THE ORANGEBURG NEWS IS THE ONLY PAPER PUBLISHED IN ORANGEBURG COUNTY, AND PAYS WEEKLY VISITS TO EVERY HOUSE AND HAMLET IN THE COUNTY.

Mr. T. O. Dawson requests us to state to the public that he knew nothing of his name being placed on the Radical Ticket for Township Officers. That he is a Democrat and as such could not conscientiously run on an out and out Radical Ticket.

We understand the Census Takers will soon commence their labors, and we would state again that all males between the ages of eighteen and sixty five will have to enroll their names in the militia, and all applications wishing exemption will have to be made to the Adjutant General, after enrollment.

The "XIX Century" Publication Company at Charleston have brought out a gem in the way of Magazine Literature. The Sketches of the War, and Running the Blockade are graphic, and there is not an uninteresting paragraph between the covers. The humorous pictures alone, are worth the price, \$3.50 per annum. Address F. G. dePontaine, Business Manager.

A Bell weighing four hundred pounds has been ordered for the Orangeburg Baptist Church, and expected to be in position by the first Sunday in next month. A bell for this Church has long been desired, and through the exertions of its Pastor and the aid of many friends, the object has been accomplished.

WARDS! WARDS!! WARDS!!!—Our Town in certain portions, is being overrun with weeds. Cut 'em down, cut 'em down.

See the thrilling story of the East India Mutiny in the XIX Century Magazine. For Specimen numbers enclose 35 cents to the XIX Century Co. Charleston.

Every now and then we receive a letter from some low bred chap—whose orthography is very hard to decipher—denouncing us for our political opinions. While at the same time the writer don't know the difference between principle and principal—or who is President.

The sacred ceremony of Baptism took place in the Orangeburg Baptist Church last Sabbath evening. A very large congregation assembled, and after a very impressive sermon on Baptism, by Rev. Dr. Durham, Mrs. Herlong, the respected lady of Rev. J. M. Herlong, Mrs. Graves, Mrs. Fletcher Herlong, and the two Misses Gaffney, were buried in baptism. A very desirable change is soon to be made in the font of this Church.

The thanks of the members of the Orangeburg Baptist Church are respectfully tendered to the gallant Young America Fire Company for the generous loan of their hose and pump in filling the font of their Church last week.

THE WEATHER AND CROPS.—The copious rains of the week past have gladdened the hearts of many. Vegetation has taken a new start, and something we hope will yet be made to fill our barns and pockets.

A BEAUTIFUL COMPLEXION.—Dr. Tut's Sarsaparilla and Queen's Delight, the Great Blood Purifier, expels all humors from the system; it acts directly on the Depuratory organs; the skin is one of the most important of these organs, and by the use of this invaluable medicine it is cleansed and rendered soft, fair and healthy. Try it.

Read the "Adventures of a Blockade Runner" in the XIX Century Magazine. Ready in June. Send for a specimen number price 35 cents. Address XIX Century Publishing Co. F. G. dePontaine Business Manager, Charleston, S. C.

An Englishman was telling the late Colonel Isaac O. Barnes of the great rate the cars run in England. "Why, Colonel, in my country they go seventy miles the hour." "They do?" says the Colonel; "they could not run long at that rate, or they would run off the d—d little island."

AMES' CIRCUS AND MENAGERIE, will be here on next Friday, and will give two performances, afternoon and night. Col. Ames' Circus Troup has been in this Town once since the war, and those who visited his Canyas on that occasion, came away perfectly satisfied with what they had seen and heard.

We clip the following paragraph from the Atlanta Intelligencer of the 1st inst. Mr. JOHNNY LAWTON.—This great Southern clown, and one of the best in the country if not the best, passed through this city on yesterday, en route to rejoin Col. Ames' Circus. Herr Lingell has sufficiently recovered from his wounds to take charge of his lions. Other members who were absent from the company have returned; and now, to have Lawton buck, was all that was necessary to complete the company. We wish the Colonel much success through the State.

THE UNIVERSE.—The Chicagoan, started over a year since by H. N. F. Lewis, (publisher of the Western Rural,) as a literary weekly, and which has distinguished itself for some months past by its discussions of social questions, is to be enlarged and name changed to THE UNIVERSE. The Chicago Sorosis and Advance Guard have also been purchased to be merged therein. The first issue under the new name, to appear June 24th, will contain a paper by Hon. Robert Dale Owen, entitled "Spiritualism a Moral and Social Necessity." Something on this subject from a man of Mr. Owen's eminence will attract much attention among all thinkers.—Mr. Owens, Epes Sargent, and others, will write regularly. There will also be commenced a story involving social questions, entitled "Married; or, A Woman's Deception," by Mrs. Caroline Corbin, author of "Rebecca; A Woman's Secret" of which the Morning Star, (the leading Baptist organ,) says: "There are power, and genius, and art, and skill, and passion, that show it to be the work of a woman, busy with the great problems which the country cannot escape." Every number will also contain two or more completed stories and sketches and much other matter. The facts given concerning social crimes are startling.

The terms of The Universe are \$2.50 per year, or three months on trial for Fifty Cents. Try it three months, or send ten cents for a specimen copy.—Address the Publisher, H. N. F. Lewis, Chicago.
