## EACH SUIT IS GOOD VALUE AT MARKED PRICE.

It Will Be a Waste of Time to Go Elsewhere.

TT HEN our SPRING AND SUMMER CLOTHING began to arrive people who are close observers were fairly amazed at the quantities that we were receiving; but when they began to inspect the qualities, they were still more amazed, as such goods have seldom ever come to this town; but when they begin to see the prices that we put on them, it takes their breath away. Such low prices for good goods in Clothing have never before been seen in this vicinity. We have never been able to offer the good quality of Clothing that we are now offering at the ridiculously LOW PRICES at which they are marked. We may never be able to do so again; but we are willing to let the future take care of itself in this particular. Remember, however, that we propose to furnish the Clothing for the good dressers of the County this year, and if we don't it will be because the good dressers just fancy that they are doing better by paying more for goods that are not one whit better. We have Clothing for the masses; Clothing for everybody; the slims, the stouts, the shorts, the longs, the very shorts and the very longs, the youths, the little fellows and the old fellows. Salt and Smooth Finish Kersey Suits, made as well as custom made goods can be made, even at \$15.

Since our Clothing has arrived we have fitted up a customer in a suit for \$12. He said: "The Suit fits me as nicely as any tailor-made suit I ever had made to order." When he saw the quality and heard the price, he asked, "Haven't you made a mistake? I expected to pay \$18 or \$20." We told him no mistake had been made; but that we were selling him the clothes at regular prices and making our usual small profit. He was amazed and pleased. We can please you, because Cash, Close Buying, Experience and our Short Profits make goods very low here.

# Read on Please, WILL

When our Mr. Strauss was buying our goods in the Northern markets he did not steal them; but paid HARD CASH for every ar-ticle bought, and cash talks up North just now when everything is more or less demoralized. It talks out loud in meeting and the big wholesalers are listening, and don't need ear trumpets to hear either. But the credit buyers' have hard work to make these big dealers hear. In fact they need a speaking trumpet to do their talking. We do not know whether the other fellow stole the goods he sold to us or not, but we do know that we have them and they are here for you at extremely low prices. Every customer will get FULL VALUE for EVERY CENT SPENT HERE, just as they have done in the past; but you will probably get more and better for your money.

We have in our Clothing stock this time something that is seldom found on this market, namely, a WOOL CRASH SUIT for \$4.50. That is considerably less money than you will frequently pay for a linen crash suit. These suits are in light colors, unlined and can be washed with as little injury to them as a handkerchief. Mr. Strauss did not buy a car load of these suits, and if you want one now or think you will later, you had better come now and get fitted up before the stock is broken. We have the largest stock of Clothing that has ever been on this market. We have more than ONE THOU-SAND SUITS OF CLOTHING on our tables, ranging in prices from 50 cents to \$17.50. Our 50 cent suit is not wool, nor will you be told it is wool; but it will be guaranteed to be all cotton, and if you find anything else than the fleecy staple in its makeup you can bring it back and get your money just as easy. These suits will not fit a 200 pound man, but will fit a boy from 3 to 8 years old. Mothers will find that they can get clothing for the boys here at a less price and as good goods as they can make themselves. We will sell you a suit for almost as little as you can buy the cloth and trimmings, and we for almost as little as you can buy the cloth and trimmings, and we will throw in the making and take off the worry. A nice Vestee suit, fancy trimmed, 3 to 8 years, for only \$1.00, and if you want something nicer and finer we have them in almost endless variety. We have full line of two piece suits for boys and youths, 8 to 16 years, knee pants. Also three piece suits for youths, with long pants, for the young men of 14 to 20 years. We can supply anything you want in Pants from knee pants for the little men, long pants for the larger in Pants from knee pants for the little men, long pants for the larger men, and more pants for the older men at from 50 cents to \$7 a pair.
