SOUTH CAROLINA MISSIONARIES.

omething About Their Location in the Ch

nese Territory.

There is a great interest manifested in the safety of the Christian missionaries in China, many of whom have gone from this section of the country. In fact South Carolina has furnished large proportion of the missionaries from every denomination, and natur ally their relatives and friends are quite anxious about their welfare. But so far as can be ascertained there is only one South Carolinian in the dis-

turbed district around Pekin and Tien
