ROCK HILL HAPPENINGS.

Recent Deaths—Two Fires—Personal Mention.

Correspondence of the Yorkville Enquirer. ROCK HILL, October 28.—Mrs. Amelia Pride, wife of Colonel C. J. Pride, died last Sunday night, after a long and tedious illness caused by a stroke of paralysis.

Mr. James Sturgis died last Thursday, at the home of his father, Mr. J. A. Sturgis, who lives about six miles below Rock Hill. His remains were interred in Laurelwood cemetery on the following day.

A small store room, on the outskirts of town, owned by A. Freidheim & Bro., and occupied by Meacham & Co., colored, was burned last Friday morning. The loss was about \$100.

There was another fire on Saturday morning in the rear of the buildings of the Rock Hill Manufacturing company. The house was occupied by a family named Kenworthy. The water supply was short and the fire department was unable to accomplish a great deal.

The South Carolina synod has adjourned without transacting any business of special interest. Members of the synod preached in all the local churches last Sunday.

T. F. McDow, Esq., of Yorkville, was in the city on Thursday and his friends were glad to see him.

Dr. J. Miller Moore has returned to his post on the steamship Atlanta, at Newport.

W. B. Wilson, Esq., spent Saturday and Sunday with his family; but returned to the convention on Monday.

Every first-rate man of business can create a first-rate business. By such a man obstacles of time, situation, poverty and competition can be overcome.

THE TALKING TYPES.

Are You a Licensed Pharmacist? We have Bluestone for the wheat-sowers. It is a poison, and no person not a licensed pharmacist can sell it, or any other poison, under the law governing the sale of poisons in this State.

No Disappointment. Dr. Jackson's Black Liver Pills never disappoint you. They cleanse the stomach, open the bile ducts and excite the liver to action, expel all effete and poisonous matter from the alimentary canal, act promptly, and always on schedule time.

A Royal Smoke. The man who loves a royal smoke should try our mild Figaro; in truth, we are told every one that is sold is stuffed with fragrant Yarrow.

A Southern Maiden. A maiden stands in the bloom of youth while the Southern breeze caresses, and sheds its sweet magnolia balm through her loosened, flowing tresses.

A Grate Sale. We have a large Coal Grate, about as good as new, which we offer very cheap.

At 6 or 8 Years Ago. We made a remark in THE ENQUIRER which was as follows: "But one thing to do with a debt—pay it."

All persons in debt to the above firm, on open account, by note or otherwise are requested to make immediate payment to W. E. FERGUSON.

TO MY FRIENDS: In entering the "ring" single handed, I pledge my friends, and the friends of Ferguson Brothers, that no efforts will be spared to please them, and respectfully ask for a share of public patronage.

W. E. FERGUSON. J. M. FERGUSON.

ON the 1st day of October last, the firm of FERGUSON BROS., doing a fancy and family grocery business in Yorkville, was dissolved by mutual consent.

BY THE QUARTER UNTIL JANUARY 1, 1896. ON 12 hours' notice, I will sell fore-quarters of beef at 4 cents a pound, and hind-quarters at GREEN HIDE, the highest price for GREEN HIDE.

WE ARE TRYING

TO keep up with the procession in the way of doing repair work. Five men are now employed at our establishment, and we can and do do lots of work during each day. We have been crowded during the past few weeks, but notwithstanding this fact every job has been given as careful attention as if it was the only one we had and we expected to make our reputation on it.

ARE YOU COMING

TO Yorkville next Monday—saleday for November? If you are, do you men, or uses better material than the fact expect to buy a Buggy, Ladies' Phaeton or Suggy? I desire to remind you that I can and will make you inside prices on any style vehicle you may want and guarantee QUALITY. I sell the Rock Hill Buggy Company's vehicles, and no better are offered on this or any of the adjoining markets.

No Factory in the South

Is better equipped, employs better workmen at Rock Hill, and owing to the fact they make a specialty of Buggies and Ladies phaetons and devote their time, energy and capital to the production of these specialties, none can successfully compete with them. Try a Rock Hill Buggy; you will be entirely pleased with it.

Vain Regrets.

You may buy some other buggy than the Rock Hill, and not even examine it, or get prices and afterward learn to your sorrow that you made a mistake, but regrets will not help you. The correct thing to do is to buy a Rock Hill at the start.

Shuze!

MY advertisements this week will be devoted almost entirely to my Shoe department, and I'll tell you some things you didn't know before, and it will pay you to read these ads, not only this week, but all the time.

First I want to tell you something of Douglas, the \$3 shoemaker. A few weeks ago there was a meeting of manufacturers who make a specialty of \$3 Shoes, to decide whether or not they would advance the price of their Shoes to \$3.50. All of them said "yep," to this proposition except Douglas, and he said "NOPE," and he gently added that he had been making them at that price, and would continue it, regardless of what he lost. I have just received a large stock of Douglas \$3 Shoes, all sizes and widths, in congress and lace. Try a pair; you will like them, as 1,000,000 other people do.

Below I give a few prices on goods received this week:

Men's Tapped Soled, Buckled English Ties for 98 Cents; Worth \$1.45 in Boston today.

Men's Oil Grained Buckle Shoe, for 98 Cents; Worth \$1.45.

Men's Piccadilly Toe, Lace Shoes, a Leader for 98 Cents; Worth \$1.75.

Children's Dress Shoes, Sizes 5s to 8s, at 35 Cents.

Children's Dress Shoes, sizes 9s to 12s, at 50 Cents.

Ladies' Dongola Kid Gaiters, Sizes 2-12 to 8s, at Prices too Low to Mention.

Third Shipment of Gent's Fur Tourist's Hats.

Full Line of Celebrated New Home Sewing Machines at \$25.00.

See me before you buy Dress Goods, Clothing, Shoes, Hats, Notions, Blankets, Wraps, Overcoats or anything.

H. C. STRAUSS, N. E. Corner of Fountain Square.

FLOWERS---PLAIN AND RARE!

ANY and everybody knows that there are many and various kinds of flowers. Everybody knows that flowers grow spontaneously from the earth, and that some are, by their peculiar fragrance more valuable than others. The material seems to be graded as if they were articles of commerce, and so it is with every other product of nature whether it be stone, metals, woods, or whatsoever. A stone, may be a stone, and there are only a very few who would deny it—all there are some—and yet there are very few who would claim that a "nigger head" was as valuable as diamonds, or that a pound of iron was as valuable as pound of gold.

All articles are graded according to their quality and rarity and the value is fixed according to the supply and cost of production.

BUGGIES---PLAIN AND RARE?

Any and everybody knows that there are buggies plain and buggies common; buggies cheap and buggies fine. Every buggy has five wheels and after that is said then the difference begins. The CAROLINA BUGGY is the BEST MADE. It is a hobby of the company to make the best and they MAKE IT. You can buy buggies at from \$30 up, but the CAROLINA BUGGY "is not built that way." It is made to sell at \$75. It is worth \$75 and it will give more pleasure, comfort and satisfaction to a customer than any other buggy built. If you want the best, before you buy, call on the CAROLINA BUGGY CO.
