Wrongfully Accused. While Mr. James G. West, assistant cashier of Southern Exchange Bank and Trust Company of Atlanta, was in Yorkville last week, there developed a financial trouble with his bank. The stockholders became suspicious, charged that of a receiver. Mr. West receved information of the trouble at this place by telegraph, and immediately set out for Atlanta, where he showed the suspicious stockholders that he had left full instructions as to his books, etc., in his absence. Everything was found to be all right so far as Mr. West was concerned, and the attorneys who had made charges against him promptly offered apologies.

New Constabulary. Governor Ellerbe has completed the re-organization of the state constabulary. There were 162 applications for positions on the force; but of these only 42 were accepted. The force is divided into "upper" and "lower" divisions, the former being in charge of Chief J. R. Fant, and the lower in charge of Wm. N. Bahr. Among the constables in this section are J. T. Will Return \$10,000. Columbia Register: Governor Ellerbe returned to the city yesterday afternoon from Clemson college where he had been attending a meeting of the board of trustees. He said the chief matter of business was the proper expenditures of the income of the college. Another matter of great interest to the taxpayers was the determination of the board to return to the state \$10,000 which the college drew ion at 10 a. m. over the appropriation a year or two ago. The appropriation was \$25,000 but for some clerical error it was made \$35,000. The extra \$10,000 was used on at 10 a. m. Sunday Services.—At 7.30 a. m. there will be holy communion. A Perplexing Problem.

Governor Ellerbe has a perpleing roblem on his hands in the case of S. C. Dickson, of Greenville, who was sometime ago sentenced to 42 months in the penitentiary for forgery.
