Hand in what you owe us for subscription, and save us the trouble of putting a X on your paper. We know you don't like to see it on the margin of your paper. We don't like to see it But you must pay up, or you will soon see it. Our davil gave us notice this morning that she wanted 50 cents on Christmas day, we must raise that sum, solcome forward, and you will get many a blessing from the "Devil."

We don't want money so awful bad, but our creditors do.

COURT HOUSE .- We learn that the County Commissioners have leased the old Lutheran Church for the purposes of holding the Sessions of the Court. The building will be fitted up and ready for the January term.

The communication of "Householder." will appear in our next issue.

We are informed that an "Amateur Musical Club" is being organized in Orangeburg, and that the promises of its success are very fair. We understand that they hope to give concerts, probably in the course of a month. We are gratified to learn th's and give the enterprise our good wishes.

TERNSUS OF ORANGEBURG COUNTY .-Mr. F. DeMars, Census Taker for the County authorizes us to make the following statement of the census :

8,745 white and 18,096 colored. "Voters-1,828 white and 3,037 coler-

Total population, 20,841.

THE AMERICAN SPOCK JOURNAL gratis for one year to all new subscribers and to all renewals for 1870 to the ORANGEBURG NEWS. Making this the cheapest newspaper in the State. The STOCK JOURNAL contains thirty large double columns of reading matter, and important matter to our farmers, too. Call and see a sample copy and you are sure to be satisfied with the price. Now is the time to call and renew or subscribe, for this offer will not remain open long.

MESSRS. CARTMILL & VINCE.-This enterprising firm have discovered the secret of success. They know the value of printer's ink. Their advertisement must be lib ral traders. This firm have a choice and complete stock and they wish people to know it. Read their advertisement and give them a call.

Bargains can be obtained at Mr. W. T'. Lightfoot's in Dry Goods, Ready Made Clothing, Fancy Articles, etc. Mr. Lightfoot contemplates a change of business, and you can get bargains by calling soon. See advertisement.

Mr. Hamilton has another lot of these choice Kentucky Crackers. He has one Rice Planter, and Guano Distributors," on exhibition at his store, to which we would call the attention of our planters. See advertisement.

Bo ks of almost every discription can be obtained at the store of Mr. Kirk | North Edisto River, lands of W. C. Moss, Daniel Smoak, and the said George W. Bar-Robinson, See card.

Messrs. McNamara & Jones have in store a fine lot of Cloths, Cassimeres, etc. to which your attention is invited. Sec advertisement.

WORTH KNOWING .- It is a fact that Kleiner's Cincinnati Laber Beer cannot be excelled by any other similar beverage pers. in our market. It is quite palatable, and is especially recommended to all for its strenghening qualities and general beneficial effects on the system, if used in moderation. This beer is made of pure German barley malt and B. varian hops. It has withal, the recommendation of eminent physicians. Mr. Muller keeps this excellent beverage on draught.

THE HUMAN FORM DIVINE .- What sad havoe Scrofula inflicts on the human system. How Rheumatism distorts the frame What misery the injudicious use of Calomel entails. How sad the lands of F. J. Felder, and lands of John effect of Syphillis transmitted from pa- Araut. rent to child. Would you avoid these terrible afflictions, fail not to use Dr. Tutt's Sarsapardla and Queen's Delight. It penetrates every fibre of the system, John Arant. even into the bones, and eradicates every trace of disease.

THE SMALL INDUSTRIES .- The change which has come over the social condition of the South as a consequence of the war of secession, is in nothing more plainly manifested than in the greater attention now paid to the smaller industries. These are always a great source of wealth to nations when assiduonsly followed, and have been one of the great causes of the material success of the Northern U. S. In this connection, we would call attention to the advertisement of Mr. T. McCrady, of Charleston, S. C., who has charge of extensive oyster beds planted and owned exclusively by capitalists of that city. Every such WHISKEY LABELS enterpris; deserves the support of the Southern people.

COMPOUND FLUID EXTRACT OF SAR-SAPARILLA GEO. W. CARPENTER'S

COMPOUND FLUID EXTRACT OF BUCHU

introduced by Geo. W. Carpenter, under the patronage of the medical faculty; have been so long extensively used by physicians and others, that they are generally known for their intrinsic value, and can be relied on as being most valuable remedies in all cases where Sarsaparilla or Buchu are applicable, and cannot be too highly recommended. They are prepared in a highly concentrated form, so as to render the dose small and convenient. Orders by mail or otherwise

will receive prompt attention.
