EVERY WEDNESDAY. Beau Hickman Dead.

singular genius known as "Beau Hickman." During the whole of the es. The Gazette says:
period extending from the beginning. The more go eral admission of weof our troubles with Mexico to his men to the postal, telegraph and raildeath he was well known, not only to tol itself; and it was his boast that he

liberality, he soon occupied the posi-tion of the American Beau Brummel, with all the great men of his day who were given to sensual pleasures-and ucated women in the public and pri-

plumage, and Beau became the walking advertisement of the fashionable tailers, and the stool pigeon of the gamblers. Little by little he went down in the scale, and when old age housls and upon the charity of stranimpudence that was always irresistia

Beau Hickman is dead. A week sis. On Saturday he was removed to the hospital, and yesterday morning he breathed his last.

His real name was unknown, his family, supposed to have been one of the wealthiest in Maryland or Virshould keep their secret. Ho never wardrobe in his arms. Prequently at the Washington bars, while tipping glasses with the politicians, he said it was a poor city that couldn't support him like a gentleman, and it was his intention to make Washington support him; and he did, even to the extent of levying 25 cents from each of the young backs of the town, and larger sums from the larger animals. For the last few years of his life, having been afflicted with inflammatory rheumatism, he made no use whatever of intoxicating liquors.

young women is too important a question to be lightly dropped now that all the female schools and colleges throughout the land are beginning to till. In connection with this subject there is one idea which appears to escape the memory of most toneloos and the land are beginning to till. In connection with this subject there is one idea which appears to escape the memory of most toneloos and the land are beginning to till. Last year millions of feet were sold for covering roofs, lining rooms, painting, &c. pears to escape the memory of most teachers, and that is that she who becomes the mistress of a household cannot possibly perform her duties well without being familiar with numerous and very humble details. Now there can be no possible objec-Now there can be no possible objection to accomplishments in their proper place; but there is no good reason why a woman should bake bread and have it invariably because morely have it invariably because more and in the first and the have it invariably heavy merely because she speaks French perfectly and Numerous Tests Have Proved cause she speaks French perfectly and is mistress of the piano. It is possible to make kitchen and parlor dovetail. A housekeeper need not sing less at her piano because her kettle is singing on the hob. There is a time-honored minstrel joke which describes a supposititious young lady so accomplished that she could wash dishes in three different languages. Perhaps there is more truth in the jest than at first appears. Perhaps there is a subtler sympathy than the world imagines between the neatness with Heartburn, Low Spirits, &c. In thirty-five which Charlotto Bronto haudled rhetoric and the skill with which she pared potatoes. The literary woman who neglects her house in favor of Borrichools Cha aught by this time Borrioboola Cha ought by this time to have become an effete institution. There must be a correspondence between what is learned at female schools and what is practised in the kitchen. The Biddy of the future depends upon the mistresses of the present. The reason we have bad servants is too often because the servants have bad mistresses, and the reason the bad mistresses abound is for lack of the practical domestic education of girls and young women in our female boarding schools and colleges.—N. Y. Herakl.

CHOLERA

Epidemic Diseases Prevented by Using

BROMO-CHLORALUM.

The new odorless and non-poisonous coverful Deodorizer and Disinfectant. Its daily use destroys all bad odors and poisonous emanations about your

premises, and thereby provents contagion and disease: contains no poison and has no odor of its own, and is always safe.

'Diploma awaitied by the American Institute to Tildon's Co. stitute to Tilden & Co., for Bromo Chloralum. They consider it of value as being non-poisonous and inodorous, and can recommend it especially for medical and general household purposes where disinfection and deodorization is called for." Exhibition of 1872. Prepared only by TILDEN & CO., New York. Sold by all druggists,

The startling drawback on nearly all medicinal agents has ever been that in their process of purgation and purification they have also debilitated the system. To obviate this difficulty physicians hav long sought for an agent that would Puige, Purify and Strengthen at one and the same time. Their research has at last been rewarded by a discovery which fully realizes the fondest desires of the medical faculty, and which is justly regarded as the meat important triumph that Pharmacy has ever achieved. This important desideratum is Dr. Tutt's Vegetable Liver Pill

Dr. Tutt's Vegetable Liver Pill Which purify the blood and remove all corupt humors and unhealthy accumulations rom the body, and yet produces no weak ness or lassitude whatever, but on the con-trary tones the stomach and invigorate the body during the progress of their operation. They unite the heretofore irreconcilable qualities of a Strengthening Purgative and a Purifying Tonic.

Dr. Tutt's Pills are the most active and searching medicine in existence. They at once attack the very root of diseases, and their action is so prompt that in an hour or two after they are taken the patient is aware of their good effects. They may be taken at any time without restraint of diet or occupation; they produce notices. or occupation; they produce neither nau-sea, griping or debility, and as a family medicine they have no rival.

Price 25 cents a box. Sold by all Druggists. Principal office, 18 and 20 Platt St.

is the most powerful cleanser, strength ener and remover of Glandular Obstructions known to Materia Medica.

It is specially adapted to constitutions worn down and debilitated by the warm weather of Spring and Summer, when the blood is not in active circulation, consequently gathering the trities from slug-gishness and imperfect action & the score-tive organs, and is manifested by Tumors, Eruptions, Blotches, Boils, Pustules, Scro fuln, &c., &c.

full, &c., &c.

1. When Weary and languid from overwork and duffness, drowziness and inertia take the place of energy and vigor, the system needs a Tonic to build it up and help the Vital Forces to regain their recuperative

In the heat of Summer, frequently the Liver and Spleen do not properly perform their functions; the Uterine and Urinary Organs are inactive, producing weakness of the stomach and intestines and a profise position to bilious derangement.
