I Doctors are to be consulted in London, that women are subject to many various diseases peculiar to their sex, such as Suppression of the Menstruation, Whites, Painful Periods, Irritation of the Back and Womb, Irregular Menstruation, Hemorrhage or Excessive Flow, and Protrusion Uteri or Falling of the Womb. These diseases have often been treated successfully. The profession has sought diligently for some remedy that would subside them to treat these diseases with success.  
At last this remedy has been discovered by one of the most skillful physicians in the State of Georgia. This remedy is BRADFIELD'S REGULATOR. It is purely vegetable, and put up in Atlanta, Ga., by BRADFIELD & CO. It purifies the blood and strengthens the system, cures irritation of the kidneys, and is a perfect specific for all the above diseases; an certain cure as Quinine in Chills and Fevers. For a history of diseases, and certificates of its wonderful cures, the reader is referred to the wrapper around the bottle. Every bottle warranted to give satisfaction or money refunded.  
LAGRANGE, GA., March 25, 1870.—BRADFIELD & CO., ATLANTA, GA.—Dear Sir: I take pleasure in stating that I have used for the last twenty years, the medicine you are putting up, and I am a great benefactor. I have used it for a long time, and I can say that I consider it a boon to suffering females, and all who hope that every lady in our land, who may be suffering in any way peculiar to their sex, may be able to procure a bottle, that their sufferings may not only be relieved, but that they may be restored to health and strength. With my kindest regards, I am, respectfully,  
W. B. FERRILL, M. D.

We, the undersigned Physicians, take pleasure in recommending to the trade Dr. J. Bradfield's Female Regulator—believing it to be a good and reliable remedy for the disease for which he recommends it. W. L. Lansell, Atlanta, Ga.; Pemberton, Wilson, Taylor & Co., Atlanta, Georgia; Redding & Fox, Atlanta, Georgia; W. Root & Son, Marietta, Georgia.  
DR. J. BRADFIELD'S CELEBRATED LIVER MEDICINE. It is purely vegetable, and will act upon the Liver without any danger of salivation or destruction of the bowels. Parties taking this medicine need not fear getting wet, or in any other reasonable exposure.

Symptoms of Liver Disease—Headache, Dull Feeling of the Liver, Sour Stomach, Sick or Nervous Headache, Deobility, Indigestion or Dyspepsia, Bad or Bitter Taste in the Mouth, the skin has a thick, rough feeling, and is darker than usual, Costiveness, Melancholy Feeling, Cramps, Cold Feet, Colic, Dysentery, Diarrhea, Chills and Fever, and Etc. In fact, where the Liver is diseased, the whole system is affected. A case that is not taken properly, will prevent and cure any disease resulting from a diseased liver. It will regulate its functions and thus cure all diseases caused by the failure of its healthy action. It has been used for a great number of years, and has given universal satisfaction to all who have either used or seen it. It is put up in both Powder and Fluid Form. F. VEBER, GA., Sept. 4, 1868.—DR. O. S. PROPHITT: My wife has been an invalid for fifteen years. Doctors all agreed she had "Liver Disease." In connection with this disease, she had various other and most troubles. Some of which were very bad. Some time ago I procured a bottle of your "Liver Medicine," of your office here. C. A. Harvey, which being given according to directions, has effected a complete cure. Respectfully, &c., GEO. L. THOMPSON.

CHARLESTON, S. C., Sept. 24, 1868.—I have used Dr. O. S. Propritt's Liver Medicine as a cathartic, and found it to be powerful and efficacious. It is a relief for functional derangement of the Liver or constipation of the bowels; in most cases surprising in its necessity of a regular course of medicine. E. J. MEYNAUDE, A. M., Pastor Tryon St.

MARION COUNTY, TEXAS, Aug. 1, 1869.—Dr. O. S. Propritt—Dear Sir: I write you this to inform you that I have been troubled a great deal with indigestion, but after using your bottle of your Liver Medicine, I find great relief. I therefore recommend it as a good Family Medicine, and feel confident that it is good for anything for which it claims to be an antidote.  
Very respectfully,  
DICK LOCKETE.

**PROPHITT'S PAIN KILL IT.**  
This is the celebrated medicine that was discovered by Perry Davis, Pain Killer out of the market, wherever it was sold. Davis' Pain Killer is the name from Pain Killer to Pain Kill. It is a relief for functional derangement of the Liver or constipation of the bowels; in most cases surprising in its necessity of a regular course of medicine. E. J. MEYNAUDE, A. M., Pastor Tryon St.

DOUGLASS COUNTY, GA., April, 1867.—This is its efficacy that I was cured of the hemorrhage, and most of the time to my bed, and suffering the greatest agony imaginable with Rheumatism, for five months, and after trying every available remedy, with no relief, it was cured by the use of Dr. O. S. Propritt's Anodyne Pain Kill. It cost me fifty cents only. It relieved me almost instantly. I therefore recommend it in the highest degree to others suffering from similar disease. I can say that it is one of the best family medicines now out, certain. Yours truly, W. A. FOREHAND.

DOUGLASS COUNTY, GA., Oct. 27, 1867.—Dr. O. S. Propritt: I have, during the last eighteen months, used your Pain Kill, and I consider it unequalled by anything for pain in the head, breast, back or side; and for colic nothing gives relief half so quick as your Anodyne Pain Kill. It is doing much good in the community in other families as my own. Yours, &c., B. T. FOREHAND.
