family. The searchers were two

English educated young men and a bright detective. The plot is com-

ND it takes an artist to be a photo doesn't stand much of a chance of mak-given years of study to this especial line and I can say with pride that my work will compare favorably with that of any photographer in this section. The best and most perfect photographs are the results of experience and not ex-

are the results of experience and not ex-periments. I do all of my developing, retouching and finishing, thereby obtain ing the best possible results.

As Far As Prices

Are concerned, you need not worry your-self along that score. I know that my prices are reasonable and you will agree with me when I tell you what they are.

I am also prepared to develop and print pictures taken with pocket cameras. If you have a Kodak or Vive or any other camera, and for any reason you can't de-velop and print your pictures, bring them to me at my gallery on West Liberty street. J. R. SCHORB.
