Inspect Our Material. DID it ever occur to you that when you buy a Buggy, it may have just any old kind of wood and iron in it, under the paint? We are now building a VERY FINE LOT OF BUGGIES. We invite ALL to come and inspect the material BEFORE IT IS PAINTED. If you find anything in our factory that it not strictly good then you may conclude that if you should buy a Buggy of us painted you might get the poor material. If you find nothing but GOOD MATERIAL, you can justly conclude that we use NOTHING BUT THE BEST, and you can safely buy any of our goods, painted or not, and get only THE BEST. Come and see the material, whether you want to buy or not. We are now selling goods payable next fall. YORKVILLE BUGGY CO.
