IN THE DAY OF CREMATION.

John Paul, a manufacturer of rhyme. publishes in Harper's Magazine, for June the following grote que but tender poem. which throw the gramour of romance over the Furnace for the Dead :

THE MAIDEN'S LAST PAREWELL. Then the night wore on, then we knew the worst, That the end of it all was nigh;

Three doctors they had from the very And what would one do but die ?

"Oh William !" she oried, sirew no blos-For the new apparatus might rust;
But may that a handful of ensyings you'll bring. And linger to see me combust.

"Oh, promise me, love, by the fire-hole you'll watch.
And when mourners and stokers con-

You will see that they light me some solemu, sion maich. And warn them ag lust kerosene.

"It would cheer me to know, ere these rule bre- ave waft
My rescues for to the pole,

That one whom I love will look to the draught. And have a tond eye on the cual.

"Then promise me, love"-and her voice

And gozo whi e my gasses arise.

"For Thomson-bir I thry-has found out a way --(Of his process you've surely heard

And you turn live a parlor much gently Nor even offend by a smell.

"Bo mone of the cainty need aniff in dis-When my carbon flate up to the sky : And I'm sure, love, that you will never complain.

Though an ash should blow into your "Now promise me love" -and she mur-

mured low -Whon the onicification is o'er, You will sit by my grave in the twillight

I mean my furnace door. "Tes promise me, love, while the seasons

O. their noiseless axles, the years, You will visit the kiln where you waw me

resolve.
And leach my pale ashes with tears."

Humora of the Mosaie Dispensation

The best and withiest) description of the South Caroling Gavernatori I embroglis is the following dispage from one Timothy Hurley, a member. of the Legi-lature, who may be, fr aught we know, as deep in the mus us Moses is in the mire :

SEAT OF WAR. PRESTON MANSION.) COLUMBIA, S. U. MIDNIGHT. May 16, 1874

EDITOR NEWS AND COURTER: The situation remains unchanged. Moseis still inside holding a council of war, aided by Hoge, Neag'e, Nesh Gardner, Lee, R vere, Smalls and many others of he stiff. They have agreed to declare martial l.w. and block de the county of Richland, sending forces to the O angeburg line. - Mo es has issued to the troops an address, (as o igogi) since dis-covered to have been delivered by Gen. Washington, at Cambridge, Mass., on taking command of the Continental troops. The roads le.d. ing to the city are filled with volume teers who are cheering the P. nitentiary as they go by. The people are leaving the city, taking their goods and live stock, on one desiring to remain during the siege. Mores has hid a horse taken to the top of the Preston Manston, and will trace his orders \$28 425. T.m. Bo vling, by L. zing . | chabling the trangers to incorporate from that point as being safer. A first has been raised by riedging his broeze tomorrow. Payment of the troops han been garranteed by Gin. Neagle who pledges his Blue Ridge script freely, and hus telegraphed Patterson to do like-wise. The Supreme Court has declared that it io a legal sender for that purpise. Gen. Gardner his ordered two buis dred umbulaness and called for our thousand ourses. Dr. Fox's reside ce has been tendered as a hospital to the Governor, is con ideration of his appointment on the Governor! staff as Chaplain. The Supreme judges and Circuit Judge Mackey will go as commissioners to the bunkto-morrow to assure them of he Gov erbor's protection. A copy of the Preston mortgage is to be pr nted no obam arisammos Bate od bas on it. The Republican Printing

Another Boss Driven to his Hole.

At last the man Shepherd, the Bas of the Detriet of Columbia Ring of thieves, is family driven to is hole, and a most foul hole it proves to be. But the occupant is sorthy of it, for if there be one man n this United States who is a more unscrupulous and cerruit rascal than ny other in a public office, the testimony shows that man in the person of Alexander R. Shepherd, the sypocitical Boss of the District of Columbia thieves. Tweed is still in prison on Blackwell's Island. What prison is preparing for the Washingon compect of Tweed 1

Sunday school pic-Lies in Texas are charming affices They take the church organ out in the woods and with the assistance of some old Uncle Ned to play the violin and call the Szure, the children dance the live-long day. They can do such things in Texas with impunity, and have a good time although the hangman of the county gloats on the scene, but our dear little cherups are taught better. They are fully alive to the enormity of the evil of dance ing and never-no, never-do they yield to its mocking blandishmentstill after the old folks have gone to bed.

There are s'x grass widows living in one house on Eigth street, Tell City, Indiana. According to the Canbelto. (I.d.) Enquirer, they live in perfect harmony, without any jealousies or quarrels, each satisfied with her married experience and ouch insirting that her tyrant husband was the worst specimen of genus home in existence. Two have applied for divorce at the next term of the Cirouit Court, and the others will probably be decketed at some subsequest term.

Hog cholors prevails in Ruther. ford county, N. C., and has entailed The Republican leaders are evi- a loss of many thousand dollars.

Brevitles.

The shrimp season has fairly set in in Charleston.

Hasbands and wives in Illinois, under the new law, may bring civil suits against each other.

Mr. Carl Schurz can rest on his laurels. A Missouri paper says "as an amateur planist he is no slouch."

Sir Henry Thompson, the distinguished English surgeon, who is about to visit this country, first distinguished himself by taking a \$25,-000 tee from the King of Belguim.

Major James F. Waddell, at Scale on Monday lust, announced himself as an independent candidate for Congress from the Third Congressional District of Alabama, now represent. ed by Charles Pelham, Republican.

Bismarck is reported to have said that he over-estimated the military strength and underrated the financial resources of France in the late war, and now regrets that he did not overrun all her territory, and then make the indemnity large enough, say ten milliards, to have crippled lier for years.

Madame Bazaine, the Mexican wife of the ex-Marshal, is said to be sotively intriguing for the restoration of the French Empire, and in connection with her intrigues, which have assumed some importance, it is intimated that the time is not far distant when the Vatican will openly advocate the candidature of Napola con IV by urging the French clergy to use all its power and influence on his side.

A genuine Cuban centipede, one of the most poisonous tropical onemies of men, was found anugly "s owed away" in a bunch of bananas at the New Market, Petersburg, Virginia, recently. It had traveled a long way to find its end, but was saved a part of its mission by one knowing something of its habits, and who saved a more currous than wise individual from "interviewing" it between thumb and finger.

The State Executive Committee of the Ohio Grangers Association resently held a consultation as to the propriet, of putting a State ticket in he field. Atter a lengthy delibera . tion and exchatigo of views, it was concluded, almost unnanimously, to make no nominations, at least for the present. They will probably wait until the political parties have nominated, and then in case they are not suited they will make an independent cutrance into the politica

A Cerman Jew was eating a porkchop in a thunder-storm. On hearing an unusually loud clap, he laid down his knife and fork and observed: Veil, did any poty ofer hear such a fuss apout a little biece of book ?"

Recent inquiries into the condition of the cotton mills in Massachusetts shew wonderful prosperity. Dividends of one bundled and forty per cent. are declared, stock multiplied ten times in value, and the stock of a bank doing their business has quads rupled in ten years.

"Come, Bob, get up, said an indul. gent father to his hopeful son the other morning. "Remember, it's the early bird that catches the worm." "What do I care for worms?" and swered the young hopeful : "Mother wortt let me go a fishing."

The following hit at the water-cure was made by Onarles Lamb. "It is" said he, "neithernew nor wonderful ; for it is asoid as the deluge, which, in my opinion, killed more than it cured.

Rev. W. H. II. Murray, of Boston. asks in the Congregationalist: "What right has the Park Street Church, of Boston, to take up \$600-, 000 worth of the Lord's property in such a way that it oun give religious opportunities to only 1,500 people in the morning and 800 to 1,000 in the afternoon, when it might be so invested as to ourry strongth and consolation of the gospel to 10,000 or 15,000 people every Sabbath."

Hair cutter (who has been cating onions)-S'moil on you hair, sir (blowing fiercely down oustomer's neck)?" Customer.-Phew! what's that ? Hair cutter - S'moil, sir. Customer-Then I won't have any.

It is said of the temperance crusaders that "they drink not, neither do they sin; yet Solomon, in all his glory, was not a raid like one of theso."

A friend at our olbow says he thinks it just as reprehensible for women to get tight by lacing as for men to get tight by whiskey. Both injure the system. Well, it's none of our particular business, any way. Men generally get tight 'cause it's pleasant, and women get tight corsets

Rain is much needed in this peg-
