

J. FELDER MEYERS—EDITOR, GEORGE BOLIVER, FINANCIAL AND BUSINESS MANAGER.

SATURDAY, FEB. 4, 1871. Has He Not Kept His Word?

Directly after Governor Scott sent his last annual message to the General Assembly, an editorial appeared in this paper commending him for the stand he had taken...

In connection with the above it may not be out of place to say that had Governor Scott yielded to the wishes of the few hot heads...

That was a wise decision of Governor Scott against sending the Militia to the up-country. We commend him for it.

The Barnwell Sentinel had a blood and thunder editorial in its columns a few days ago. Our brother of the Columbia Union thereupon waxes warm...

GOVERNOR HOLDEN is now before the Legislature under articles of impeachment. This is all an absurd humbug.

national board of taxation by attempting to impeach him? It is all the vilest nonsense...

AND OUR OWN Legislature came very near making the same consummate blunder. Had not Judge Vernon resigned...

Mr. Earle of Greenville is spoken of for his place. This gentleman is a talented lawyer, and would fill the position made vacant by Judge Vernon...

GOVERNOR SCOTT is strenuously opposing all measures of extravagance contemplated by a few scoundrels in the Legislature.

THE WOMAN SUFFRAGE MOVEMENT is going right ahead. A few weeks ago an organization for the advocacy of the idea...

THERE ARE five or six Divorce Bills before the Legislature. Heavens! can it be, as we heard a gentleman say...

THE NEW YORK Sun has got into the real sensational line. Finding that its readers were sick and tired of Charles A. Dana's abuse...

That was a wise decision of Governor Scott against sending the Militia to the up-country. We commend him for it.

APPLIED EXTERNALLY.—Cures Felons, Boils, and Old Sores, Severe Burns, Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ring Worm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism. It is a sure remedy for Ague, Chills and Fever.

PAIN KILLER.—Taken internally should be adulterated with milk or water, as made into a syrup with molasses. For a Cough a few drops on sugar, eaten, will be more effective than anything else.

ECONOMY AND COMFORT IN BUILDING.—These can only be studied and secured by paying proper attention to the finishing of a building. There are many houses in our country whose windows, without glass, and heavy wooden shutters, cost more than sash and venetians, and whose gloomy window ceilings are more expensive than white-washed plaster on laths.
