Heintish's Queen's Delight' a great medicine. I have been suffering with Weakness, Languor, Want of Activity, Fatigue of Limbs, Drowsiness, Sleeplessness, Nervousness and General Prostration. I have taken one bottle of the 'Queen's Delight,' and I am rejoiced to say that I am a new man and am about my business as well as ever. Yours truly, H. I. FAUENR."

"Da. E. H. Heintish—I take great pleasure in testifying to the remarkable and real powers of your valuable medicine, the 'Queen's Delight.' I have used three bottles in my family, and I see the restoration of my wife's health entirely to its use. I am now trying it for Asthma, on my daughter, a child six years of age; will report the result. Your medicine is worth a place in every household. Yours, &c. REV. A. K. DURHAM."

Be sure and ask for 'HEINTISH'S QUEEN'S DELIGHT,' and see that his name is on it. Look out and avoid base imitations. Prepared only by E. H. HEINTISH, Pharmacist, and for sale everywhere. FISHER & HEINTISH, Druggists, Wholesale Agents, Columbia, South Carolina.
