#### The Fairfield Herald. TUBUISMID

EVERY WEI'NESDAY.

London.

WITTEN FOR THE ATLANTA CONSTITU-TION-BY PROF. WADDELL .-

We reached custom square after

Arriving as we did, after dark, and gazed upon, first, a contracted, ment where a Salamagundi of all irregular court, hemmed in by tall gloomy stone blocks on all our four sides save where the streets enclosing the yard found egress ; and, second, deed, completely filling it up, with the exception of a few square; yards of paving stones and grass around the edifice. The enclosure is known as St. · Paul's Church-yard, as is stated above, while the church is the world .- renowed "St. Paul's Cathedral." Words and figures give miserably inadequate impressions of the vast size of this prodigious building. It is most disadvantageously situated for effect. The other build steeple and all, could be plac-ed inside of St. Peters' Church is decorated with eight paintings, Paul. The nave and transepts are among which are (1) a statute of John Howard, (2) Dr. Johnson, (3) Sir Joshua Reynolas, (4) Lord Nel-

Divine service is held three times a day in St. Paul's. The vast Byron was born. My lodgings were space of the interior is only seated in just opposion the house, viz - No. 16. the further end of the nave. We attended worship here one raw Sabbath morning, and what, with the ful style of traveling accommodation chilling atmosphere, the meagre audi in the world. We had two bed spent a more dismal hour.

of Wellington, and many other illus-

trious men.

The ascent to the dome is in the of which 270 steps take us to the our orders for the day following. "Whispering Gallery," which derives These having been given, the landits name from the fact that the lady charged us for the actual gentlest whisper is heard from one cost. Of course, if you choose to do side to the other of it.

weighs 25 poudds. The bell is 10 occasion of the death of some member of the Royal Family, the Bishop of London, Dean of St. Paul's, or Lord Mayor. The striking of the huge hummer, however, is heard at was literally tea, and nothing else every hour of the twenty.four .-Many a sleepless night have I spent in the West End of London, more berating in deep, hoarse tones over city, and, and, in the dead silence of right, echoing like some awful supernatural voice. I can find no words to describe the sound of St. Paul's clock at night. Pue's poem of "The Bells" gives you some faint conception of it.

St. Paul's is in the very heart of the city of London proper. This sums of money. For this reason we adspace has for its base the north bank vise our readers to purchase their Winof the Thames; its western beandary from Middle Temple Lane to Southampton Buildings; its northern, Smithfield, Barbican and Finsbury Circus, returning to the Thames at Circus, returning to the Thames at the Tower. Temple Bar, a vast stone archway thrown across Fleet street, is the only city barrier respining. Here the strand ends and Fleet street begins. Enormous iron gates stand open day and night, save upon occasion of Royal visitation, when they are closed in order to be nouncing the coming of the Queen, members to parliament, and comprehends 18 parishes.

Besides the city, however, London comprehends the Nestminster, with 253,985 inhabitants, and the metro-politan boroughs of Marleborne Finsbury, Tower-Hamlets, Huckney, Chelses, Southwark and Lambeth. This loge city, lying on both sides of the Thames numbers 4,000,000 ef This hoge city, lying on both sides of the Thames numbers 4,000,000 ef inhabitants, being the most populous city of the globe. Some idea may be formed of the value of ground, when ivis remembered that city lots near St. Paul's have been sold at about the rate of five million dollars of Gen'l Ag't to accord. N. C.

neighborhood. Tron in this SONGSOF GRACE AND GLUKY. Iron in the Blood

of the state of th

There are in London two thousand eight hundred streets, which measure three thousand miles in length. Twelve hundred omnibusses and three thousand five hundred cabe, with forty thousand horses, traverse them every day.

1 was grievously disappointed, however, in the appearance of the dark. We had ascertained that stores of London. They are, generthere was a hotel upon the space ally speaking, small and dingy, de-known as St. Paul's Churchyard, and voted to special purposes, and with as I had a fancy to spend our first | none of that vast, brilliant display of Sabbath there, (it being Saturday night) we took a cab to the "Cathedral Hotel."

Sabbath there, (it being Saturday goods so char cteristic of American stores. In fact, in Europe, these dral Hotel." are universally called "shops" -and being each confined to the sale of nothing of our whereabouts could be come specific article, are contracted seen. But early the next morning I in size, dark and low in pitch. Such looked out of our 'chamber windows a thing as a huge general establishsorts of commodities is sold is of very

rare occurrence. But, after all, these are small elethe yard found egress; and, second, ments in the make-up of a great great upon a mighty stone pile rising up in The "People," the never-ceasing, never diminishing tides of human life which swell and rour, day and night, through the narrow, crooked streets: the vast swarms which con. mence movement about 8 o'clock, A. M., and which grow and become noisier as daylight grows on-these constitute the city. One of the most interesting sights of London is "Old London Bridge," at 9 o'clock A. M, Take your stand on one of the piers, and watch the constanty increasing throng which presses, as the day ings crowded up so closely to it that grows older, with constantly increasing full view of it is practicable. ing violence, only kept from break-You cannot see the whole house at ing out into a daily riot by the exany distance which would bring its ertions of the police, and you will vast proportions properly into view. be able to form some conception of The ground plan is that of a Latin the population of London. And if cross : length, 550 feet, width 100 one of their dense fogs should wrap feet ; height to top of cross surmoun- the city in gloom, you will have feelting principal steeple, 370 feet.

Notwithstanding these enormous Fleet street or the Strand, how many proportions, the whole bailding, chances there are of being knocked down and run over by hacks, cabs and on nibusses.

at Rome. The cupola is of brick, The first thing for every traveler 108 feet in diameter. The interior to consider is "lodging" Of course he will ordinarily put up for a day representing events in the life of St. or so at an inn, or hotel; but he speedily discovers that the expenses adorned with many monuments, of this mode of living tre ruinous; so he seeks lodgings.

After roaming over pretty much all London, a good Samaritan of a cab aon. Down in the crypt are the driver proposed to carry me where graves of Sir Christopher Green, the he declared, I could procure genteel architect of Sc. Pauls, Lord Nelson, rooms upon moderate terms. And he Lord Collingwood, the Great Duke did, too! Holles street, a narrow, short passage, from Oxford street to Cavendish Square, was the place of our permanent abode. Here Lord

Living in lodgings in London has

always struck me as the mest delightence and the truly barren sermon rooms and a parlor at two guineas a which was preached, I have seldom week. This included the service of a cook and housemaid. Every morncentre of the Church by "616 steps, make her appearance in order to take so, you can make these purchases of Another source of much curiosity the raw material for yourself. Travto visitors is the "Clock Room." clers generally find that the landlady Here is the great clock with the can make them much cheaper than themselves. Then there are charges The minute hand is feet long and made for gas, fuel, use of cinets at weighs 25 poudds. The bell is 10 dinner, et a., all of which are minute feet in dismeter, weighs 11,474 ly specified in the weekly bill. We pounds-while the hammer weighs rarely took ourdinner at home, ex-145, and the clapper 180 pounds. cept on Sunday, finding it more con-This bell is never tolled save upon venient to dine at a res aurant or coffee house, as they are called over

but bread and butter. And now, having ettled down in West End, we will explore the great than two and a half miles distant city at our leisure. The best way from St. Paul's and heard the long to do this will be to mount on the protracted, solemn roar come rever- box of an om ibus. The driver you will find a shrewd, impudent fellow. the countless roof-tops of the great who knows all about the places, points and persons of interest, and you cannot do better than to pin your faith to him.

#### MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protect-ed Solution of the Protoxide of fron, is so combined as to have the character of an aliment, as casily digested and assimilated with the blood as the simplest with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "athousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diar-

plaint, Dropsy, Chronic Diarrhea, Boils, Nervous Affections. Chills and 'evers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infueing strength, vigor, and new life into all parts of the cystem, and building up are Iron Constitution.

stitution.
Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERU-VIAN SYRUP blown in the glass. Pamphlots Froc.
