DISCONTINUANCE OF A ROAD.

The Best Bargain Ever Offered in Sewing Machines.

A \$55.00 SEWING MACHINE FOR \$22.50,

INCLUDING ONE YEAR'S SUBSCRIPTION TO THE ENQUIRER.

THE "PEERLESS"

Is the Name of a Strictly High Grade Sewing Machine that we are Now Prepared to Offer to all Who Want a Strictly High Grade Machine with all Modern Improvements at Unheard of Low Prices. Its Mechanism is Superb, the Design Graceful, and the Finish all that Could be Desired. It is Light Running and Noiseless.

The Balance-Wheel and many of the fine parts are nickle plated, with other parts linely chained eled and ornamented, giving it a rich appearance.

Every Machine is furnished with an Improved Automatic Bobbin Winder, which is so simple that a child can easily operate it—winding the thread automatically on the bobbin as evenly and regularly as the thread on a spool. This valuable attachment renders possible a perfect control of the Shuttle Tension, and all annoyance resulting from shuttle thread breaking, while the machine is in motion, which is common to many machines, is entirely obviated.

A self-setting Needle and self-threading Cylinder Shuttle are used in the PEERLESS HIGH-ARM SEWING MACHINE. The self-threading Shuttle is so simple that with two motions of the hand, backward and forward, the shuttle is threaded.

The Woodwork is the best that can be procured, of either Antique Oak or Black Walnut, as the purchaser may prefer.

Each PEERESS Machine is furnished with a complete set of Johnson's celebrated steel nickle plated Attachments in a velvet lined case. Following is the outfit: 1 Tucker, 1 Ruffler, with shirring plate, 1 Hemmer Set (4 widths) and Binder, 1 Braider (Foot and Slide), 1 Thread Cutter, 1 Hemmer and Feller (one piece), 10 Needles, 6 Bobbins, 1 Wrench, 1 Screw Driver, Oil Can filled with Oil, Cloth Gauge and Thumb Screw. DO NOT ALLOW YOURSELF TO BE MISLED

PEERLESS.
Price, including one year's subscription to THE YORKVILLE ENQUIRER, \$22.50.
Our price—\$22.50—is for the Machine well crated, and delivered on board the cars in Chicago, with all attachments and accessories. The Machine will be shipped direct to the purchaser, and the freight will be paid by the person who receives the Machine. The manufacturers write us that the freight to any point in this section will average about \$1.50.
Give name of freight station if different from post office address.

A They are made of the very best material and will last a lifetime. You should examine the STEEL FRAME LEVER HARROW, and also the WESTERN TRIPPLE. Either Harrow will do perfect work as a pulverizer or smoother, and either will be found to be of great value in cultivating young corn or cotton. The value in cultivating young corn or cotton. The EVANS CORN AND COTTON PLANTER is the most popular planter on the market, wherever introduced. The Planter can be used for anting corn, and changed in an instant for planting cortin, and changed in an instant of planting cotton. It opens the furrow, drops the seed and covers, all at one operation. The shov-els are held in position by a break pin, and it roots or other obstructions are met with, the shovels "give," and no damage is sustained by the machine. The corn feed has a spring cut-off, which insures accuracy in dropping. The cotton feed has a metal cut-off, consisting of two round redlers which cleans the seed from the teeth and prevents any danger of clogging or cracking the seed. Both the Harrows and the planter are guaranteed to give satisfaction. Send for illustrated circular and prices. Apply to R. S. Mc-CONNELL, Rock Hill; R. B. RIDDLE, Zeno; C. C. HUGHES, Grover, who are my agents; or to myself. SAM M. GRIST, Gen'l Agent. February 17

PUBLISHED WEEKLY.

If you read "Another's Crime,"

A LL of the DESIRABLE features contained in other well-known modern style machines are to be found in the PEERLESS, improved and simplified by the best mechanical talent until it stands, as the name implies, the peer of any machine in the market.

All wearing parts are of the best quality of case-hardened steel, possessing great durability, and by the turning of a screw, all lost motion, caused by wear, can be taken up. All parts are fitted so accurately that these machines are as nearly noiscless and as easy running as fine adjustment and the best mechanical skill is possible to produce. No expense or time is spared to make them perfect, as every machine passes a rigid inspection by competent men before leaving the factory. It has no cogs.

The Balance-Wheel and many of the fine parts are pickle related with other case.

purchaser may prefer.

The PEERLESS is so simple that any one can easily operate it in a few minutes' time, as the Instruction Book which is sent with each Machine is profusely illustrated, and answers the purpose of a competent teacher. It shows how to do all kinds of fancy work with attachments. Complete Set of Latest Improved Attachments.

Into paying the prevailing high prices charged by agents and peddlers under the old system, and which has been entirely abolished in the sale of the PEERLESS by our plan, and the machine is thus furnished to the people at a slight advance over the manufacturers' price, thus relieving the purchaser from contributing toward paying the salaries and expenses of traveling men and agents.

Every PEERLESS machine is guaranteed to be as represented and to give entire satisfaction, or money will be refunded. A registered Certificate of Warranty is furnished by the manufacturers agreeing therein to furnish any parts that may prove defective WITHIN FIVE YEARS, free of charge (except Needles, Bobbins and Shuttles), so great is their confidence in the excellence of the PEERLESS.

Price including one year's subscription to THE Northern
