ROCK HILL HAPPENINGS.

Convicts Escape—Last Nail in the College—Hart in a Gln. Correspondence of the Yorkville Enquirer.

ROCK HILL, October 10.—Last week three convicts, whose names are Chas. Jackson, Henry Watson and Alfred Williams, made good their escape from the convict camp at the Industrial college. The convicts, in some way, managed to exchange their stripes for citizens' clothes and walk away. They are still at large.

Yesterday, Mr. W. H. Stewart drove the last nail in the Industrial college. It is finished and the Rock Hill people look forward with a great deal of interest to the opening of the college, which is booked for the 15th instant, although there is a conflict with the reconvening of the constitutional convention, since Governor Evans, Hon. B. R. Tillman and other notables are to take a prominent part in the opening exercises of each.

Last week Will Thomasson, while working at the ginney of Mr. J. R. Neisler, accidentally got his arm caught in the brush wheel, resulting in a laceration of the man's arm.

Work on the Arcade and Mauchester Cotton mills is well under way and progressing rapidly.

Dispensary Law Sustained.

In the United States circuit court at Charleston, last Wednesday, Judge Simonton rendered the decision in the case of Lowenstein & Co., of Statesville, N. C., who tried to have the dispensary law declared unconstitutional on the ground of it being a monopoly. The decision sustains the law and the suit was dismissed.

BAGGING & TIES

IS not the name of any firm doing business in this community, that I know of; but for a long time I have noticed that they were closely associated together, especially at this season of the year, when the heavy staple has "squared" itself and is preparing an "opening" for market. In fact these two commodities are almost inseparable. Where you find BAGGING, there you will find TIES. Especially is this true at RIDDLE'S, where 21,000 pounds—nearly ELEVEN TONS—have settled on their own grounds and as for; BAGGING, I have yards, yes hundreds of yards, verily I believe miles. When you want either, or both, call on me for figures.

SHINGLES AND LIME.

We keep on hand a large supply of SHINGLES and LIME, and when you want either of the above articles, you will save money by coming to us. We get Shingles and Lime by the carload, and we don't expect to let the supply run short.

RUBBER AND LEATHER BELTING Of various widths, for Gins, Sawmills and other machinery, always on hand at bottom prices, and parties who need goods of this kind, can do no better than consult me before purchasing.

MY FLOUR IS BEST.

And some people claim that their flour "is as good as Riddle's," which is acknowledging the superiority of ours. We bought our flour when it was at the lowest notch, consequently, we can, more so than ever, make it to your interest to consult us about flour.

BEFORE I FORGET,

I will say that I am still selling TWENTY POUNDS OF GRANULATED SUGAR FOR ONE DOLLAR, and almost as many pounds of anything else as you may want. You see that we sell such quantities of everything that we have no time to look after a few pounds of stuff. J. H. RIDDLE.

R. N. MOORE. W. B. MOORE. W. B. MOORE & CO.

NOW! NOW!

PARTIES indebted to us will please remember that we want the money NOW. YOU, I'm speaking to.

BAGGING AND TIES, Repatched, at 35 cents per set. Going like hot cakes. Come at once, if you expect to get any. We can't get any more of them.

Guns, Pistols and Cartridges. We pay license to sell them. Any size or kind can be had from us. The largest and cheapest line of Breach Loading Guns we ever had, now in stock. Lower than ever before.

PERSONS ARE COMING IN Every day and paying us for Pumps we put in during the summer, and speaking in the highest terms of them. Don't you want one? Come and let us figure with you. We also sell the Perfect Endless Galvanized Chain Pump. Works well in wells 30 to 40 feet deep. We charge store prices—not peddlers. Steelyards, 150 lbs. Balances 600 lbs. Cheap Corn Shellers and a thousand and one other things.

Call at the Variety Store And get the highest price for your cotton. W. B. MOORE & CO.
