CABINET ORGANS .- The most extensive makers of this class of instruments in the world are the Mason & Hamlin Organ Co., who annually produce and find demand for several times as many as any other manufac turers. Their work stands highest, not only in this country, but also in Europe.

Mr. Hamlin of this Company, was the discoverer of the art of voicing made. The chief of the conspiracy reeds, and has brought it to greater perfection than has yet been attained by others. From this mainly comes the fine quality of tone peculiar to the Mason & Hamlin Organs. But the great success of this Company is instruments only, and will not turn out inferior work at any price, or suffer a poor instrument to leave their factory; and they sell always at least remunerative profit, printing their lowest prices, which are invariable.
