### THE FALSE COUNT.

BY WINNIE.

A story written by a young lady of Orangeburg will appear in our next.

The friends of the Young Americas will notice that their Shooting-Match and General Ruffle comes off on the 21st, the Augiversary of the Company. The public are invited.

The Agriculteral Society will meet on Saturday 12th. iest.

Our friend "Bob Rial" has our sympathy in his troubles. We assure him that it is not not our fault that he does not get his "Americking." What he says about the postoffice has more truth than grammar or orthography.

Dr. Thos. A. Elliott, the patron of the Elliott Hook and Ladder Company was present at their meeting on Thursday evening, and at their request delivered a very pretty address. May this young organisation have a career of usefulness and honor before them, and prove worthy of their anopted name, the name of an honored citisen and an honest man.

The South Carolina contested election case between Wallace and Simpson was debated in Congress again, and the matter postponed for the present.

JUDGE BOOZER .-- A short time before the death of Judge Boozer, the Columbia bar adopted resolutions complimenting him for the able and impartial manner he had attended to the duties of his office. It is said that just after the resolutions were introduced, he with eyes dimmed with tears, said to one of the lawyers, that he felt once more like a white man, in realizing that he had not utterly lest the respect of his o'd friends.

THE SOUTHERN GUARDIAN-A Well known paper which was suspended when Sherman destroyed Columbia has been revived under the management of Messrs, Wm. H. McCaw & Co., publishers, and Mr. Chas. C. Pelham editor, It has a fine appearance, and we wish it hearty success.

havis, the man who was preested at this place for the murder of Mr. Dar an, has been removed to the jail of Williamsburg County, Mr. Ward, Sheriff of Williamshurg, who removed him on Wednesday to Kingstree, states that 15 witnesses on the part of the State have been boun : over, some of whom will testify that they saw him fire the pistol.

A COLORED JUDGE .- It will be seen in our report of the "Doings in Colum bia," that Wright, a colored man, has been elected Associate Judge of South Carolina, and it is evident that he was elected simply because he was a colored man. Even unto this last! Quosque tandem, O1

We are glad to see by his card in this bene, that our old friend, M. Albrecht, has opened in time style at his new store on Russell Street. Mr. Albrecht has now a number of first class boot and shoemakers employed, and is prepared to execute work with neatness and despatch. We hope our citizens will extend sufficient patronage to keep this much needed establishment in a flourishing condi-

We would call the attention of eur readers to the fact, that Mr. GEO. H. Connerson, Agent of the Zells' Ammonisted Bone Super Phosphate, has received a large supply of this valuable fertilizer, which we can safely recommend to our planters, having the full endorsement of the great Georgia Cotton planter and experimenter Dr. E. M. Pendleton of Sparta, Geo. See what he says in the December No. of the Southern Cultivator, page 381. Out of 15 commercial fertilizers, all of them put down at the rate of \$10 per sere, it was the second best, paying 94 per cent, whereas Peruvian Guano paid only 56 per cent and Rhodes only 39 per cent. We have also a number of certificates from Planters of our own State and County, who have used it before, and the Agents are prepared to furnish certificates from all parts of the Southern States upon application to them.

Give it a trial and be convinced.
