The fact is that the price at which I am offering the new goods should induce the farmers to dress every bale just like a dude. Come and see us and let us give you prices.

WE HAVE \$2 KIND TOO.

Oh! yes, we've got the \$2 kind too—the everyday variety that we've been selling all the time; but we've got something better now, if you've a mind to pay for it, hetter now, if you've a mind to pay for it, and the difference in quality is much greater than the difference in price. Yes, we've got 100,000 LONGLEAF HEART PINE SHINGLES, which we are offering at the low price of \$2.40 per thousand. They are the best shingles ever put on this market.

Plastering Hair, Lime, ATHES AND CEMENT can always be found at our store, and contractors or purchasers of large lots can expect close prices. J. H. RIDDLE.

CAROLINA BUGGY CO.

NO BUCCY ON THE MARKET

Is EQUAL to the CAROLINA BUGonly the best buggy built in the southern states; but is also the best finished, in painting and trimming, while its durability is equal to almost any requirement. The painting never allows it to present a shoddy, makeshift appearance at any stage of its existence. While it is made to sell, it is also made to satisfy the customer and represent a value equal to the price for which it is sold. It is LIGHT AND STRONG and always built of the very best material to be had, and in all stages of its construction it is passed through a thorough, severe and critical inspection by one whose first thought is to have it built as near pefection as human skill can accomplish. We make them to order or keep them in stock, and it will be to your interest to consult us when in need of a vehicle. TS EQUAL to the CAROLINA BUG-
