

LOCAL.

SATURDAY, FEB. 18, 1871.

The Episcopal Church will be open for Divine Services on Sunday, 19th inst., by the Rev. S. Mellichamp.

Court commences on the 20th.

TUESDAY NEXT will be the Seventeenth Anniversary of the Young Americans, and will be celebrated as usual.

Mr. T. B. LAGARE will accept our thanks for a complimentary ticket to the Annual Commencement Baltimore College of Dental Surgery, Concordia Opera House, Thursday, March 2nd, 1871.

Mr. Lagare is well known to our readers. He will return to Orangeburg sometime next month, and will commence the practice of Dentistry.

NEW AND ATTRACTIVE SIGNS.—We notice that Messrs. Kohn & Bro., have raised a neat and imposing sign in front of their store, bearing the firm name, &c.

Mr. James Cannon has also ornamented his side of Main Street by the erection of a beautiful sign above his door.

GREAT INDUCEMENTS.—No better bargains can be had for a little money than those offered by D. Louis, at the Corner of Main and Market Streets. To his many patrons, he offers rare inducements. Don't miss him when you come to town. If you'll read his new advertisement you won't either.

THE SIDE-WALK just below our friends, Messrs. Cartmell & Vance's Store, during the recent spell, was in a sad condition. It could not have been any worse. No one could pass down Town on that side of the street without having to wade up to their ears, or were almost going to say, in mud and water. But it was not quite that bad. It was, though, really ankle deep. Two or three loads of sand would improve it.

It is now made up of yellow clayey clay, which works itself into a good chimney mortar, as soon as wet. But we have said enough. A hint to our superstitious and credulous neighbors will be all right before the next rain squall.

Mr. Ezekiel, Sign, "Big Watch," advertises all sorts of Fancy Jewelry for sale. We have examined his stock, and find it excellent in quality, and can therefore recommend our readers to give a "passing call."

FOUND.—The Plat and Tit's to a tract of land in Lexington County, made in favor of Clara F. Smith, was found upon our streets the other day, and handed to the editor of this paper. They are now at the Clerk of the Court's office, and can be had from Mr. Collier, if the owner calls.

TRUE to their promise—W. A. McCreary & Co., offers to the public a fresh supply of everything that's good again! Our customers they have the best whiskey in the WORLD.

MUNICIPAL ELECTION AT BRANCHVILLE.—There was an election for four Wardens, to serve for one year, held at Branchville on the 17th inst. The following is the result:

Wardens: J. W. Fair, Henry Riley, and two others.

Several meetings were held in all such elections no better rule could be adopted.

We congratulate Branchville upon her present Town Council.

Mr. Vose has just received a supply of Seed Potatoes. His house-keeper's department is well supplied. We are glad to see the increase in Mr. V.'s trade. Don't go by him.

Dr. N. C. WERTON has in process of completion, a beautiful Drug Store on his lot in Branchville. We are pleased to note this exhibition of enterprise and energy on the part of the Doctor. We hear that he also contemplates erecting a fine residence on the same lot.

W. A. Easterlin advertises 150 bushels Dickson's select cotton seed for sale. See notice.

The attention of Tax Payers is called to the change of the Appointments of the County Treasurer—he has endeavored to so arrange his Appointments as to make it convenient for every Tax Payer to meet him. You will see by the advertisement that you have until the 10th of March. The Tax Act says that all Taxes must be Collected on or before the 1st day of March in each year, after which time the Penalty must be added. Our citizens would do well by coming up and paying in time, in order that they might save the additional penalty, which together with the cost for Issuing Executions, would almost reach one hundred per cent. Come up and pay up, and avoid the unpleasant necessity of an auctioneer visiting your doors and ere the sixth day expires, after notice shall have been given you there, will be heard the going, going, gone. Remember:

At Lewisville, next Monday, Tuesday and Wednesday are the days.

Fort Motte, Thursday and Friday.

Branchville, Monday 20th and Tuesday 21st.

J. Hamp Elder's Store, Thursday, Friday and Saturday, 23d, 24th and 25th.

Wilkes Sawyer's Store, Monday, 27th and Tuesday 28th.

At Orangeburg again on the 1st of March, and remain until the 10th inclusive.

On the 11th of March the penalty will be added. Beware. Feb 11-5

SEIGER'S UNADULTERATED ALE AND LAGER BEER.

LAGER BEER, CONTAINING COPPER, IRON AND ALL adulterated with Salt, Lime and Alum, are the latest adulterations discovered in New York.

Professor Mapes of New-York, analyzed the Beer from a dozen different Breweries, and all were found adulterated with noxious substance. It is said, that the sale of Drugs to Brewers, is a profitable part of the trade. This is perfectly infamous Cocculus indicus (fish berry) nut vomit, (dog button) from which strychnine is obtained, are some of the deleterious substances found in Beer! These are potent poisons, and the Brewer found using them should be drowned at once in one of his own vats.

D. S.—I am willing to be drowned in my own vat, if any purities should be found in my Beer.

I shall continue to make a healthful Beverage, so that it may be drank by the most delicate without the least danger.
