There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For great many doctors pronounce it a local disease, and prescribed local remedies, and be constantly failing to cure with local treatment, pronounced it incurable. Science has proved catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and textimonials. Address case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & Co., Toledo, O.
